

Saco-Lowell Opponents to Wage Legal Battle

Council Will Fight Redistricting Bill

ANOTHER HEARING REQUESTED ON BILL FOR REDISTRICTING OF LOWELL INTO WARDS

Acting upon orders given him by vote of the city council, City Messenger Owen A. Monahan went to Boston this morning, carrying in his brief case true copies of the resolution adopted by the council last night, asking for another hearing on the bill which directs the election commission of Lowell to redistrict Lowell into wards in 1924 and every tenth year thereafter. These copies he will deliver in hand to the president of the senate and the speaker of the house of representatives.

CITY COUNCIL GRANTS PETITION OF SACO-LOWELL TO CLOSE PORTION OF WORTHEN STREET

By a vote of 13 to 2, Councilors John W. Daly and Jas. F. Hennessey dissenting, the city council last night granted the petition of the Saco-Lowell Shops that a portion of Worthen street and all of Kilson street be closed and discontinued as public ways.

The final vote was not taken until midnight and it crowned a session filled to the brim with debate and oratorical dissertations for and against the proposition. Standing almost alone in his expressed opposition was Councilor Daly, although Councilor Hennessey joined with him as a ally indignantly when the issue was settled.

NEW GERMAN PROPOSITION FOR REPARATION SETTLEMENT

PARIS, May 2.—(By the Associated Press) The new German proposition for a reparation settlement are so far from acceptable to France that a flat rejection of them is regarded by persons close to Premier Poincaré as inevitable. This rejection, it is stated, will probably be followed by an extension of the occupation on the right bank of the Rhine.

Arbitration Suggested
BERLIN, May 2.—(By the Associated Press) Germany's latest reparation proposition.

PAPPAS GRANTED SECOND REPRIEVE

Executive Council Delays Execution of Death Sentence Until July 11

Previous Reprieve Pending Appeals for New Trial Expired Today

BOSTON, May 2.—The executive council today voted to reprieve Paul Pappas, condemned murderer, until July 11. A previous reprieve pending appeals for a new trial expired today.

Pappas was convicted of the murder of Alice Arsenault, keeper of a lodging-house in the South End of this city. The state maintained that she was killed on Christmas day, 1920, but her body was not found until five months later, concealed in a pile of ashes in the cellar of the house.

The superior court has denied Pappas a new trial on the grounds of alleged newly discovered evidence and of the willingness of District Attorney O'Brien to not press so much of the indictment as charged murder in the first degree. John P. Feeney, counsel for the condemned man, has taken exceptions and announced his intention of appealing the case to the supreme court. This action, however, could not have deferred the execution but for the action by the council.

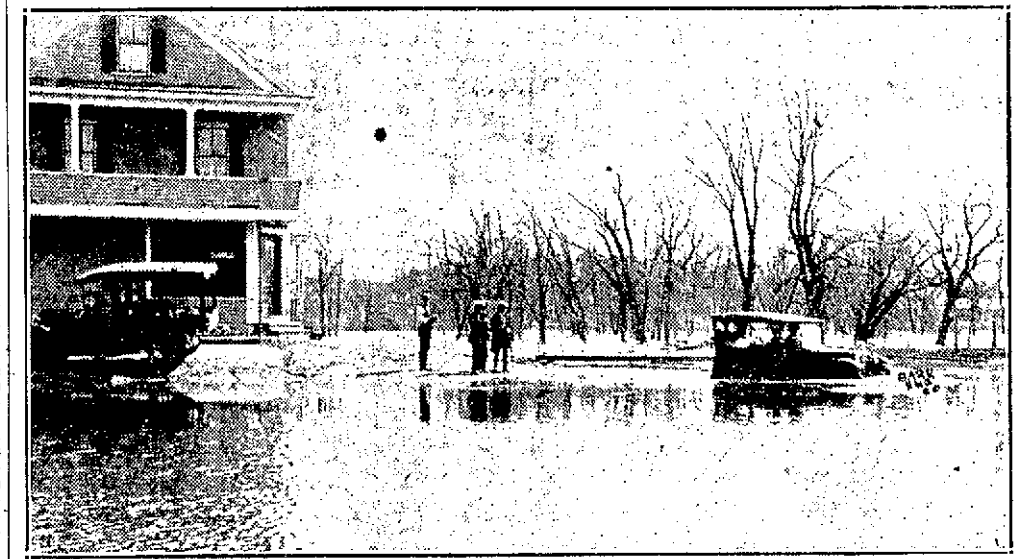

BODY OF WOMAN SEEN IN RIVER

Word was received from Lawrence early this afternoon that the body of a woman was seen floating down the Merrimack river below the falls in that city at about noon today. Word was sent to the police but because of the swift current it had disappeared from sight when they arrived. Harbor authorities have been notified and will watch for the body there.

Inquiry was made at the office of The Sun as to any missing Lowell women and the name of Miss Mary Curran, who disappeared from her home in Agawam street on April 26, was given to the Lawrence Telegram which is attempting to trace the body as it is being borne down stream.

Merrimack River is Receding but Several Streets Flooded Yesterday are Still Impassable

AUTOMOBILE NEARLY SUBMERGED IN SPARKS STREET

Water Still Stands Several Feet Deep in Many Cellars —Manufacturing at Boott Mills Resumed on Usual Schedule Today—Believed River Will Be Normal Within Forty-eight Hours

Although still of fresher proportions, the Merrimack river is dropping rapidly in height today and already water has receded from many places inundated yesterday when the flood peak was reached. The cubic feet per second flow at Pawtucket falls was 41,000 this morning, against 52,000 yesterday, with the crest slightly less than 8 feet above the cap stones of the dam in comparison with a top height of 9 feet 24 hours ago.

That stretch of Pawtucket boulevard under water yesterday, today is clear but covered with a thick coating of mud and silt and all along the banks of the river above the falls are evidences of yesterday's high water mark. Below the falls, in the vicinity of the mouth of Beaver brook, where most of the property damage occurred when back-wash from the river flooded large areas of low land between Riverside street and Lakeview avenue, water still stands several feet deep in many cellars and continuous passage through Sparks and Martin streets is impossible because of flood conditions there. The water must recede several feet more before any attempt can be made to repair Beaver brook bridge, although not passable.

Manufacturing at the Boott mills was resumed on the usual schedule today after a 40-per cent. curtailment yesterday, made necessary when the

BUILDING CAMPS AT LONG POND

Twenty-seven acres of woodland on the shores of Long pond in Dracut, situated on the Collinsville end of the pond, will be developed into camp lots in the course of the summer. This land is owned by E. Gaston Campbell, president of the Lowell Real Estate Exchange, who stated today that a great deal of the land has already been cleared and work on the erection of 20 summer camps has been started.

Mr. Campbell purchased the tract of land a couple of years ago and it is his intention to convert it into a summer resort. In the course of a couple of years he will erect about 100 camps on the site and will clean up a large tract for a pine grove for outings and other gatherings. The lakeview end of the pond is practically covered with camps, but at the Collinsville end nothing in the line of development has ever been attempted. It is believed that within a few years all the land around the pond will have been developed and the spot will be one of the most popular resorts in this part of the state.

WEEKLY PAYROLL APPROVED
The regular weekly meeting of the members of the budget and auditing committee was held in the city auditor's office at city hall this morning with all members present. No business was transacted, but the weekly payroll, which amounts to \$286,448, as against \$272,000 for the previous week, was approved.

COUNSEL FOR REMONSTRANTS WILL FIGHT MOVEMENT TO CLOSE WORTHEN STREET

"We have just begun to fight," said Attorney William A. Hogan today, referring to remonstrants to the petition of the Saco-Lowell Shops that New Kilson street and a portion of Worthen street be closed, as voted last night by the city council.

Mr. Hogan with John M. O'Donoghue of the firm of Trull, Wier & O'Donoghue, represent several opponents to the proposition, claiming the city council had not the right to close the streets in question, and will ask the supreme court to review the entire proceedings.

Just what course will be followed is not definitely decided upon, but it is fairly certain that the attorneys will petition for a writ of certiorari, upon the issuance of which the matter might be reviewed. Under such a writ the entire proceedings could be quashed either from the standpoint of action outside its (the council's) jurisdiction, or action in bad faith.

Also, it is probable that counsel for the remonstrants will seek a writ of injunction to restrain the Saco-Lowell Shops from carrying out the allowances in the petition favorably noted upon.

Whatever course is pursued, Mr. Hogan made it very clear that some action will be taken at once and that the persons represented by Mr. O'Donoghue and himself are determined to fight the matter to the last ditch.

THE ADVERTISING CLUB WOMAN PAYS DEATH PENALTY

Lowell Ad Club President and Secretary Resign— Noon Day Meeting

The resignation of its president, Charles D. A. Grasse, and the secretary, Miss Alice F. Joyce, from the offices were two surprises sprung on the Lowell Advertising Club at its business meeting in Middlesex hall this noon. Mr. Grasse resigns as he believes that it will be impossible for him to give the time necessary to the club, and Miss Joyce gives for her reason the fact that she is about to take up a position in Boston.

Robert Wood, vice-president of the club, presided at a short business session of the club, following the resignation, and then turned the meeting over to Edward Conroy, of the Lowell Gas Light company, who was chairman of the day. Mr. Conroy had arranged as the feature of the day, an exhibition of the prone method of resuscitation.

Both protested their innocence on the gallows. Picarrillo paid the penalty at 5:10 a. m., and 41 minutes later, Mrs. Lassandra was executed. She was the first woman to be hanged in Canada in 24 years, and the fifth since the Confederation.

FRECKLES AND HIS FRIENDS

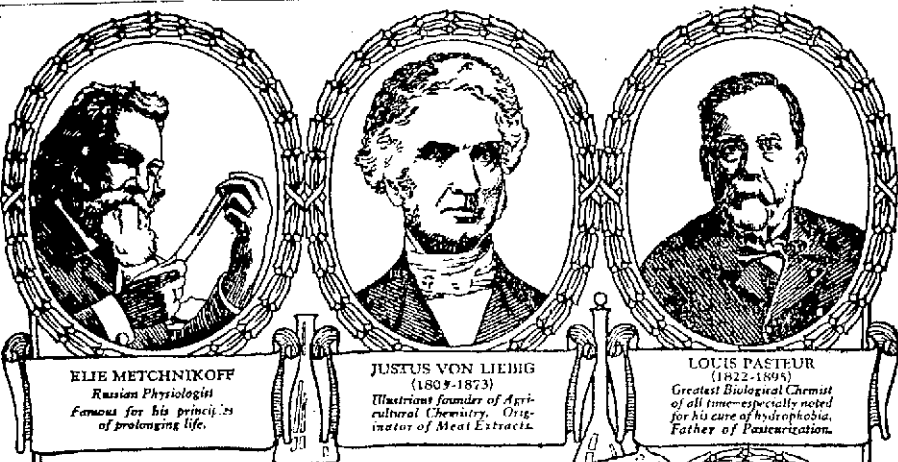

Two Men Killed While Repairing Engine LOWELL BATTERY WILL GO TO WALTHAM

FALL RIVER, May 2.—Damase Otlet, of 16 Nelson street this city, a machinist for the New Haven railroad, and his helper, Charles Webb, of Tiverton, were almost instantly killed while repairing an engine on the main line about 2.30 this morning, when a locomotive in charge of Engineer C. C. Tresholtz and Fireman Robert A. Hartnett, both of this city, and drawing 10 loaded freight cars, crashed into the one they were working on. Both bodies were mangled as they were drawn several engine lengths.

Messenger Boy Shot Down in Boston

BOSTON, May 2.—Peter Milewski, a mite of a messenger boy, was shot down while delivering telegrams at the Army Base today. A bullet that came from an indetermined direction pierced his right arm. The boy fell with a cry that brought a soldier to his side, but the source of the shot was known to neither. The investigation, which was begun took into account the possibility that the bullet came from a rifle in the hands of an army or a marine corps sentinel, the latter being on duty at a small navy base adjoining.

O'Rourke Hunts Heavyweight
NEW YORK, May 2.—Tex O'Rourke, famous trainer of boxers, will sail for England Saturday to search for a British heavyweight capable of meeting Jack Dempsey.

The Advancement of Science Keeps Up

New Help Found for the Weak and Debilitated

SCIENTIFIC progress has become so rapid that it is almost impossible for the average person to keep up with the wonderful discoveries that are leading to complete mastery of disease. We have come to feel that there is really no limit to what the tireless workers in the field of medical research can achieve.

The cause of the extreme weakness of body and mind and the nervous exhaustion that is so often seen in men and women, and for which they have not been able to account, has been found. And, what is much more important to the thousands thus afflicted, a way has been discovered to relieve these symptoms and promptly restore vigor to the body.

It has been found that the loss of weight, strength and energy that brings distress and depression of mind to countless men and women, is often due solely to the fact that the inorganic elements present in the food they eat are not properly utilized by the millions of little cells of which our tissues are composed. When these cells fail to receive the proper amount of these inorganic elements—when they are faced by a famine—they lessen their

functional activity in order to escape death through starvation. In other words, these cells curtail their production of vital energy and, as a consequence, the entire body is weakened, just as it is after a day of extremely hard labor if we do not take time for a mid-day lunch and rest.

Is Wincarnis the reconstructive tonic— are combined the inorganic elements present in the food we eat, and which the cells of the body require in order to produce strength and energy and rebuild tissue. When taken three or four times a day, Wincarnis furnishes the cells with an abundance of the necessary inorganic elements, and the body promptly repairs its vigor, weight is restored, and there is a full recovery of energy. For almost half a century, physicians have prescribed Wincarnis for the weak, anemic, nervous and run-down.

Wincarnis

Tel. 821 now and have one delivered to your house.

The Lowell Electric Light Corporation

29-31 MARKET STREET

WAS BURIED WITH MILITARY HONORS

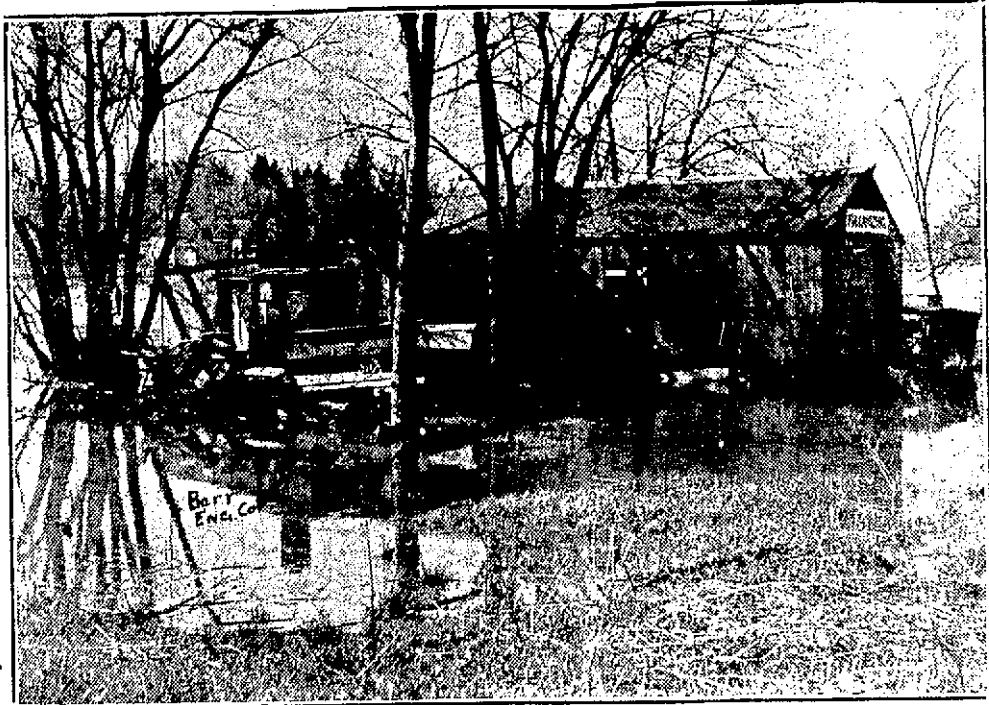

President David F. Caddell of the Veterans of Foreign Wars conducted the veterans' ritual exercises at the funeral of Fred S. Currie, a sailor during the World war on the U.S.S. America, who died last Sunday at the United States hospital, New Haven, Conn., and who was buried here this afternoon. The funeral services, in charge of Undertaker George Eastman, were held from the home at 23 Indian street.

The casket was carried to the cemetery on a caisson flanked on both sides by bearers and military escort in uniform. The firing squad and taps followed the ritual, read by the president.

Chaplain George Crowell of the post read the veterans' ritual service. Senior Vice Commander Frank Hart, and Junior Vice Commander Richard Casey took a prominent part in the services. Adjutant W. C. Kirk had charge of the firing squad.

The bearers were John Shea, Leo Krug, Paul Spillane and Frank Hinch. A delegation of veterans from the Lowell post of the American Legion marched in the funeral procession. The body was interred in the Edison cemetery.

Varnum Avenue Vulcanizing Shop Isolated by Flood

One of the most striking instances of complete isolation caused by the overflow of the banks of the Merrimack yesterday was found at the entrance to Pawlucket boulevard in Varnum avenue at the vulcanizing shop of Edward L. Roll, situated to the left of the highway on land near the river. Trucks under repair left standing outside the shop were marooned by the onrush of the water.

and not until this morning was the proprietor able to get into the building and take account of stock. The accompanying photograph shows the building entirely surrounded by water.

Victoria Tallard took place this morning from the rooms of Funeral Director Joseph Albert. High funeral mass was sung in St. Jean Baptiste church at 9 o'clock, by Rev. J. A. Emery, O.M.I. The choir, under the direction of Rodolph Papin, who also was the organist, sang the Gregorian chant. Francois Hamelin was the soloist. The bearers were Henri, Louis and Albert Tallard, Fred Plante, Harry Frabant and Anestor Houde. Burial was in St. Joseph's cemetery, where Rev. Alphonse Archambault, O.M.I., read the committal prayers.

O'BRIEN—Edward O'Brien, aged 29 years, was killed in a tannery at Ayer, Mass., April 30. He was born in Westford, Mass., and had lived in this city for many years, leaving Lowell ten years ago to make his home in Ayer. He is survived by his wife, Theresa O'Brien, three brothers, James O'Brien to Lowell, John O'Brien of New York city, and Major Harry O'Brien of Seattle, Washington, and by two sisters, Mrs. L. P. Morrow and Miss Anna O'Brien of Portland, Oregon.

CLAYTON—Mrs. Catherine Clayton died this morning at her home, 15 Sutherland street, aged 53 years. She leaves her husband, James Clayton, two sisters, Mrs. E. E. Lath of Webster, Mass., and Mrs. Geo. H. Neill of Lowell, three brothers, William J. and John B. Hoare of Lowell, and Thomas J. Hoare of Detroit; also several nieces and nephews. She was a member of St. Anne's Episcopal church.

WALSH—Mrs. Nora (Valliere) Walsh, wife of Thomas Walsh, aged 32 years, died last night at St. John's hospital. She leaves her husband, a daughter, Laura; her father and mother, Mr. and Mrs. Raymond Valliere; three sisters, Mrs. Melville Laliberté, Mrs. Celia Drouin and Mrs. Alma Michaud. The body was removed to the home of a sister, Mrs. Laliberté, 2 Herick avenue, by Undertakers Amedee Archambault and Sons.

ADPLOT—Miss Thilda E. H. Adplot, an old resident of this city, died yesterday at the Old Ladies' home, 620 Fletcher street, where she had resided for the past four years, at the age of 79 years, 4 months and 2 days. She is survived by one sister, Mrs. Anna Ohlson of Billerica.

FUNERAL NOTICES

MEIKENNEY—Died in this city, April 30, at his late home, 48 Chapel street, George Meikenny. Funeral Thursday morning from his late home at 8 o'clock. A funeral high mass will be celebrated. Burial in St. Patrick's cemetery, in charge of Undertakers O'Connell & Fay.

MORIARTY—Died April 30th, at the home of his parents, 28 Franklin street, Thomas Moriarty. Funeral Thursday morning from 8 o'clock from the house and a funeral high mass will be sung at St. Patrick's church at 9 o'clock. The burial will be in St. Patrick's cemetery, under the direction of Undertakers James P. O'Donnell & Sons.

CLAYTON—Died in this city May 2, at her home, 15 Sutherland street, Mrs. Catherine Clayton. Funeral services will be held from her home Friday afternoon, at 2:30 o'clock. Friends invited to attend. Burial private. Arrangements in charge of Undertaker W. Herbert Blake.

LYONS—Died in this city, April 30, at St. John's hospital, Jessie Lyons. Funeral Thursday morning from 8 o'clock from the rooms of Undertakers Charles H. Molloy's Sons, Market street. Burial mass at St. Patrick's church at 9 o'clock. Burial in St. Patrick's cemetery.

SOUCY—The funeral of Elise Soucy will take place Friday morning at 8 o'clock from his home, 46 Ward street. Burial will be in St. Joseph's cemetery at 9 o'clock. Friends are invited to attend. Burial will be in St. Joseph's cemetery. Arrangements in charge of Funeral Director Joseph Albert.

STREET FLOOR

SAFEKOTE SHINGLES
(Highly magnified and with slate surface removed) show practically no change after long exposure.

ORDINARY SHINGLES
(Similarly magnified and with slate surface removed) soon decay after exposure. Read explanation.

Builders and Architects Recommend These Shingles

They know that SAFEKOTE Shingles are rugged and enduring, because their base is of all-rag Felt, which soaks up more asphalt. The more Asphalt in shingles the longer they last. SAFEKOTE Shingles won't curl, resist fire. Slate surfaced in fadeless green, red or blue-black colors.

A New England product.

SAFEKOTE "300 to 1" INDIVIDUAL SHINGLES BIGGEST AND BEST

An extra heavy shingle. 10 in. wide x 15 1/4 in. long. The heavier felt base and additional saturation make it look like slate slabs. Five inch exposure saves \$1.25 to \$1.75 in application cost. And it is guaranteed for 15 years.

SAFEKOTE MILLS

Boston, Mass.

Also makers of Roll Roofing. Prepared Roofing. Waterproof Building Papers. Cement and Paint.

NEW STRENGTH AND ENERGY

FOR WEAK, NERVOUS PEOPLE

ELVITA Pills Enrich the Blood, Strengthen the Nerves, Build up Physical Power, Give Vigor and Nerve Power to Nervous, Tired Out, Despondent people.

Elvita Pills have stood the test for over 50 years. Thousands praise them for run-down condition, general debility, nervous prostration, nervous weakness, nervous exhaustion, mental depression and unstrung nerves, caused by the influence or from over-indulgence in alcohol, tobacco or excesses of any kind.

ELVITA BROMO-GERMANIUM COMB. is a bitter tonic. It stimulates the appetite and aids digestion—25 years in private practice has proven it to be exceedingly valuable in nervous dyspepsia and nervous or irritable stomachs. A teaspoonful or two taken before retiring helps to induce a restful sleep. Sold at drug stores, \$1 a bottle.

ELVITA DRUG CO., 30-32 OLIVER ST., BOSTON, MASS.

The Famous Elvita Remedies are sold in Lowell by Sam McCard, 230 Merrimack St., Fred Howard, 107 Central St., Green's Drug Store, 3 Merrimack St., and all reliable druggists.—Adv.

THE KNIGHTS OF PYTHIAS

Harry Green Beyer Elected
Grand Chancellor at Grand
Lodge Meeting

At this morning's session of the Grand Lodge of the Knights of Pythias, Harry Green Beyer, formerly grand vice-chancellor, was elected grand chancellor for the coming year. This was practically the only interesting business that came up this morning and Mr. Beyer's election had been forecasted for some time.

Mr. Beyer is widely known throughout the state as a fraternalist and as a business man. He was born in Roxbury, June 12, 1877, the son of John Anthony Beyer, a native Bostonian. He was educated in the schools of Boston and then went to work on textile and financial newspapers. During his career as a newspaper man, he took up the study of law and later went with the late Richard M. Saltonstall, previous to Mr. Saltonstall's entering the firm of Gaston, Snow, Saltonstall & Hunt. Leaving this firm in 1902, he went with the late Leverett Saltonstall, Tuckerman of 53 State street, Boston, being in the same office ever since in the care and management of numerous trust estates and funds.

In 1907 he joined Mizpah Lodge of Beyerit and was commander of the lodge the following year. He was elected representative to the Grand Lodge in 1917 and became grand officer in 1919, being advanced in successive years to the other offices. Mr. Beyer is also active in Masonry, being a member of Amicable Lodge, St. Paul's Royal Arch Chapter, Boston Commandery, K. T. and Alpha Temple, Mystic Shrine. He lives with his wife, Jennie Linn (Heron) Beyer, in Cambridge, in the winter and Sargent in the summer, and has one son, Robert Wesley Beyer, who is also a Pythian.

The other officers in line were advanced with very little opposition arising against any of them.

Radio Broadcasts

STATION WJAC, BOSTON

ESSAY BY WASHINGTON SCHOOL PUPIL

Miss Doris E. Hanson, of the Washington grammar school, has a very interesting answer to the chamber of commerce essay contest, "How Can We Make Our Streets Safe For School Children?" and the chamber awarded her a silver Eversharp pencil for the best essay written by a pupil of the school. Miss Hanson's essay:

"In the number of street accidents during the past year Lowell ranked seventh among the cities of the United States. Therefore it seems necessary for the school children and all the people of Lowell to try and make Lowell the city to have the least number of accidents this year.

"Many of the schools in Lowell have had eighth and ninth grade boys as officers to see that the younger children cross the streets surrounding the schools in safety. If more schools could adopt this method and have reliable boys as officers it seems as if the number of accidents at least around the schools would be lessened.

"Everyone should feel the responsibility of lessening the number of accidents. Occasionally an accident is due to the careless driving of an intoxicated man but the greater part of the accidents are due to people carelessly crossing the streets before all moving vehicles—cars, cars, automobiles. Everyone should try to stop all persons from 'hopping' rides on electric cars or automobiles. Small children should be discouraged from climbing on ice wagons.

"Last winter a young boy was coasting on a slide street that led into a public highway. As he neared the bottom of the hill he saw an auto coming. He was going too fast to stop himself. The auto was also going fast. Consequently the boy was instantly killed. If more streets had been set aside for coasting many accidents of this kind would not have occurred.

"In the summer when there is no school there is the problem of children playing in the streets. If more parks and playgrounds were set aside for these children many accidents would be averted. Lowell has done much to develop playground sports and activities.

"Stray dogs should be kept off the streets. If they have no owner they can be taken care of by the Humane society. These dogs are likely to bite someone and cause that person to have blood poisoning which might result in his death.

"Some of the theatres have put on the screen pictures of how accidents may be avoided. Some of the children who need these pictures the most do not go to the theatre very often. If the schools

NEED STRENGTH?

Vim, Vigor, Vitality Follow

If You Take This Advice:

Utica, N. Y.—"I take great pleasure in recommending Dr. Pierce's medicine, especially the Favorite Prescription and the Golden Medical Discovery, which I have taken with good results. I have taken these medicines as a tonic on many occasions, to build up my system and give me strength when I was all run down physically, and have found them very helpful each and every time. Dr. Pierce's Favorite Prescription and Golden Medical Discovery are exceptionally good medicines."—Mrs. Lou Thomas, 221 Lafayette street.

Beauty is but skin deep, good blood is beneath both. You can now build up your health and strength if you obtain Dr. Pierce's remedies in tablets or liquid at your nearest drug store. Write Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for free medical advice.—Adv.

SHAVED AS HE SHIMMIES

While J. Johnson was dancing at Washington with Peggy Jones to establish a marathon record, he had to be shaved en route so he'd look shikesome at the finish.

could have a picture machine and take a period occasionally to show these pictures and to have the teachers talk of them it might impress the children more.

"A good rule to teach children would be to 'Stop, Look, Listen'."

EDUCATIONAL CLUB HAS MAY DAY TEA

The Educational club held May tea yesterday afternoon in the Central M. E. church with a large attendance of members. An entertainment program of songs, instrumental selections, and readings was given by Miss Rita Thompson, Mrs. F. L. Roberts, David Greig Browning, Mrs. Eadie L. Huse and Miss Francis Scott. Miss Thompson sang "Just A-Wearying for You" and "The Gypsy Trail," and with Mrs. Roberts sang "Starry Night" and "Tell Me You Love Me." Mr. Browning won considerable applause for his rendition of "The Last Rose of Summer," and Mrs. Huse entertained with several

Women Just Love to Wear Themselves Out for Their Families

"REAL HARD WORK—GROWN GREATER THAN HER STRENGTH—YET SMILINGLY UNDERTAKEN"

Yet actually HUSBANDS and SONS can't bear to see it

IT began on her wedding day—though neither he nor she really noticed it.

How she loved to have everything in the house spotless! Curtains, table linens, sheets and towels. Her own dainty underthings. And especially everything HE wore!

That was her pride—and her happiness. And it was not too much to do. Then the babies came.

And her tenderest care was to keep every tiny garment sweet and clean—each new little person the essence of freshness from his downy head to his tiny pink toes.

Who could do it so well as she?—ALL WITH HER OWN HANDS.

have less and less of that best part of your SELF to give them. It has been swallowed up by your task.

HE notices the difference—long before you do. And the hurt of it is that he has never a glimmer of an idea of the size of the burden that is wearing you down.

Even your bodily grace begins to go, under the constant drain of a task harder than any woman should bear.

Tired arms, a slowing step, a tired back, a tired face—few men can bear to see these changes taking hold.

They look on helplessly for they do not understand. Then finally they settle down to accepting this unquestioning sacrifice from the Mother of the Home.

ground in is there need of rubbing.

And you will be surprised at how beautifully clean even those come with only that light rubbing. Those hopeless-est knees and seats of the small man's rompers for instance. That ground-in edge dirt of your husband's soft collars. It actually comes out with so little rubbing that not a thread of the fabric is weakened.

This new soap, Rinso, is already REPLACING BAR SOAP in homes everywhere—55 million packages of it were used last year.

Rinso is the easiest soap to use because of its entirely new form. It makes every washday step easier—soaking, boiling, or washing machine. It is used in place of bar soap for quicker, better results.

It is so perfect for washing machines that leading washing machine manufacturers urge women to use it for best results.

Apex, Bluebird, Coffield, Gainaday, Getz, Haag, Horton, Laun-Dry-Ette, Meadows, "1900" Cataract, One Minute, Rotarex, Sunnysuds, Surf, Trojan, Voss, recommend Rinso.

Rinso is made by the largest soap-makers in the world—THE MAKERS OF LUX. It is as wonderful for the regular week-in, week-out, family wash as Lux is for all fine things.

Get Rinso today. All grocers and department stores have it in two sizes—the regular package and the big new package. Lever Bros. Co., 164 Broadway, Cambridge, Mass.

But soon the babies grew and grew—into sturdy little rough-and-tumble boys, grimy smiling little girls who could not be denied their tumbling and their dirt—and it took all of her strength and vitality to keep this so much larger household in fresh clean linen week in and week out.

Real hard work—grown greater than her strength—yet smilingly undertaken, because the URGE WITHIN A WOMAN TO DO FOR HER OWN does not easily die.

But does HE like it? Stop for a moment. Think!

Gradually you have been losing something that every member of your family needs—your vitality, your energy and enthusiasm. Steadily you

Today, THE HARDEST PART of the hardest task of woman—rubbing clothes to get them clean—IS NO LONGER NECESSARY.

Incredible! All your past experience is against it?

But think of the dozens of other undreamed of things that HAVE come about. Just your own automobile, for instance, in which you yourself run about. A dozen years ago you would have said of that "Incredible."

Now, with the new kind of soap, just soaking takes the place of rubbing, gets the clothes clean—whiter than you ever dreamed they could be.

You just work the wonderful suds of this new soap up, soak the clothes in them, and the dirt comes right out with never a backache for you. Only in places where the dirt has been

DEVOL

Paint and Varnish Products Prevent Destruction

Can your furniture withstand the daily damage of living?

Constant use of your possessions brings down on tables and dressers a disfiguring rain of blows.

A hundred articles stab, slash, dent, batter and hack till the wood is pitted and marred and the value is gone.

Devole Paint and Varnish Products prevent this destruction. They give your furniture a charmed life. Blows are warded off; beauty and usefulness preserved throughout years of use.

Devole Mircrolac Finishes

Make THE Backyard Pay

BY WILLIAM H. BEATTIE, Extension Horticulturist, United States Department of Agriculture

There is a growing tendency among people living in towns and in the outlying sections of cities to keep a few chickens.

Twelve hens are about the right number from the standpoint of cleaning up all waste food materials from the household and 12 hens have been known to supply practically all the fresh eggs required by the family—but why the combination of 12 hens and a garden?

All nature operates according to the law of compensation, and, so with the household, the hens and the garden. In the first place, the hens consume the waste food that would otherwise go into the garbage pail and be lost and in turn lay eggs for the table.

The hens produce fertilizer which, if properly saved and used on the garden, enriches the soil and makes possible the production of bumper crops of vegetables.

The garden in turn often grows weeds in spite of reasonably good cultivation and the weeds, together with the thinnings and the waste from the vegetables themselves, make excellent green feed for the chickens.

An average hen, of one of the gener-

al purpose breeds weighing about six pounds, will produce in the neighborhood of two pounds of manure each week.

One-half of this amount will ordinarily be saved on the dropping board beneath the roost. This would be 52 pounds per hen or 624 pounds from the 12 hens during the year.

By sweeping the floor of the house and the small wire enclosure in which the hens are kept an additional amount of fertilizer for the garden will be secured.

Where a little of straw is kept on the floor of the chicken house this becomes broken in time and has mixed with it considerable quantities of the droppings of the poultry.

As the poultry house is swept out and new litter supplied from time to time, the old litter can be spread upon the garden plot and worked into the soil.

Poultry manure is very concentrated and must be used intelligently or the plants may be injured. Poultry manure should be stored in a dry place under cover and no lime mixed with it, as lime drives off the precious ammonia or nitrogen. Land plaster or sand may be used as an absorbent in the poultry house, but not lime.

Tomorrow: Taking the links out of back of backyard garden.

NEW SCHOOL FOR DRACUT

\$75,000 School Voted at Special Town Meeting

Held Last Night

Dracut, May 1.—The Parker avenue school in Dracut, which was destroyed by fire a few weeks ago, will be rebuilt at a cost of \$75,000. This was decided at a special town meeting held in Grange hall, Centre village, last evening with more than 200 voters in attendance. The money for the erection of the building will be raised on a 20-year loan and the following committee, which had been selected to study the matter thoroughly and report at last evening's meeting, was appointed to supervise the erection of the new building: Peter Bolton, Fred A. Bassett and Philippe Legare.

The meeting was called to order by Town Clerk John W. Brennan, who, after reading the warrant, called for the election of a moderator, and Norman J. Peavey was the unanimous choice of the meeting. The warrant, containing eight articles, was disposed of in quick order.

Under Article 1, Peter Bolton, chairman of the special building committee, reported the doings of the committee and Fred A. Bassett submitted figures prepared by a Lowell contractor. Mr. Bassett stated that an eight-room brick building will cost \$51,000; an eight-room wooden building, \$70,000; a six-room brick building, \$70,000; and a six-room wooden building, \$62,000. The report of the committee was accepted and a vote of thanks was extended to its members.

Article 2, calling for the purchase of land adjoining the site of the old school building was read and laid on the table temporarily. Article 3, which read as follows, was then taken up: "To see if the town will vote to build a new school at the Navy Yard and raise and appropriate or borrow the money therefor, and make the necessary provisions therefor. Town Counsel Warren W. Fox submitted the amount of money on loans, which will have to be paid by the town during the next ten, fifteen and twenty years. Supt. of Schools Charles L. Randall

CARMEN DISCUSS WORKING AGREEMENT

The members of Local 256, Street Carmen's union, met in their rooms yesterday afternoon and last night to decide whether or not to accept the working agreement offered them by the company. The result of the vote was not made known after the meeting and will not be made public until Saturday, when the joint conference board meets in Boston. At this time the results from all of the locals on the Eastern Massachusetts system will be made known and the trustees of the road will be notified as to whether the men accept or reject their proposal.

A special conference between the trustees of the road and the wage sub-committee headed by John D. Keegan will be held on Monday evening. It is doubtful if any agreement will be made at this meeting.

The working agreement under which the men have been working expired April 30 last, and a new agreement will be drawn up to the satisfaction of both parties, the old agreement will remain in force.

Thomas F. Boyle, president of Local 256, is the local representative to the joint conference board, and he states that in his opinion matters will be settled amicably within 10 or 15 days.

MATRIMONIAL

Mr. Ralph S. Tompkins, of Springfield and Miss Gladys A. Taber, of this city, were married April 30 at the home of the bride, 218 Rogers street, the officiating clergyman being Rev. W. J. Setzer. The couple will make their home at 2 Amory street, Springfield.

Mr. Ralph S. Tompkins, of Springfield and Miss Gladys A. Taber, of this city, were married April 30 at the home of the bride, 218 Rogers street, the officiating clergyman being Rev. W. J. Setzer. The couple will make their home at 2 Amory street, Springfield.

CHELMSFORD AND NORTH CHELMSFORD NEWS

Achievement clubs of Chelmsford and North Chelmsford will conduct a joint exhibit, demonstration and entertainment in the Chelmsford town hall, Friday evening at 7.45.

Chelmsford Home Economics and Poultry clubs which are supervised by the Middlesex county bureau of agriculture and home economics will exhibit under the auspices of the grange. North Chelmsford Home Economics club will exhibit under the direction of Mrs. Lillian B. McPherson, local club leader. Exhibits include clothing, food and eggs.

The entertainment program will be a play, "Hilling the Maid," given by the Chelmsford Centre High School Economics club, "Mock club meeting" by the North Chelmsford Home Economics club, a demonstration by the Chelmsford Centre High School Poultry club entitled "Housing a Back Yard Poultry Flock," and motion pictures by the county bureau, including travel pictures and those Jefferson in "Rip Van Winkle" (7 reels).

A special feature will be an address by State Club Agent George L. Farley of the Massachusetts Agricultural college on "Club Work in Mass." County Club Agent George E. Erickson, will present prizes to the successful exhibitors.

Lester F. Alden, principal of the Chelmsford Centre high school, and Miss Elizabeth W. Hawkes of North Chelmsford are two of the active workers who are helping to put over this exhibit.

In the afternoon State Club Agent George L. Farley and County Club Agent George E. Erickson, will visit the grammar school of Chelmsford where they

will talk to all the pupils above the fifth grade.

The object of this visit is to interest the boys and girls in the garden and canning clubs to be organized in the schools and supervised by the county bureau.

Bureau Millinery Group

Mrs. Charles A. Dane of Chelmsford is the local leader in the county bureau millinery group which will meet in the town hall, Thursday, May 3 from 10 to 4 o'clock. A box lunch will be served at noon.

This will be the second meeting held under the auspices of the county bureau of home economics.

Mrs. Nellie P. Draper will demonstrate, assisted by Mrs. Dane who is largely responsible for the success of the millinery club work in this town.

Monday, May 7, at 2 o'clock, a nutrition meeting will be held in the Chelmsford town hall with Miss Louise Patterson of the Middlesex county bureau in charge.

MOLLY VARNUM CHAPTER MEETING

Mrs. Nathan Puffer presided at the annual business meeting and election of officers of the Molly Varnum chapter of the D. A. B. held yesterday afternoon at the Spaulding house. A unanimous vote was received by each of the officers elected for the ensuing year.

The official staff of new officers is as follows: President, Mrs. Nathan Puffer; Vice president, Mrs. Frank G. Puffer; Treasurer, Mrs. Julia Tyler Puffer; Recording secretary, Mrs. Elizabeth J. Puffer; Corresponding secretary, Mrs. Harold H. Fletcher; Registrar, Mrs. Russell Dana, Jr.; Historian, Mrs. B. J. Mahoney; Head of management, Mrs. Edward G. Tucke; Mrs. E. G. Morrison; Mrs. George Upton and Mrs. Charles E. Leake.

The reading of committee reports formed an interesting part of the meeting, which was well attended.

THE LOWELL SUN

JOHN H. HARRINGTON, Proprietor

SUN BUILDING,

LOWELL, MASS.

Member of the Associated Press

The Associated Press is exclusively entitled to the use for republication of all news dispatches credited to it or not otherwise credited in this paper and also the local news published here.

SEEN AND HEARD

Sweets for the sweet. Fish for the fish. Paris wears fish fins.

It costs seven cents to marry in Germany, but it is worth it.

Elephants, giraffes and chorus girls paraded in New York, and, of course, you could tell them apart.

On a road near Warren, O., an observer passed a cow, with a red flag tied to her tail, being towed by a light truck.

It took 23 years to build a wooden clock in Vienna. The clock not only tells Vienna time, but it tells time of 17 cities in various parts of the world, on separate, smaller dials.

The grave of Andrew Nolan, printer, of Jersey City, will be marked at his last request, by setting at its head his time-worn "Imposing Stone," a marble slab on which for half a century he had made up his type forms.

As a reward for his 20 years of faithful service, Patrick J. Foley of Great Barrington, driver of the fire apparatus yesterday, was given a new pair of trousers, together with all harness, blankets and other equipment, at the annual meeting of the fire district.

A Thought

Man bath his daily work of body or mind appointed, while other animals range, and of their doings God takes no account.—Milton.

No Work About It

"You're looking rather upset." "Yes. The office boy told me he wanted to go to his grandmother's funeral. I determined yesterday that I would go. I thought, 'What? It was his grandmother's funeral?'"

Ret Mrs. D Was Mad

"You seem much interested in my son," said Mrs. Dupper. "Why? He is taking his first steps." "It must have been," asserted Miss Flapper. "He doesn't know any of the later ones."

Ironson Indignant

"Well, Mr. Ironson," said the minister to one of his flock, "I hope you derived profit from the service this morning." "Sir," returned Ironson, justly indignant, as he thought, "I have not a drop of business on Sundays and attend church with no hope of profit."

The Waste Basket

"My husband is simply a manufacturer of waste-paper baskets," said a guest at dinner. "And it is a very prosy occupation." "Yes," asserted an unappreciated hostess at next the speaker, "but then a great deal of good paper goes into waste-paper baskets after all."

The O'Donnell Bridge

Remember that the late Charlie Morse and others predicted when the new Pawtucket bridge was built? They said it would go out with the first frost. Charlie Morse called it O'Donnell's bridge because it was built during the latter's administration as mayor and because the mayor was so much interested in the bridge. Well, anyway, the O'Donnell bridge still stands and looks now as if the structure is capable of handling all the ice, high water and freshets that the dear old Merrimack river can send along.

Very Good Advice

When the judge discovered that the prisoner had no counsel he ordered one present to act for him and do the best he could in the circumstances. Thereupon, the only counsel who had no great love for the judge, retired with the prisoner to an adjacent room for a brief consultation. Some time later a sergeant was sent to inform them that the court was waiting, but all that the officer found was the counsel. "Where is your client?" said the judge, when the counsel came into court. "He has left the place," said the counsel. "What do you mean?" "Why, your lordship gave me instructions to give him the first advice I could. I asked him if he was guilty and he said yes, so I opened the window and advised him to jump out and run for it. He took my advice."

Very Unusual Happening

"Cy" Perkins has a farm and splendid orchard in Washington, D. C. He is a great worker and is getting results. Despite the fact that he has made two blades of grass grow where only one grew before and that he has made a success of his farm in every way, there was one happening in the life of Farmer Perkins that was as the most unique and wonderful in the history of Washington. Early in his career as an apple grower "Cy" was a bit pushed for the necessary fertilizer for the farm that he determined to develop. He was told that dead horses buried in an orchard would make apple trees flourish and bear exceedingly well. He learned of a man who had an old horse, chestnut in color, that he wanted to get rid of. "Cy" got the horse, killed him and buried the carcass under an apple tree, and, lo and behold, instead of apples the tree bears horse chestnuts.

"Peach-Blows"

One morning in early springtime, when the birds, the brooks and the hills were singing for joy, and the sunbeams just tilted the distant hills—

My father called from the doorway: "The peach-blows are waiting for you!"

Be not so fast, they stay but a minute, And then they are just to our view."

I looked with a child's quick vision, On the fields that were green and fair, But never a glimpse of "peach-blows." Then my eyes searched everywhere.

And then I got to the ground, my plume, But up where the mountain lies, Just catches the line where the shadows melt into the brightening sky."

And crowding the mountain's summit Was a lake of colors fair, That seemed like a piece of heaven, As it shows through the misty air.

Not bright with the radiant glory That the sunbeams hold, But as the limits of the peach-blows, Shone in pink, and the apricot and gold.

And this lesson of looking upward, That was learned when my life was young, Has lived through years of sunshine, And through years of shadow, too.

For often, when storm clouds gather, And the pathway I cannot see, I lift my eyes to the mountain, And God's wonderful care for me.

And if earth-shade dims my vision, And the peach is hid from view, Like the peach-blows colors of child-hood, The brightness is shining through. —By "Maud"

MAN ABOUT TOWN

Tom Thomas Conlon, O.P., one of the prominent fathers in charge of the annual mission in St. Michael's church, is a brother to the famous "Jockey" Conlon, last year's captain of the Harvard varsity baseball team and at present carrying around second base in spectacular style for the Boston Braves. Rev. Fr. Conlon is a firm believer in healthy outdoor recreation and has followed his famous brother's diamond career with great interest. "Jockey," by the way, appeared to add to his city several times, and has many friends here who are rooting for his success in the "big time."

"Bob" Thomson of the Rotary club deserves high praise for the hard work he is putting in for the drive for funds for the Boys' club, and every member of the Rotary club who is aiding in this drive deserves credit as well. It is a great thing that they are working for. The boys of today are the men of tomorrow, and if these boys are allowed to grow up in the streets among companions who show them bad example, then the people cannot expect them to grow up as citizens. The Boys' club takes any boy in any walk of life and allows him the use of the room. He can go in and read, play games, shoot pool, partake of the gymnasium exercises or take a shower bath, and the only thing that will bar him from the rooms is the breaking of one of its rules. The members of the Rotary club are out to get \$5000 for this club in a month and to do it they need the support of the people of Lowell who are anxious to improve its future citizens.

The unexpected often happens. Here we were all over the thought of a spring froshet with its heavy downpours of rain, coming within 24 hours of each other, boost the river up to a height that has not been reached previously in 20 years, and millions of dollars damage has been done throughout New England. I remember when in school, the day after one of my fellow schoolmates had met an automobile accident, the teacher said: "Never trust the river. It may look safe but one can never tell just what it is going to do five minutes in advance." Her advice remains with me even until now, for though I love wading in the water, I never will wade or swim in the Merrimack river, or any other river, any more.

There is always dread in especially in the spring when the snow and ice begin to melt and the volume increases to freshet proportions. Psychologists might explain my dread and tell me how to cure myself of it, but every time I see the river running wild and doing an immense amount of damage, I thank heaven that I never forgot the teacher's saying, and I think she spoke more truth than she intended to at the time.

Young men of Lowell between the ages of 17 and 24 who wish for a season of outdoor life, setting up exercises and a touch of the military atmosphere, will do them a world of good, and are advised to accept the opportunities of the citizens' military training camp, which will be held at Camp Devens the month of August.

There are accommodations for 5000 at the camp, and the fact that the enrollment has been small up to the present time, shows that the advantages offered by the government have not been understood. Nothing can better inculcate habits of correct physical exercise, quick thinking, and general mental discipline than this training. There are no strings attached to the offer of the government, one does not sign for future military service, there is absolutely no obligation on the part of the student in training. An especial appeal is being made to the high school pupils of the state, particularly those who have had experience in school military affairs.

Transportation, clothing and food are furnished free at the camp, there being no expense to the student, who receives a month of exercise and life in the open, free of charge. Young men between the ages of 17 and 24, who possess average intelligence and who read and write might investigate this proposition as a means of passing the vacation.

The extra hour of daylight is appreciated by everyone in Lowell, particularly the people who derive their living from the work inside the mills, but when the alarm clock swings into action, one hour earlier in the morning, Harry Lauder's favorite song, "It's time to get up in the morning," is not so pleasant to the sleeper who is not so used to the alarm.

After the theatres and gatherings of amusement seekers, the streets of Lowell are practically deserted. Here and there groups gather, for discussion, or a final chat, before separation for home, but there is a decided lack of promiscuous window strolling and walking about the main thoroughfares. Next week the baseball fans will twilight base in their favorite sport, twilight baseball, one hour earlier in the morning, and are fast getting into shape, insuring the followers of the game some genuine entertainment. The look and feel of the city are different, as the people these days, have a chance to get into action with the rakes and hoe with their extra sunlight, rendering in many cases a considerable portion of the winter's supply of vegetables.

No rain has fallen for 60 days in Shensi, China, and the fish are forgetting how to swim.

Irish planning for the Olympic should be good cross-country runners. They run a cross country.

EDITORIAL COMMENT

Full River News. Reasonable rents, better houses and happier homes are directly connected with the proper protection of present forests and reforestation of cut-over and idle lands because lumber is the chief building material," declared Secretary Reynolds of the Massachusetts Forestry association, recently.

This is easily understandable and requires no explanation. A timber shortage means a lack of housing facilities, and a lack of good housing means overcrowding in the cities. And the vast train of evils that arise from overcrowding require no stressing.

What Is Lodge Up To?

New Bedford Standard: Whether Senator Lodge's letter to Governor Hyde of Missouri means that he is giving the way to report of President Harding's world court proposal, or whether it means that he is getting ready to play the sparrow in this particular cock-robin, is a question upon which we observe already a difference of opinion.

One view is that Mr. Lodge is setting up a pension bridge over which he and men like Mr. Watson of Indiana and Mr. McCormick of Illinois can retreat, in good order, to the Harding citadel. To vary the figure, Mr. Lodge is out to save his face and that of his colleagues who are conscious of the fact that if they vote for the world court after what they have said and done, they may be open to the charge of inconsistency.

LOWELL MAN PATENTS

GASOLINE MANIFOLD

Philip Samuels, of 113 Gorham street has received from Washington a patent on his improved gasoline manifold. Mr. Samuels states that his manifold will give the owner of the automobile full power from gasoline, something that he is not getting at the present time.

He claims that the present grades of fuel are made up of a high and low powered mixture, and that when this combination is introduced into the cylinder, only the high grade explodes. The low content which amounts to about one-third of the mixture, remains as a carbon deposit on the head of the cylinder, or seeps through the piston rings into the crank case, necessitating a change of oil at stated periods.

The inventor claims that his improvement will take this mixture, change it into dry form, and introduce it into the cylinder. The entire mixture will explode, giving the maximum return from the combination and saving the owner one-third of his gasoline bill. Mr. Samuels is making plans to finance his invention, in order that he can turn out a number of the improvements. The invention is the result of five years of spare time work on the part of the merchant-lawyer, who has been a resident of Lowell for the past six years.

Keeper Donahue has watched New York zoo animals 52 years. His life must seem like one long drink.

Inquest Over Skeleton of Student

CHICAGO, May 2.—A complete list of freshmen and sophomores who were attending Northwestern university at the time Leighton Mount, freshman, disappeared after an inter-class rush in September, 1921, will be demanded at the inquest today over the skeleton found Monday night and identified as that of the missing youth, according to Oscar Wolff, coroner.

Ruthenberg Trial in Final Stages

ST. JOSEPH, Mich., May 2.—(By the Associated Press)—Trial of Charles E. Ruthenberg, charged with violation of Michigan's syndicalism act, entered its final stages today, with indications that the jury would begin its deliberations before tonight. Closing arguments were begun yesterday. The defense argument will be made by Frank P. Walsh, Ruthenberg's chief counsel, and Humphrey H. Gray, lawyer and wealthy philanthropist of Benton Harbor, who is donating his services. Ruthenberg and Charles Krumbein of Chicago, formerly an organizer for the communist party, were the last witnesses. Krumbein denied testimony given by Francis Morrow, department of justice agent, that the portfolios of each delegate contained a copy of the communist constitution and program. Krumbein said he issued the portfolios.

VALENTINO WILL SELECT MOST BEAUTIFUL GIRL

A double reward awaits the winner of the beauty contest to be judged by Rudolph Valentino upon the occasion of the only personal appearance here of "The World's Greatest Lover" this evening at the Memorial Auditorium.

Word comes from Valentino that one of the objects of his transcontinental junket is to discover a new leading woman to play opposite him when he returns to the movies. For that reason he has adopted the idea of holding a beauty competition in every city he appears in on his tour, and arrangements are now under way to have all the winners go to New York this month when Valentino will wind up his tour. There, in Madison Square Garden, Valentino will pick his next leading lady from the bony of beauties that he will have selected from nearly 100 cities throughout the country.

Conditions for the prize beauty contest have just been made public. Pictures must be submitted for the preliminary judging, which will be done by a local committee, and no girl who has appeared in films before is eligible. All contestants must be on hand for the Valentino performance, as the local judges will select the six girls they consider the best looking before the star of the screen makes his first bow tonight.

After the Valentino program, which includes dances with his wife, the beautiful New York heiress, Winifred Hudnut, and several musical numbers by Valentino's own Argentine orchestra, the names of the six survivors in the beauty competition will be called out from the stage, and then Valentino himself will select the girl he considers the most beautiful in this city.

THE FAMOUS BAND FROM BALTIMORE

St. Mary's Industrial school band of Baltimore, Md., which is making its first tour of New England and which will appear in the Lowell Memorial Auditorium under the auspices of the Savarian Brothers of St. Patrick's parish next Sunday, is one of the youngest musical organizations of its kind in the country. It is composed of youths about 12-15 years of age, who have been brought up in the world of music by competent teachers in the brotherhood. For years, Washington society folk have looked forward to the appearance of the St. Mary's group at national functions in Washington. Presidential inaugurations would seem incomplete without the presence and the tuneful air of the juvenile group of handmen who play with all the vigor and technique of experienced veterans.

While touring the west a few days ago, the band played in Chicago for a concert and played to one of the largest audiences the Windy City has ever witnessed in a similar concert. The same has been the rule all along the east circuit covered by the boy musicians. In Detroit, John Philip Sousa, premier bandmaster of this country, was among the audience and he afterwards paid a personal tribute to the prowess of the players. The band will come to Lowell Sunday evening following an afternoon performance in Boston. Tickets are on sale at Steiner's.

AMUSEMENT NOTES

H. F. KEITH'S THEATRE

A vaudeville show which will do your heart good is on parade at the H. F. Keith theatre, this week. See it and you will like it. There are Clarence Oliver and Georgia O'P in "Wire Collect," a sweet little comedy, admirably played, and who top the bill. Next we see Danny Dugan, expert dancer and "The Land of the Living," with Madelyn Meredith, in their superlative dancing act. This is one of the sweetest dancing acts the town has known in a long time. Has and Emma Dean have comedy turn which convulses and Count Perrone and Trux Oliver furnish charming musical turns. Frosini is without question the greatest acrobatist this city has known in years. "An Artistic Treat" is a splendid reproduction of famous sculptures, and the Warden Bros. are doing double-foot balancers.

LOWELL OPERA HOUSE

In order to accommodate the crowds who have been able to go to the shows during the different matinees, the management has decided to give an extra matinee for "The Gay Young Bride" on Saturday afternoon at 2 p. m. Tickets for this matinee can be secured at the box-office. Phone 351. Don't wait too long, as these seats will go very quickly and it will be the only opportunity for those who haven't witnessed the show to do so.

Next week Mr. Lutzinger will bring to Lowell some new faces and also some very well known stock performers. In Mr. Victor Brown, the new leading man, he feels that he has secured one of the finest performers on the stage today. Mr. Brown has had a great deal of experience having been with the William Fox stock company. He has also played in New York, St. Paul, Montreal, and also has his own company. In Miss Olga Hanson, the new leading lady, Mr. Lutzinger brings to Lowell as charming a leading lady as can be found anywhere. She has a very charming personality and a soft musical voice and as to her ability her appearance in stock in Union Hill, N. Y., Minneapolis and Lowell speaks for itself.

Mr. Kenneth Fleming, a former leading man at this theatre, will return to Lowell and Mr. John Rowe, who came from Salem and took Mr. Billy Hall's place as comedian. The Nightingale will be the play in which Lowell theatregoers will have the opportunity to meet the new members of the cast and also see their favorites of all seasons.

CROWN THEATRE

Today the Crown theatre will start a two days' run of the Fox production, "The Yosemite Trail," starring Dustin Farnum, who has scored many successes on both stage and screen. As its name indicates, the story occurs in the Yosemite Valley. This background lends itself admirably for the excellent photography of the film. The picture is said to be filled with exciting action that is sustained from beginning to end. The scenic grandeur of the Yosemite is used by the director to create the impression of hugeness and power. So well has this been done, according to reports, that the characters seem to grow forth like the primitive glauks who struggle for mastery.

This is the sort of photoplay in which Dustin Farnum excels, and judging from his previous work, it should prove interesting entertainment.

HAUTO THEATRE

"Tantico Double J. R." a smashing comedy drama with J. P. Glendon in the leading role, is the starring feature of the Hauto looking for the next two days. The comedian feature is also exceedingly good, while the supporting attractions are up to the usual standard. This afternoon there

will be a toy matinee for children and souvenirs will be given away to the little ones.

THE STRAND

Today offers the last chance of seeing one of the best motion picture programs of the season, "Poor Men's Wives," a strong melodrama of more than ordinary worth. Shirley Mason in "Lovebound" is a comedy drama that ranks with this star's best screen efforts, and "The Land of the Living" is not only entertaining, but educational as well. Don't miss this last chance.

Featuring with matinee tomorrow and continuing through the remainder of the week the big Mack Sennett special, "The Crossroads of New York," a comedy melodrama that reflects the life and lure of the Great White Way will be shown. The beauties who made Broadway famous are shown in large numbers, and the story that it tells is of the worth-while sort. There are phases of the metropolis that you have never even heard of before that are shown in this story. The most human of all stories is the struggle of the new comers to the big city. The best hearts of the city are shown in the comedy side and an equal number on the dramatic side, while the producer has never heard of before that are shown in this story. The most human of all stories is the struggle of the new comers to the big city. The best hearts of the city are shown in the comedy side and an equal number on the dramatic side, while the producer has never heard of before that are shown in this story.

The special attraction at The Strand for four days, beginning next Sunday will be Rudolph Valentino in "The Four Horsemen of the Apocalypse," in which the actor plays six parts. Besides featuring Valentino, this picture, which is the most famous picture of the season, is ranked with the best and most extravagant productions of the genre. There are more than 100 principals and a cast of over 1000. The production cost more than a million dollars and the original story was read by Mark Twain. This picture has been shown at the Strand for four days only, beginning next Sunday, and at the regular Strand prices.

MERRIMACK SQ. THEATRE

Final performances will be given this evening at the Merrimack Square theatre of "Over the Hill," starring little Jackie Cooper in Charles Dickens' most lovable novel. The other feature of the evening program is "Criming and Romance," starring Viola Dana in a most appealing drama of the Kentucky mountains.

There will be a complete change of program tomorrow afternoon with the underlined attractions "The White Flower" starring beautiful Betty Compson in a romantic drama filmed on volcanic slopes in the Hawaiian Islands, and "The Forgotten Law."

drama of modern life with Milton Sills and an all-star cast.

The story of "White Flower" opens beneath the tropical skies of Hawaii, an island of mystery and weird charm where native, with living sacrifices, are propitiating Pele, the goddess of destruction, who presides over Kilauea, the world's greatest volcano.

Miss Compson plays the part of a young, half American half Hawaiian girl who is in love with a young American, the pineapple king of the island. Many are the adventures which Miss Compson faces for winning this young fellow's love. In fact, she almost does away with his dance by the aid of mysterious rites, so great is her love for him. She is a girl who never, what she is able to do, and at the crucial moment her real womanhood asserts itself.

The photography, as well as the acting in the production is excellent. The direction by Julia Crawford Ivers, who also wrote the story, is superb. One of the many noteworthy scenes in the picture is that showing the crater of the volcano Kilauea. The heart appeal is intense.

A powerful dramatic photoplay based on a novel of widespread appeal is "The Forgotten Law," the second feature for Thursday, Friday and Saturday. In its narrative form it aroused heated discussion, leading finally to the repeal of a law which worked terrible hardships on womanhood. As a photoplay the dramatic emphasis is even more pronounced, and the motion picture is one of the strongest attractions of its kind in several seasons.

"ROBIN HOOD" COMING

The management of the Merrimack Square has announced the engagement of Douglas Fairbanks in "Robin Hood" as the attraction in this popular playhouse for an entire week starting Sunday, May 6. No theatrical announcement for many a day will be received by local theatregoers with greater satisfaction, for the fame of "Robin Hood" as being the most colossal and epoch-making film of the decade has spread to every corner of the land. "Robin Hood" is the most costly production ever brought to Lowell either on stage or screen. It has re-

"You've Got to See Mamma Ev'ry Night"

The popularity of this unusual, self-starting feature is spreading rapidly. If you want the finest version of it ever played, get the Columbia Record, by the Georgians.

"You Tell Her—I Stutter" is the encore number on the other side.

Miss May Conway, Interlocutor.

AMERICAN LEGION AND PUBLIC SCHOOLS

Speaking at the ninth annual conference of superintendents of schools at the State Normal school in Framingham, Dr. F. O. Norton, member of national American commission of American Legion, Indianapolis, Ind., said:

"The American Legion believes that all true education shall train for good citizenship and should help the individual to adjust himself to present day civic requirements. We believe in the kind of education that will make the individual real American—one who has faith in America. The American Legion is not so much concerned in education for individuals as for society.

"The time has come when we ask as to the measure of the man's life. 'What did he leave?' We are coming more and more to ask 'What did he leave for his fellowman?'

"Obviously the first step in the process of Americanization is the acquisition of the ability to speak, read and write the language of America. Different languages tend to misunderstanding and disunion. Europe, as compared with America, is an outstanding example. The language should not be taught merely for its own sake. The contents of reading matter should be the chief consideration. Masterpieces of literature properly graded setting forth the life institutions and ideals of our nation are

collected nothing but praise from the critics. It is playing in the leading theatres of the country at the very top admission scales, as high as those paid for the biggest legitimate and musical comedy productions. At the Park theatre, Boston, it ran for nine record breaking weeks. Bostonians paid \$1.50 a seat and they were thankful for the opportunity. On account of the tremendous cost to bring this magnificent photoplay to Lowell the Merrimack Square management states that there will be a slight advance in prices for this special production.

Continues House of David Colony Probe

ST. JOSEPH, Mich., May 2.—The one-man grand jury investigating charges of immorality in the House of David colony again today concerned itself with obtaining testimony regarding occurrences at Shiloh, the home of Benjamin Purnell, missing leader of the sect. Three witnesses testified yesterday. Mrs. Estelle Mills, a former Purnell disciple, and Marietta Smith Martin, 20, and S. Ray Martin, newly married, told of life at the colony. More than 50 witnesses have been summoned.

Merrimack Receding at Manchester

MANCHESTER, N. H., May 2.—Measurements at Amoskeag Falls today showed that the Merrimack river at this point was receding almost as fast as it rose. Today's early markings showed seven feet at the Amoskeag gate house, with every indication that the river would keep dropping until it reached the normal point. Train service, which was diverted yesterday by way of Ayer for Boston, is now going through.

extremely valuable. To understand him in touch with our people and our ideals, Americanism is a spiritual conception and is expressed in our best literature. Our best schools should open this source of inspiration to all America's children.

"The American Legion stands ready to co-operate to the fullest extent with the public schools."

For information regarding the uses and care of "Wear-Ever" aluminum utensils, see the permanent demonstration of the Modern Methods Kitchen, 234 Boylston St., Suite 21

LOWELL HIGH DEFEATS BOSTON ENGLISH HIGH IN SLUGGING BEE

JIMMY LISTON'S LOCAL HIGH SCHOOL TEAM HANDS VISITORS FROM HUB 7 TO 4 BEATING AT SPALDING PARK

Lowell high added another victim to its list of 1923 baseball successes by defeating Boston English high by the score of 7 to 4 at Spalding park yesterday afternoon. The game was slow, taking more than two hours for the nine innings to be played and the interest of the fans was at a low ebb after the visitors failed to approach scoring distance after the fourth frame. It was in this stanza that the Boston boys pushed their four rallies across the plate while Lowell registered in the first, second, and fourth innings for a total of seven runs.

Gibbons who pitched such a masterly game against Nashua last week, started on the mound for the locals but was taken out in the fourth inning when the Hub batters found his weakness and began to make hits count. Littlefield took up the burden and put a stop to further scoring. But Lowell was not alone in using two pitchers. Flynn essayed to hurt 'em for English in the beginning and meeting with a hot reception, he was yanked in the second in place of Smith who started in center field. Smith fared a little better, but did not succeed in taming the local batters, who secured nine hits during the game as against eight for their opponents. O'Day, Willard, Daily and Littlefield garnered two apiece while P. Smith claimed the longest out, a two-sacker to deep left field.

The scoring began in the first. After English had gone out, O'Day and Flynn failed to catch O'Day at third on his roller. There were three on base when O'Day came back and threw to Whitehead at home, cutting O'Day's momentum. O'Day then threw to Whitehead at home, cutting O'Day's momentum. O'Day then threw to Whitehead at home, cutting O'Day's momentum.

BRAVES WIN FIFTH STRAIGHT AND MOVE INTO THIRD PLACE—RED SOX ALSO WIN

NEW YORK, May 2.—Three major league teams in their game yesterday in upbitt fight, smashing out victories in late-in-the-game spurts. The world champion Giants defeated the lovely Brooklyn Dodgers, 5 to 4, in a ninth inning rally, winning 6 to 5. The New York Yankees came out from behind to defeat Washington on its home grounds, getting six runs in the seventh inning for an 8 to 1 victory. A rascally rookie from the open spaces of Texas, Fred Johnson, pitched for the Giants, and was largely responsible for the Dodgers' defeat. Burleigh Grimes, Dodger pitching ace, allowed but six hits, but the Texas rookie gave out only five. The Detroit-Cleveland game was a free hitting affair. The Tigers, getting 12 hits in the Indians 14. The Yankees also piled busy bats, getting 14 hits to Washington's 12. In addition to hitting out two-digits and a single, Babe Ruth stole home with the tying run.

Pittsburgh's Pirates ended the St. Louis Cardinals' winning streak, defeating them, 4 to 2. The Boston Braves of Christy Mathewson captured a hard hitting game from the Phillies, 4 to 3. The Braves made 14 hits and the Phils cracked out 17. It marked the fifth straight victory for the Braves and the team moved into third place.

The other Boston team, the Red Sox, also gathered a win, defeating the Philadelphia Athletics, 5 to 4. Howard Eganke, Boston pitcher, pitched out three of them in the ninth with two men on the bases. The second place in the National league was broken.

TEXTILE SCHOOL WINS OVER N. H. COLLEGE

"Bob" Gamley's Textile school baseball team defeated New Hampshire State College, 8 to 4, yesterday afternoon. Blanchard was on the mound for the millmen and while he allowed 11 hits, the game at Spalding park was a slugger's dream. The Lowell team scored in the first two frames, scoring four runs in the opener and one in the following inning. State's big inning was the sixth when the New Hampshireites put a trio of tallies across, making the score 6 to 5. A three-ply wallop by Sullivan of Textile featured the hitting department. The score:

TEXTILE	ab	r	h	po	a	e
Reynolds ss	5	2	3	1	5	0
O'Day p	5	1	2	0	0	0

FAMOUS FOR QUALITY

Johnson Lacks Knockout Punch

LEFT TO RIGHT, LUIS FIRPO, WILLARD AND JACK McAUILL. LOWER, FLOYD JOHNSON.

NEW YORK, May 2.—Just at present the heavyweight situation is the all-absorbing topic of conversation in this burg.

With Jess Willard at Yonkers getting in shape for Floyd Johnson, and Luis Firpo making ready to annihilate Jack McAuliffe, the war is boiling among the big fellows.

Willard certainly looks in great shape. If he were a younger man by five or more years, I certainly would be willing to concede him a fine chance against Dempsey. There isn't a bit of superfluous weight on Willard. He looks to be in the best condition of his career.

Some years ago I saw Willard box the late Luther McCarthy at Madison Square Garden. Willard was in the novice class then. The Willard I saw the other day doing his training stunts looks to be a better conditioned athlete than the Willard of six or seven years ago.

Age Real Question Mark

As I watched Willard in action with his sparring partner I simply couldn't brush aside the fact that he is past 40 years of age. Regardless of his fine condition, I am unable to believe that he possesses the reserve strength to take a lacing and go a long way. It strikes me that Willard must do things in the early rounds of any fight in which he takes part.

FIRST GAME IN TWILIGHT LEAGUE SERIES

The familiar cry of "Play Ball!" will be heard on the South common one week from tomorrow evening when the Centralites and the F.M.C.I. will perform in the local Twilight League's 1923 curtain raiser, these two teams having drawn the opening date at a meeting of the league representatives last night.

The Broadways and South Ends are the Friday night selections, while Highland Daylights and Knights of Columbus will make their debut on the following Monday.

Player lists were not submitted at the meeting last night, due to the fact that a few of the teams have not completed their rosters. The next meeting will be held tomorrow evening and the managers will then present the names of their players.

Because the Highland Daylights, last year's champs, are not contenders in the opening game, the pennant will not be raised Thursday evening, but (old story) will be hung to the breeze to the accompaniment of the high school regiment band. Mayor John J. Donovan will pitch the first ball.

An incentive to the players, the S. H. Harrison Co., Central street clothing store, has offered a prize of \$50 to the team capturing the pennant, and the sum of \$25 to the individual player with the best batting average, and another \$25 to the player with the best fielding.

TO GO AFTER N. E. TITLE

Castle to Seek Another Bout With Friedman if He Beats Joe Nelson

If Mike Castle wins over Joe Nelson of Philadelphia, in the main event of the Moody club show at the Crescent rink tomorrow night, he will train his guns on Abe Friedman, N. E. bantamweight champion, and will not rest content until he gets another crack at the title holder.

Mike wants to meet Friedman right here in Lowell, scene of two Castle-Friedman battles, both of which resulted in decisions against the Lawrencean. He still feels he can beat the skillful Abe, and avers if given the chance he will grab it like a drawn-in man grabs a straw.

In order to gratify his ambition Mike must first eliminate Nelson, and judging from the latter's record as supplied by Leo P. Flynn of New York, the speedy Castle will have a man's size job on his hands. Nelson lays claim to having participated in one of the shortest if not the shortest in boxing ever recorded in that famous home of glove welders, Madison Square Garden, when he scored a knock-out victory over Frankie Jerome in just 37 seconds. He also boasts of victories over Irish Johnny Curtin, Young Montreal, Roy Moore and a number of other notables.

Henry Nelson, who has not appeared before Moody club patrons for some time, but whose memorable battles with Young Parker will be recalled by fans, will perform in the semi-final against Young Ross of Lynn. Johnny Fallon and Johnny Ferris who met at the last Moody club show and furnished a hurricane number with Fallon being awarded a decision that about every one in the hall except the officials and attendant of Fallon, he should have gone to Ferris who would have a chance to settle their differences in a preliminary. Ray Rancourt, a very satisfactory performer from Lawrence and Young Boldue of Lynn are listed for the other six rounds.

PLAN NEW TWILIGHT BASEBALL LEAGUE

Following a meeting of baseball representatives of Worcester, Granville, Fitchburg, Ware, Salem, Fall River and Woonsocket, R. I., in Hotel Raymond, Worcester, last Monday night, it is probable that a strong Twilight League embracing teams from the above-named cities and towns, will be organized in the near future. Each of the places mentioned has provided the baseball public with exceptionally good teams in past years and it is thought that a league will increase the interest of the fans in the welfare of their favorites. If plans materialize, the league teams will also participate in Saturday and Sunday afternoon games.

At Monday night's meeting, Frank Donovan of Granville acted as clerk. Others present were H. J. McCarthy of Woonsocket, James Keown of Fitchburg, John Bowler of Ware, Joseph Boudreau of Woonsocket and Sam Marks of Fall River. These and others interested in the proposition will meet in Boston next week.

"It's the Bean"

FRANCE TO QUIT THE LAUSANNE CONFERENCE UNLESS TURKISH TROOPS ARE WITHDRAWN

CONSTANTINOPLE, May 2.—(By the Associated Press)—The French charge d'affaires here yesterday handed a note to the Turkish government declaring that unless the concentration of Turkish troops on the Syrian border were immediately withdrawn, France would abandon the Lausanne conference.

Piggly Wiggly Head Faces Ruin

MEMPHIS, Tenn., May 2.—Clarence Saunders of Memphis, president of the Piggly Wiggly Stores, Inc., and central figure in the sensational encounter with Wall street a few weeks ago, said in advertisements today that unless "I am able to sell the stock which I have on hand as a consequence of the job I took for myself, there is only one outcome and that is my personal fortune will be wiped out." Mr. Saunders added, however, that if he loses his personal fortune the company will not be affected, except "insofar as my being head of the company is concerned."

Britain Protests Against Grant by Turks

LONDON, May 2.—(By the Associated Press)—The British high commissioner in Constantinople has been instructed to register an emphatic protest against the grant by the Turks of rights within the kingdom of Irak (Mesopotamia) and to declare that Great Britain cannot recognize the validity of any such grant. This was announced in the house of commons today in a statement on the Chester concession by Lieut. Col. Albert Buckley, speaking for the foreign office.

Crude Oil Cut 10 Cents a Barrel

INDEPENDENCE, Kas., May 2.—The Prairie Oil & Gas Co., announced a cut of 10 cents per barrel on all grades of crude oil in the mid-continent field, effective today. This is the second cut of 10 cents since the recent advances, the other cut being made April 25. The new prices range from \$1.30 to \$2.40 per barrel.

CLASS NIGHT EXERCISES AT ST. JOHN'S PREP

Final arrangements for the class night exercises at St. John's Prep. school, Danvers, have been completed. The exercises will be held on the evening of June 12. The following members of the class have been elected to speak on the occasion:

Opening address, Thomas F. Cullinax, Boston, president; class historian, John J. Murray, Peabody; class prophet, Michael H. Sullivan, Fall River; class poet, John J. Welch, Worcester; mantle orator, Francis J. Hurley, Beverly; class orator, Lawrence A. Hines, Lawrence; key orator, Frederick P. Cashman, Lynn; class gift, Clarence C. LaPierre, Worcester.

The following members of the junior class have been elected to participate on behalf of their class: Reply to the mantle oration, Thomas Quakers, Charlestown; reply to the key oration, James M. Toker, New York city; reply to the gift oration, John V. Mahaney, Biddeford, Me.

The 14th commencement exercises of the school will be held on June 15 at four in the afternoon. The speakers for the occasion will be Ernest Bartholomew Foley of Peabody, John Francis Hannigan of Holyoke, and Lawrence Augustine Hines of Lawrence.

"THE WINTON SIX" Dances may come and dances may go, but "The Winton Six" goes on forever. For three years they have given their patrons one of the best things possible and this year they promise to go one better. "Grinoline Days," that catchy new song hit, will be featured with Ted Marshall and his melody boys "doing their stuff." So let's have the Pawtucket Boat house a scene of merriment tomorrow night and if it's too hot inside you can dance on the veranda.

WITH U. S. BARRING VESSELS WITH LIQUOR BRITAIN MIGHT BAN THOSE THAT LACK BOOZE

All Manner of Views Aired in London Papers in Reference to U. S. Supreme Court's Liquor Ruling—May Retaliate by Placing Ban on Chewing Gum and Force U. S. Ships to Dump Their Supply in Channel—

WASHINGTON, May 2.—Government officials continued today to feel their way toward a satisfactory adjustment of the difficulties faced in applying the supreme court's interpretation of the dry laws as prohibiting the carrying of liquor by any ship within the three-mile zone of United States territorial waters. Atty. Gen. Daugherty has announced that the supreme court's mandate, becoming effective within 30 days from the handing down of the decision Monday, will be enforced vigorously, adding the opinion that several complex questions in prohibition enforcement had been considerably clarified by the decision.

Not only has the court's decision definitely established that no intoxicating liquor can be brought within three miles of the nation's shores, Mr. Daugherty said, but its interpretation of the terms "transportation" and "importation" will make for more rigid enforcement generally.

As to the government's policy regarding liquor serving on shipping board vessels in view of the established right of American ships to carry liquor outside the three-mile limit, on the basis of indications given by Chairman Lasker after conferring with President Harding yesterday it appeared probable that the government fleet would remain dry.

Secretary Mellon also had under preparation at the treasury department a statement which will lay down the principles on which the supreme court's decision will be applied to shipping at foreign ports. In its application to foreign vessels, this presents the most delicate problem involved.

London Comment on Decision LONDON, May 2.—(By the Associated Press.)—All manner of views are aired in the London newspapers in reference to the U. S. supreme court ruling.

To Sue for Recovery of \$212,000 Funds

BUFFALO, N. Y., May 2.—A supreme court decision here today will permit the receivers for the First National bank of Warren, Mass., to sue for the recovery of \$212,000 of the bank's funds involved in the crash of the Niagara Life Insurance Co. The New York State Insurance department and the company which took over the policies and reserve fund of the Niagara Life will be defendants. The wrecking of the Niagara Life Insurance Co., and the closing of the Warren bank are alleged to have been due to the manipulations of Joseph B. Marcino, who disappeared last January. Today's decision, by Justice Lang, denies a motion of the attorney general to vacate an order granted in February permitting the receiver to bring suit.

IN ORGANIZED RESERVES

Former Member of Coast Artillery Gets Commission in the Reserves

Ismael E. Parks, of Dracut, for many years a member of the Coast Artillery corps, and serving in this unit in every coast defense station from St. Augustine, Florida, to Bangor, Maine, and also in the Philippine Islands, has received his commission in the Organized Reserves as a lieut.

LIEUT. ISMAEL E. PARKS

tenant. Mr. Parks has been detailed to the 542nd company of the reserve coast defense of Boston harbor and is now out recruiting for enlisted men for this unit.

In addition to his military service, Mr. Parks is well known fraternally throughout the country. He is a past chancellor of the Knights of Pythias and served as a representative to the Grand Lodge in 1912, 1913, and 1914 from Portland, Maine. He is a past dictator in the Loyal Order of Moose, and was a delegate to their convention in 1913 to Cincinnati, 1914 to Milwaukee and 1915 to San Diego. He is also a member of the Red Men, Dracut Grange, No. 19, where he is a member of the men's degree team; and is a junior vice commander of Adolbert Ames camp of Spanish War Veterans.

New German Proposition For Reparation Settlement

offer proposes that the sum total of her obligations in cash and kind under the Versailles treaty be fixed at 30,000,000,000 gold marks. The German government in a note made public here today simultaneously with its receipt by the entente and Washington governments proposes that 20,000,000,000 of the total be raised before July 1, 1927. It has been agreed at normal rates of interest on the international money market. Five billions

would be raised before July 1, 1929 in the same manner, and the remaining sum similar before July 1, 1931.

The note asserts that Germany, in accordance with existing treaties, will also make payments in kind which are to be credited to her account. The note expresses the government's conviction that the new proposals represent the utmost limit of Germany's capacity to pay, and expressed grave doubt as to whether the offer does not exceed her ability in view of the heavy dislocation and weakening of the Reich's economic organization caused by the Ruhr occupation.

In case the creditor governments do not share Germany's belief that no unprejudiced party could arrive at a higher estimate in view of her general condition, the Berlin government proposes that the whole reparations question be left to the decision of an international commission free from every political influence, as suggested by Secretary Hughes.

The German government sets forth that an international loan syndicate and the reparations commission shall determine the manner in which the nation's possessions and sources of revenue which have already been pledged under the treaty, can be given concrete form and what guarantees are to be provided in each particular case. The government is also prepared, in accordance with terms of agreements made to adopt all proper and necessary legislative measures to forces in consolidating securities of a satisfactory nature.

There is in kind are to be guaranteed by long term private contracts, breach or violation of which would make offenders subject to fines.

The note proposes that the first 20,000,000,000 marks of the total of 30,000,000,000 be offered for subscription immediately. Interest on bonds up to July 1, 1927, would be taken out of the loans themselves and would be paid into a special fund under control of the reparations commission. If 20,000,000,000 marks cannot be raised by means of a loan before July 1, 1927, interest of five per cent would be paid on that sum from said date, in addition to 1 per cent for amortization. The note asserts that Germany is making her offer without desisting from her program of passive resistance, which will be continued until the areas occupied in excess of the stipulations of the Versailles treaty are evacuated, and until conditions on the Rhine are restored according to the terms laid down in the Rhineland agreement.

Keep CHILDREN Free From WORMS

Atwood's Medicine is a safe, sure remedy for worms in children, relieving the cause of disturbance, restoring normal appetite, and toning the system to normal function. Used for nearly 70 years. Large bottle, 50c. 1-1/2 doz. All dealers.

"L. F." MEDICINE COMPANY Portland, Maine

When children eat ravenously—or have no appetite, are fretful, irritable, sleep restlessly, with occasional fever, these symptoms indicate worms. "L. F."

Robust Little Bodies

THE most important consideration in the health of the baby is his food. To build robust little bodies, vigorous, well formed, and active, correct feeding is essential. Probably a million mothers have found that this is exactly what Eagle Brand Condensed Milk does. It is the standard baby food—digestible and safe. Whole families of children have been successfully raised on it.

Mrs. Graham writes:

"I cannot refrain from telling you what Eagle Brand has done for our baby boy. He used it exclusively and has never known a sick day in his whole 2 1/2 years of life. Both my babies, Robert James and Patricia Madeline, are Eagle Brand babies and pictures of health."

Mrs. F. F. Graham 732 3rd Street Havre, Montana

Borden's EAGLE BRAND CONDENSED MILK.

Police Hunt Black Car of Kidnappers

SCHENECTADY, N. Y., May 2.—Police seek a large black touring car containing two men and a boy as the most definite clue to the whereabouts of Vernon Alexanderson, six-year-old son of E. F. W. Alexanderson, radio engineer, who was kidnapped from his home Monday. Descriptions of the boy and his abductors were broadcasted by a number of radio stations.

A Small Injury May Cause Severe Infection

Overlapping Stocking Brings on a Painful and Dangerous Wound on Woman's Foot

Painful and dangerous infections, sometimes resulting in death from blood poison, come from trivial wounds. A tiny scratch is a broad highway to anything so infinitesimal as a germ. The following letter from Catherine E. Jacobs, 39 Somerset st., Boston, Mass., describes the effect of Zonite on an infected wound of this character.

"About two months ago I infected my foot, due to an overlapping stocking rubbing against my shoe. The infection spread and discharged a great deal of pus and was very painful at all times. I tried several antiseptics and failed to get any relief therefrom. My daughter called my attention to an advertisement about Zonite in one of the papers and I started using it. Today my foot is perfectly well and I believe Zonite is one of the greatest wonders the world has known."

Well Known Lynn Couple Praise Dreco

Stomach Trouble and Attending Ailments Quickly Relieved

Dreco Wins Where Other Medicines Failed

The greatest proof of the powers of Dreco is the thousands of people, both men and women who have gained health after taking DRECO, where this wonderful remedy conquered stomach, liver and kidney troubles and their attending ailments after all other medicines had failed.

Now a well known couple of Lynn, Mr. and Mrs. George H. KNOWN, add to the thousands of testimonials voluntarily sent by people who have taken DRECO, their story of how this remedy has helped them.

"My stomach has for a long time been in a very dreadful condition," says Mr. Known.

"I had tried everything in the hopes that my health would return, but failure was the result every time," he continues.

"Then I started taking DRECO. I certainly do think highly of this wonderful medicine. Because where everything else failed DRECO succeeded in giving me back my health.

"My wife, who is a nurse, had been in a train wreck and her nerves were completely shattered. She started taking DRECO. Then she had her first good night's sleep. Now she is just as strong for DRECO as I am."

"We both recommended it highly for anyone suffering from nervousness, constipation or stomach trouble."

"There are hundreds of other men and women in Massachusetts and the rest of the country who are just as enthusiastic about DRECO and praise it just as highly as do Mr. and Mrs. Known. They are proof of its wonderful recuperative powers."

DRECO is composed of the juices and extracts of many different roots, herbs, barks, and leaves which act on the stomach, kidneys, liver and bowels, and purify the blood. It relieves constipation, prevents gases forming in the stomach, increases the appetite, induces sound, refreshing sleep, banishes catarrh of the head and takes the pain out of rheumatic joints.

DRECO is being introduced to the people of Lowell by Green's drug store. Call on them and let them tell you of the merits of this wonderful remedy. They will honestly tell you whether or not they think DRECO will benefit you. —Adv.

Her Dream Realized—

MRS. JACK HOUK 1215 TENNESSEE ST., LAWRENCE, KAN.

EVERY young woman like Mrs. Houk before her marriage dreams dreams and has visions of her ideal home with her husband, and healthy, happy children to make her joy complete.

But as time goes on her dreams are not realized, she has no children, her life is embittered and it is hard for her to be reconciled to the conditions as they exist.

To every young woman who is in this condition the following letter should bring hope and encouragement, as we know of numberless homes that have been blessed with children, just as this home was, after all hope had been abandoned.

Here Follows Mrs. Houk's Personal Letter:

"I was of a nervous disposition and always had a tired, worn-out feeling. I would get sharp pains in my side when working too hard or when walking too much and sometimes I would have those awful dragged down feelings. I have had such troubles since I was a very young girl and had got very little result from all the medicine I had taken, and one doctor told me that I would never have children unless I had an operation. I had heard a great deal about Lydia E. Pinkham's Vegetable Compound so I thought I would try it. By the time I had finished the fourth bottle I noticed a change in my health. We took a trip to California at this time and I kept on with the medicine. My health continued to improve and I now have a big, healthy baby boy six months old. I am not doing my own housework yet as I want to get good and strong first as it means a lot to my baby for me to be well while he is nursing. I have spoken highly of the Vegetable Compound to my friends, and I am more than willing for you to use these facts as a testimonial." Mrs. Jack Houk, 1215 Tennessee St., Lawrence, Kansas.

Ailing Women are advised to try

Jack Daw's Adventures. Chapter 11

Eeny Meeny soon saw that Jack was sorry he had touched the beautiful flower. "Come, sonny," he shouted, "let's not worry about that any more. You've learned your lesson. Just follow me and you can wash your hands." And the old man led the way to the bank of a very beautiful stream.

"This body of water," explained Eeny Meeny, "is Looking-Glass River. It's so clear you can see your face in it." And sure enough, when Jack leaned over and gazed down into the water he found his reflection looking right up at him. And as little waves came they made his face do funny things.

Jack was still laughing at himself in the water when Eeny Meeny suggested that he hurry and wash his muddy hands. "All right," shouted Jack. And soon he made the water splash. Finally Jack turned and was surprised to see several funny urns coming down to the water. (Continued.)

PLATES FOUND ON MORMON HILL. These metal plates, actually only slightly larger than here shown, were found on Mormon Hill, near Palmyra, N. Y., according to Charles E. Driver and Melvyn M. Lawton, traveling evangelists. It was at that place that Joseph Smith received this inspiration to found the Mormon Faith. Investigators are seeking to learn the age of the plates, inscribed in modern Greek.

SUMMARY OF EARLY MORNING A. P. NEWS

Attorney General Daugherty declares that government in 80 days will start vigorously to enforce the law as interpreted by supreme court, to stop American and foreign ships from carrying liquor within three mile limit.

May Day passed without serious disturbance anywhere in the United States.

Florida senate postpones final consideration of measure to forbid bodily punishment of prisoners in that state and supporters of stopping use of strap are beaten in test vote.

Leander Hamilton McCormick, grandson of inventor of reaping machine, announces at Chicago establishment of foundation for advancing science of characterology, millions for endowment to be available only after death of second generation in Mr. McCormick's family, it is declared.

Methodist evangelist at Fort Worth, Tex., conference declares that vicious attacks against authority of the Holy Scriptures and fundamentals of the faith, are constantly made in schools and colleges of the Methodist Episcopal church south.

Bishop Rhinelander, head of Protestant Episcopal diocese of Pennsylvania in explaining resignation made public yesterday, declared his health is not equal to responsibility of the bishopric.

Samuel Goldwyn tells federal trade commission at New York that professional jealousy of Charlie Chaplin prompted Mary Pickford to ask \$10,000 a week in 1917 after she learned Chaplin was getting \$800,000 a year.

Scenes are reported injured in Paris May Day riots when police attacked after labor meeting, give battle to mob.

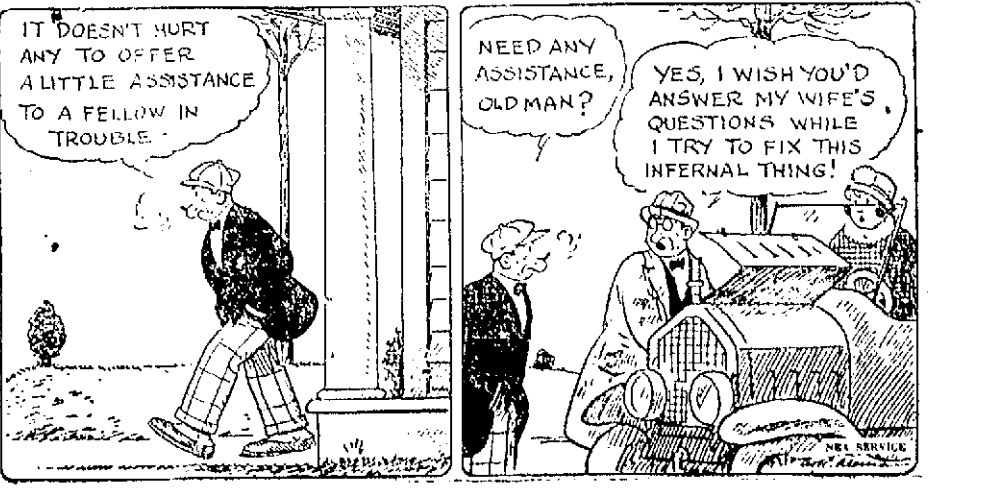

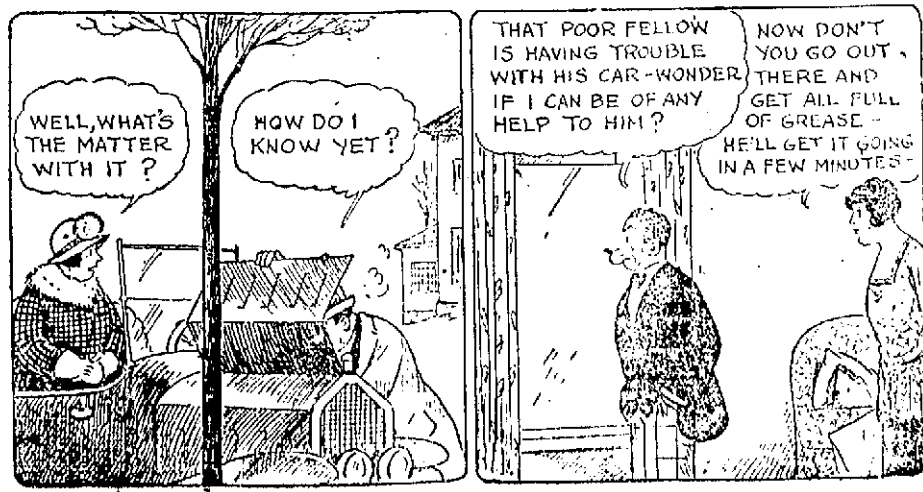

London Star describes United States supreme court decision prohibiting foreign ships from bringing liquor inside the three mile limit as "high handed piece of arrogance toward foreigners."

EAGLES ELECT OFFICERS TO HOLD WATER SERVICE MEMORIAL DAY

Over One Thousand Ballots
Cast—Thomas F. Quinn
Elected Worthy President

The annual election of officers for Lowell Aerie, No. 228, Fraternal Order of Eagles, was held in Eagles' hall yesterday. Over one thousand ballots were cast before the boxes were closed and in several of the offices there was strenuous competition. Four candidates were out for the office of Worthy President, Thomas F. Quinn, James P. Roarke, John H. McVane and George D. Freeman. Mr. Quinn led in the race, however, and was declared elect-

THOMAS F. QUINN
Worthy President

ed. Hugh F. Gallagher and Joseph Hughes were candidates for the office of vice-president and Mr. Gallagher was the successful man.

The other new officers are as follows: William A. Sheehan, worthy chaplain; John M. Hogan, secretary; David J. Hackett, treasurer; Joseph D. Lamoureux, inside guard; John T. Fells, outside guard; John J. Prisco, trustee for three years; and Flynn, trustee for two years; and Dr. Jos. T. L. Brennan, Dr. John H. Donovan and Dr. Harold B. Plunkett, physicians.

Mr. Quinn resides at 34 Weed street and is the janitor at the Lincoln school. He is a member of numerous fraternal and benevolent associations, a few of which are the Foresters, the Red Men and the Stationary Firemen's organization here. He was at one time chairman of the old democratic city committee and has been prominent in political circles all his life. This is the first office he has held in the Eagles with the exception of the fact that he was a member of the visiting committee last year.

PAYETTE'S NAME NOT SENT TO COUNCIL

The appointment of Joseph Payette as a member of the budget and auditing commission for a term of three years to succeed Albert Bergeron, which was made by Mayor Donovan yesterday, was not sent to the municipal council for confirmation last evening as had been expected.

The mayor stated today that it was at Mr. Payette's request that he did not send the appointment to the council. "Mr. Payette called me up on the telephone yesterday afternoon," said his honor, "and requested that nothing be done on the appointment for the present." The mayor also stated that Mr. Payette was not a candidate for the position, but a few days after he had been informed of the duties of the office, he agreed to accept the appointment. "Mr. Payette has requested a conference with me," continued the mayor, "and I will send no appointment to the office to the council until I have conferred with Mr. Payette."

BIG INCREASE IN BUILDING PERMITS

(Special to The Sun)
STATE HOUSE, Boston, May 2.—Massachusetts building permits have increased for the month of March this year, more than \$8,000,000 in value over the building permits filed with the state department of labor and industries by building officials in 33 cities. Despite the large increase over the previous month, however, the amount was one and two-tenths per cent less than March, 1922. The department says the increase in March over February is not due so much to an abnormal increase in March as it is to the small value that was reported in February.

In Lowell, the aggregate value of the permits for March amounted to \$2,921,100, compared with \$1,038,550 in February, this year. In 1922, the amount for March was \$2,115,050, as compared with \$677,745 in February.

STRUCK BY AUTOMOBILE

While crossing Merrimack street near city hall about 10:45 o'clock this morning, George M. Dalton of 207 Worthen street, was struck by a Ford automobile operated by Victor Carlson of 125 Varian avenue. He was taken to St. John's hospital in a passing machine, where examination of his injuries showed minor lacerations of the face. His condition is not serious. Carlson reported the accident to the police.

ERNIE HICKS APPEARED ON MAIN STREET TO DAY WITH A BRAND NEW RUBBER TIED BUGGY.

The Advertising Club

Mr. Robert H. Miller, of the Red Cross, was in charge of the demonstration, and had as his subject, Physical Director Towne of the Y.M.C.A.

After telling of several recent cases where lives have been lost because the people in the vicinity of the drowned, electrocuted or gas-poisoned victim did not know what to do, Mr. Miller went on with his demonstration, outlining the many little movements that have much to do with the bringing back of life. Following his demonstration of the proper method of resuscitation, Mr. Miller called upon the members of the Ad club to take it upon themselves to see that the people of Lowell receive adequate training in the methods of life-saving, especially drowning, so that the youth of the city will not be sacrificed to the river through ignorance.

Following Mr. Miller, Mr. Towne offered his services in the instruction of amateur life-savers and also spoke on the necessity of the work.

Mr. Cooney then sprang another surprise when he announced that plans are being made to have the Ad club officially open the bath-houses on the backwater this summer, and if this is decided upon, he hoped that Mr. Towne would take part in a demonstration of life-saving as one of the features of the affair.

Another unusual feature was the "Tarnes" girls' orchestra, which entertained previous to and during the luncheon with several popular selections.

MEMORIAL SERVICE FOR WORLD WAR HEROES

A memorial service in the form of a solemn high mass of requiem for the deceased members of the C.M.A.C., who made the supreme sacrifice in the World War, will be conducted at St. Joseph's church on Wednesday morning, May 30. This was decided at a meeting of the organization held last evening in its quarters in Pawtucket street, with President Donat J. Brunelle in the chair.

According to plans that were outlined last evening, the members of the society will assemble at their hall on Memorial day morning, at 8 o'clock, and will march to the church in a body. Rev. L. G. Bachand, O.M.I., chaplain of the association, will be asked to deliver the sermon at the mass.

Several matters of importance were taken up at the meeting, and the plans for the annual communion, which will take place on the first Sunday in June, were submitted by Eugene Belier, chairman of the committee on arrangements. The activities of the literary club connected with the association were discussed and the society went on record as favoring the organization of a brass band as proposed by the club. President Brunelle announced that a membership campaign will be launched in the near future and at the next meeting he will appoint a committee to conduct the drive. Routine business was transacted and remarks were made by Rev. Fr. Bachand, O.M.I.

The Boy Scout Movement

follows: Troop 6, Centralville M. E. church; Troop 8, First Street Baptist church; Troop 10, First Primitive M. The program of the work of the Lowell council is to organize a scout troop in every school and church and in many clubs in and around Lowell; organize a scout band of 20 pieces; conduct hikes and weekend camps for all scouts throughout all seasons of the year; conduct a summer camp for all troops; establish court of honor for award of advanced grades and merit badges; develop a trained scout emergency first aid corps; co-operate with all civic, educational and welfare organizations in all non-commercial and non-partisan activities; and build up a large and efficient scout organization for co-operation in public and civic affairs and for service to the community.

After a lapse of about three years

APPOINTMENT OF STATE AID SUPERINTENDENT

It is probable that within a short time the appointment of William A. Arnold as superintendent of the state aid department at city hall will be sent to the municipal council by Mayor Donovan, for his honor stated this morning that if Mr. Arnold cares for the appointment he may have it.

Mr. Arnold is a hold-over as superintendent of state aid and has been since the early part of last year. He was appointed to the position on Dec. 29, 1919, or shortly after the death of the late Capt. Worthen. This was under the commission form of government, and appointments in those days were for an indefinite term.

Last year Mayor Brown sent Mr. Arnold's appointment to the council for confirmation, but the appointment was laid on the table and it remained there, so that Mr. Arnold is a hold-over in office. Mayor Donovan stated this morning that he was never approached by any one relative to the position and he further stated that Mr. Arnold could get the appointment any time he wanted it. When seen later, Mr. Arnold stated that he is a candidate for re-appointment and he will so inform the mayor.

LOWELL DISTRICT COURT

Grocery Store Clerk Pleads Guilty to Liquor Charge—Other Cases

Eugene Piche, arrested yesterday afternoon with Alfred J. Marcotte on a complaint charging him with illegally keeping intoxicating liquor, pleaded guilty to the charge in the district court this morning and paid a fine of \$100. Piche is a clerk in a grocery store at 89 Arch street, which was visited yesterday afternoon by Federal Agents Sullivan and Hall and Officer Leahy of the liquor squad. While employed in investigating the premises, Marcotte entered and wanted to know what authority they undertook to do so and a search warrant was produced. The officers allege that Marcotte continued to interrupt them and interfere with them in the performance of their duties and ordered them to vacate the premises. They refused and when Marcotte persisted in wrangling, he was arrested on a charge of interfering with officers. Sgt. Winn testified this morning that Officer Dooley, who patrols a beat in the Arch street district, had informed the liquor officers that the grocery store at 89 Arch street was one of the worst liquor nuisances in the district. Because of the absence of the federal agents concerned in the case, Marcotte was ordered continued until May 8.

Other Offenders

William Kislowski pleaded not guilty to drunkenness although he admitted having a few drinks. Officer Connors was called to the stand and told the court that he had summoned Kislowski's house by the wife of the defendant, and he found the latter in an intoxicated condition. A fine of \$5 was imposed.

A case of non-support against Samuel Buva was dismissed at the request of the complainant, Buva's wife. Continuances to May 9 and May 16, respectively, were granted to Catherine Kivierien, for assault and battery, and Daniel W. Newell, for illegal keeping.

SUPERIOR COURT ADJOURNS AGAIN

The settlement last night of three cases called for superior court and a fourth agreement. Just before court was scheduled to open this morning, necessitated calling a recess for an hour, while Clerk of Court Roger Hurd, endeavored to assemble the principles for the next case. Mr. Hurd failed to gather the desired quota and the jurors were dismissed, on their return to the court house, for the remainder of the day. Court will open at the usual hour, 10 o'clock tomorrow morning.

ANOTHER HEARING REQUESTED ON BILL FOR REDISTRICTION OF LOWELL INTO WARDS

Acting upon orders given him by vote of the city council, City Messenger Owen A. Monahan went to Boston this morning, carrying in his brief case, true copies of the resolution adopted by the council last night, asking for another hearing on the bill which directs the election commission of Lowell to redistrict Lowell into wards in 1924 and every tenth year thereafter. These copies he will deliver in hand to the president of the senate and the speaker of the house of representatives.

CITY COUNCIL GRANTS PETITION OF SACO-LOWELL TO CLOSE PORTION OF WORTHEN STREET

By a vote of 13 to 2, Councilors John W. Daly and Jas. F. Hennessey dissenting, the city council last night granted the petition of the Saco-Lowell Shops that a portion of Worthen street and all of Kilton street be closed and discontinued as public ways.

The final vote was not taken until midnight and it was a session filled to the brim with debate and oratorical dissertations for and against the proposition. Standing almost alone in his expressed opposition was Councilor Daly, although Councilor Hennessey joined with him as a slim minority when the issue was settled.

NEW GERMAN PROPOSITION FOR REPARATION SETTLEMENT

PARIS, May 2.—(By the Associated Press) The new German proposition for a reparation settlement is so far from acceptable to France that a flat rejection of them is regarded by persons close to Premier Poincaré as inevitable. This rejection, it is stated, will probably be followed by an extension of the occupation on the right bank of the Rhine.

The French authorities found the offer to be in nearly every respect just as forecast in the reports received from Berlin last week and therefore entirely unsatisfactory, from their viewpoint.

It was made known in a semi-official source that Premier Poincaré would refuse to take the note into consideration, regarding it chiefly as a piece of propaganda intended to convince neutrals of Germany's good faith.

U. S. Watches Developments.—WASHINGTON, May 2.—The American

PAPPAS GRANTED SECOND REPRIEVE

Executive Council Delays Execution of Death Sentence Until July 11

Previous Reprieve Pending Appeals for New Trial Expired Today

BOSTON, May 2.—The executive council today voted to re-appeal Paul Pappas, condemned murderer, until July 11. A previous reprieve pending appeals for a new trial expired today. Pappas was convicted of the murder of Alice Arsenault, keeper of a lodging-house in the South End of this city. The state maintained that she was killed on Christmas day, 1920, but her body was not found until five months later, concealed in a pile of ashes in the cellar of the house.

The superior court has denied Pappas a new trial on the grounds of alleged newly discovered evidence and of the willingness of District Attorney O'Brien to not press so much of the indictment as charged murder in the first degree. John P. Feeney, counsel for the condemned man, has taken exceptions and announced his intention of appealing the case to the supreme court. This action, however, could not have deterred the execution but for the action by the council.

The action of the governor and council was taken as a result of representations by District Attorney O'Brien that in the opinion of Judge Keating and himself the exceptions taken by Mr. Feeney to the refusal of the court to grant a new trial warranted consideration of the case by the supreme court.

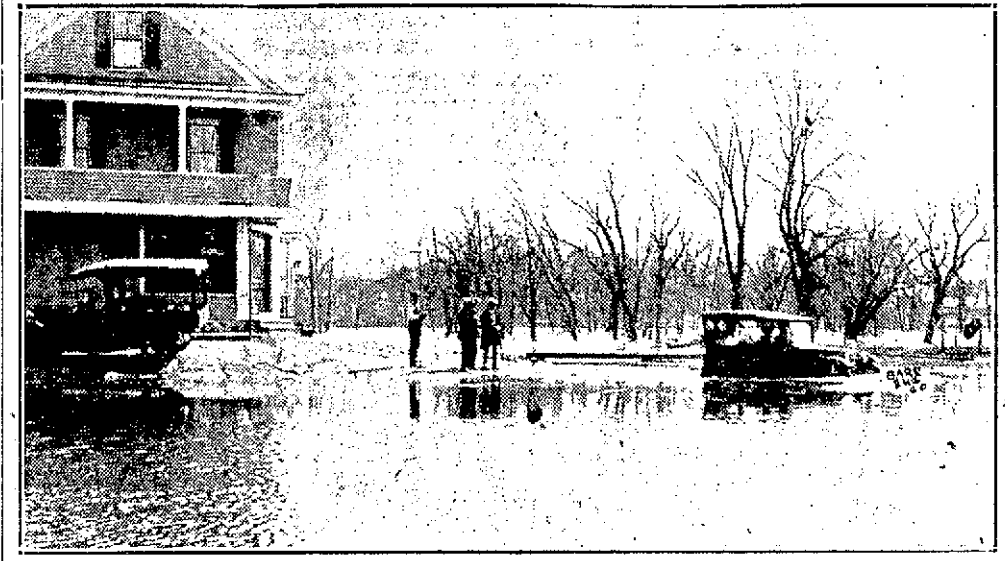

It was understood that while Judge Keating personally did not fully favor the granting of the motion of Mr. Feeney, he thought it had sufficient merit to have it placed before the high bench.

NOTICE
LOWELL CO-OPERATIVE BANK
The annual meeting of the shareholders of the Lowell Co-operative bank will be held Friday evening, May 11, 1923, at 7:30 o'clock in the banking room of said Lowell Co-operative bank, Central bank, Lowell, Mass., to take action upon the following business, to-wit:

The election of a president, vice president, treasurer and clerk, each for the term of one year, and the election of five directors, each for the term of three years.
CHARLES C. DREW, Clerk.

Merrimack River is Receding but Several Streets Flooded Yesterday are Still Impassable

AUTOMOBILE NEARLY SUBMERGED IN SPARKS STREET

Water Still Stands Several Feet Deep in Many Cellars —Manufacturing at Boot Mills Resumed on Usual Schedule Today—Believed River Will Be Normal Within Forty-eight Hours

Although still of "freshet" proportions, the Merrimack river is dropping rapidly in height today and already when back-wash from the river flooded large areas of low land between Riverside street and Lakeview avenue, water still stands several feet deep in many cellars and continuous passage through Sparks and North streets is impossible because of flood conditions there. The water must recede several feet more before any attempt can be made to repair Beaver brook bridge, swept from its moorings Monday night and now held in place by ropes, although not passable.

NEW DRY LAW IN FORCE JUNE 15

Sec. Hughes Will Immediately Inform Foreign Governments of Action

Dry Agents in New Jersey Hold Up All Autos Suspected of Carrying Liquor

WASHINGTON, May 2.—A conference of treasury officials today decided to make June 15 the effective date of the new prohibition regulations issued as a result of the supreme court decision. The regulations now are in preparation. The department will immediately inform all foreign governments of the contemplated action.

The decision means that foreign shipping will have nearly a month and a half to adjust their service to meet the new interpretation of the law. Some complications are anticipated with foreign governments and the date fixed is considered ample in which to work out an agreement with them.

Patrol New Jersey Coast
PHILADELPHIA, May 2.—Four general prohibition agents from the local office have joined a squad from the New York headquarters and are patrolling the New Jersey coast in an effort to stop smuggling of liquor into this country. Frederick A. Hazeltine, prohibition division chief, announced today.

Hold Up Autos
NEW YORK, May 2.—Dry agents in northern New Jersey today began holding up all automobiles suspected of carrying liquor loaded by runners.

For several months the customs service has been contemplating making a list of all American vessels ferrying supplies to the foreign run ships. Some doubt was held as to whether such action constituted a violation of the Volstead act. Last night the cutter Seneca, commanded by Ensign Albert A. McKim, captured the tug Alex Clark and the launch "Vixen." The tug had just finished provisioning the run ship Robert Arthur and the launch had on board a dozen drums of kerosene alleged to have been intended for the British schooner Katherine Mary.

POLICE HUNT MOB LEADERS

Party of 700 Caused 100 "Holy Rollers" to Barricade Themselves in Church

First Floor of Church Wrecked — Outbreak When Speaker Extolled K. K. K.

ROUND BROOK, N. J., May 2.—Local officials and state police today sought the leaders of the mob which last night caused 100 "Holy Rollers" to barricade themselves in the Pillar of Fire church after a melee in which many women and men were injured.

It was estimated today that there were between 400 and 700 men in the attacking party, which attempted to rush the stairways leading to the second floor of the church, where the beleaguered 100 had barricaded themselves. The first floor was a wreck as the result of a battle which began early in the evening when an unidentified speaker was alleged to have extolled the Ku Klux Klan.

Ellis Horn and Lawrence Winter, members of the Pillar of Fire church, under arrest on charges of atrocious assault and battery, were rescued from the mob which clamored about the local jail with shouts of "lynch them!" The police spirited them from the back door of the building and hurried them in motor cars to the county jail at Somerville.

The meeting had been advertised for a week as a movement for the organization of a chapter of the Klan. Admission was to be by invitation, but several hundred uninvited men were said to have forced their way into the church just as a stranger, who refused to divulge his name, but said he was a Klansman, began an address. The unbidden guests heckled him, heeded to his supporters to "throw the disturbers out," and the fight was on. The first floor was a wreck as the result of a battle which began early in the evening when an unidentified speaker was alleged to have extolled the Ku Klux Klan.

COUNSEL FOR REMONSTRANTS WILL FIGHT MOVEMENT TO CLOSE WORTHEN STREET

"We have just begun to fight," said Attorney William A. Hogan today, referring to remonstrants to the petition of the Saco-Lowell Shops that New Kilton street and a portion of Worthen street be closed, as voted last night by the city council.

Mr. Hogan with John M. O'Donoghue of the firm of Trull, Wier & O'Donoghue, represent several opponents to the proposition, claiming the city council had not the right to close the streets in question, and will ask the supreme court to review the entire proceedings.

Just what course will be followed is not definitely decided upon, but it is fairly certain that the attorneys will petition for a writ of certiorari, upon the issuance of which the matter might be reviewed. Under such a writ the entire proceedings could be quashed either from the standpoint of action outside its (the council's) jurisdiction, or action in bad faith.

Also, it is probable that counsel for the remonstrants will seek a writ of injunction to restrain the Saco-Lowell Shops from carrying out the allowances in the petition favorably acted upon.

Whatever course is pursued, Mr. Hogan made it very clear that some action will be taken at once and that the persons represented by Mr. O'Donoghue and himself are determined to fight the matter to the last ditch.

THE ADVERTISING CLUB

Lowell Ad Club President and Secretary Resign—

Noon Day Meeting

The resignation of its president, Charles D. A. Grasse, and the secretary, Miss Alicia F. Joyce, from the offices were two surprises sprung on the Lowell Advertising club at its luncheon and meeting in Middlesex hall this noon. Mr. Grasse resigns as he believes that it will be impossible for him to give the time necessary to the club, and Miss Joyce gives for her reason the fact that she is about to take up a position in Boston.

Robert Wood, vice-president of the club, presided at a short business session of the club, following the dinner, and then turned the meeting over to Edward Cooney, of the Lowell Gas Light company, who was chairman of the day. Mr. Cooney had arranged as the feature of the day, an exhibition of the prone method of resuscitation.

BODY OF WOMAN SEEN IN RIVER

Word was received from Lawrence early this afternoon that the body of a woman was seen floating down the Merrimack river below the falls in that city at about noon today. Word was sent to the police but because of the swift current it had disappeared from sight when they arrived. Haverhill authorities have been notified and will watch for the body there.

Inquiry was made at the office of The Sun as to any missing Lowell women and the name of Miss Mary Curran, who disappeared from her home in Agawam street on April 20, was given to the Lawrence Telegram which is attempting to trace the body as it is being borne down stream.

WOMAN PAYS DEATH PENALTY

Mrs. Lassandra and Emilio Picarello Hanged at Ft. Saskatchewan, Alberta

Convicted of Murder of Constable — First Woman Hanged in 24 Years

FORT SASKATCHEWAN, Alberta, May 2.—Mrs. Florence Lassandra and Emilio Picarello were hanged today for the murder of Constable Lawson last September.

Both protested their innocence on the gallows. Picarello paid the penalty at 6:10 a. m., and 41 minutes later, Mrs. Lassandra was executed. She was the first woman to be hanged in Canada in 24 years, and the fifth since the Confederation.

ADD HANGINGS
Constable Lawson was slain at the Coleman Provincial police headquarters after an unsuccessful attempt by the police to capture Picarello and his son, Steve, with an automobile load of liquor which they were alleged to have run through Crow's Nest Pass.

Picarello and Mrs. Lassandra, wife of one of the chauffeurs, appeared at the Coleman police station, called the constable out and, after a few words, Mrs. Lassandra shot him four times.

Persevere efforts were made to save Mrs. Lassandra's life, protests against her execution being sent the government by various organizations declaring the execution of a woman would place a stain on the good name of the Province.

The cabinet council spent almost all yesterday considering appeals for clemency. Sir Lomer Gouin, minister of justice, announced late in the afternoon that the cabinet had decided Mrs. Lassandra must pay the full penalty.

FRECKLES AND HIS FRIENDS

Two Men Killed While Repairing Engine

FALL RIVER, May 2.—Damase Otlet, of 16 Nelson street this city, a machinist for the New Haven railroad, and his helper, Charles Webb, of Tiverton, were almost instantly killed while repairing an engine on the main line about 2.30 this morning, when a locomotive in charge of Engineer C. C. Tresholtz and Fireman Robert A. Hartnett, both of this city, and drawing 10 loaded freight cars, crashed into the one they were working on. Both bodies were mangled as they were drawn several engine lengths.

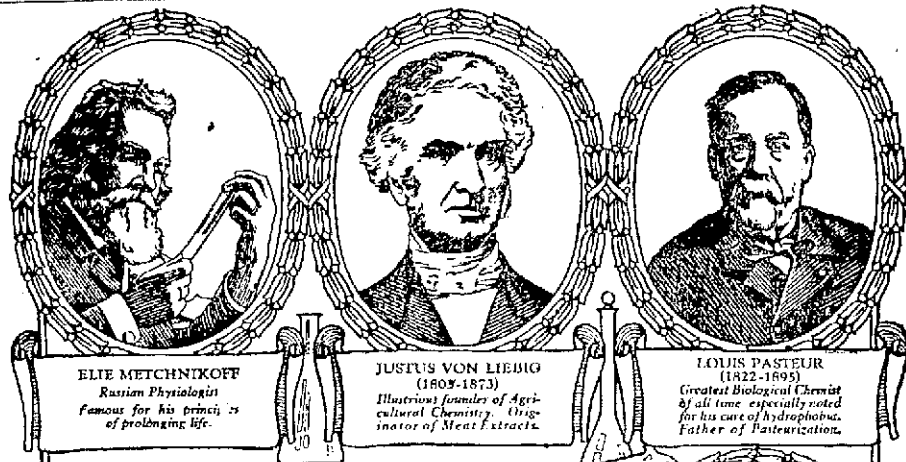

Messenger Boy Shot Down in Boston

BOSTON, May 2.—Peter Milewski, a mite of a messenger boy, was shot down while delivering telegrams at the Army Base today. A bullet that came from an indetermined direction pierced his right arm. The boy fell with a cry that brought a soldier to his side, but the source of the shot was known to neither. The investigation, which was begun took into account the possibility that the bullet came from a rifle in the hands of an army or a marine corps sentinel, the latter being on duty at a small navy base adjoining.

LOWELL BATTERY WILL GO TO WALTHAM

Company M Machine gun battery of the 182nd regiment, formerly of the old 151st regiment, will take part in a Memorial Day service in Waltham, at which the entire personnel of the 181st will take part. Lt. Col. George C. Moyses, a former major in this regiment, will have charge of his old troops during the celebration. The Lowell outfit will travel over the road to Waltham, via motor truck. Lawrence, Haverhill and Waltham will contribute military details for the celebration.

O'ROURKE HUNTS HEAVYWEIGHT
NEW YORK, May 2.—Tex O'Rourke, famous winner of boxers, will sail for England Saturday to search for a British heavyweight capable of meeting Jack Dempsey. A group of sportsmen interested in developing a genuine championship prospect is backing O'Rourke.

The Advancement of Science Keeps Up

New Help Found for the Weak and Debilitated

SCIENTIFIC progress has become so rapid that it is almost impossible for the average person to keep up with the wonderful discoveries that are leading to complete mastery of disease. We have come to feel that there is really no limit to what the tireless workers in the field of medical research can achieve.

The cause of the extreme weakness of body and mind and the nervous exhaustion that is so often seen in men and women, and for which they have not been able to account, has been found. And, what is much more important to the thousands thus afflicted, a way has been discovered to relieve these symptoms and promptly restore vigor to the body.

It has been found that the loss of weight, strength and energy that brings distress and depression of mind to countless men and women, is often due solely to the fact that the inorganic elements present in the food they eat are not properly utilized by the millions of little cells of which our tissues are composed. When these cells fail to receive the proper amount of these inorganic elements—when they are faced by a famine—they lessen their

functional activity in order to escape death through starvation. In other words, these cells curtail their production of vital energy and, as a consequence, the entire body is weakened, just as it is after a day of extremely hard labor if we do not take time for a mid-day lunch and rest.

In Wincarnis—the reconstructive tonic—are combined the inorganic elements present in the food we eat, and which the cells of the body require in order to produce strength and energy and rebuild tissue. When taken three or four times a day, Wincarnis furnishes the cells with an abundance of the necessary inorganic elements, and the body promptly regains its lost vigor, weight is restored, and there is a full recovery of energy. For a most full-century, physicians have prescribed Wincarnis for the weak, anemic, nervous and run-down.

Wincarnis

The Reconstructive Tonic

Tel. 821 now and have one delivered to your house.

The Lowell Electric Light Corporation

29-31 MARKET STREET

WAS BURIED WITH MILITARY HONORS

President David F. Caddell of the Veterans of Foreign Wars, conducted the funeral of Fred B. Currie, a sailor during the World War on the U.S.S. America, who died last Sunday at the United States hospital, New Haven, Conn., and who was buried here this afternoon. The funeral services, in charge of Undertaker George Eastman, were held from the home at 22 Ludlum street.

The casket was carried to the cemetery on a caisson flanked on both sides by bearers and military escort in uniform. The firing squad and taps followed the ritual, read by the president.

Chaplain George Crowell of the post read the veterans' ritual service. Senior Vice Commander Frank Hart, and Junior Vice Commander Richard Casey took a prominent part in the services. Adjutant W. C. Kirk had charge of the firing squad.

The bearers were John Shea, Leo Krug, Paul Spillane and Frank Hotchkiss. A delegation of veterans from the Lowell post of the American Legion marched in the funeral procession. The body was interred in the Edson cemetery.

Varnum Avenue Vulcanizing Shop Isolated by Flood

One of the most striking instances of complete isolation caused by the overflow of the banks of the Merrimack yesterday was found at the entrance to Pawtucket boulevard in Varnum avenue at the vulcanizing shop of Edward L. Roll, situated to the left of the highway on land near the river. Trucks under repair left standing outside the shop were marooned by the onrush of the waters and not until this morning was the proprietor able to get into the building and take account of stock. The accompanying photograph shows the building entirely surrounded by water.

from the home of her daughter, Mrs. John Nestor, 35 Walton street, at 9:15 o'clock, and was very largely attended by relatives and friends. The cortege proceeded to St. Michael's church where, at 9:45 o'clock, a high mass of requiem was celebrated, by Rev. Thomas J. Heagney. The choir, under the direction of Miss Margaret Griffin, rendered the Gregorian mass, the solos being sustained by Mrs. Margaret McDonough Maguire and Miss Griffin. Mrs. Ella Kelly, Toys president at the organ. There were numerous floral offerings and many spiritual bouquets. The bearers were Messrs. Patrick Curran, Michael Carroll, Peter Connors, Patrick P. Nestor, Mrs. J. Angell, Thomas Tarpey. The burial took place in the family lot in St. Patrick's cemetery, where Rev. Fr. Heagney read the consolatory prayer at the grave. The arrangements were in charge of Funeral Director James W. McKenna.

VESEY—All that was mortal of the late Mrs. Loretta V. (Dawson) Vesey was tenderly consigned to its final resting place in the family burial lot in St. Patrick's cemetery this morning. The funeral took place at 9 o'clock from the home, 35 Centre street, and was followed to St. Patrick's church by a large concourse of relatives and friends. At 9:30 o'clock a funeral high mass was sung by Rev. William Dwyer of the Holy Cross cathedral, Boston, and a large congregation was in attendance at the services, including the members of the Married Ladies' sodality, under the direction of their officers. The choir, under the direction of Mr. Michael J. Johnson, rendered the Gregorian mass, the solos being sustained by Mr. Daniel S. Johnson presiding at the organ. There was a profusion of beautiful floral tributes and of spiritual bouquets. The bearers were John Tully, John Murphy, Paul Roane, Harry Deering, Jr., Thomas Vesey and James Vesey. At the grave Rev. Joseph Curran read the consolatory prayer and the burial was under the direction of Undertakers James P. O'Donnell & Sons.

HENRY—The funeral of Mrs. Hannah Henry took place this morning

at 9 o'clock from the home, 35 Centre street, and was followed to St. Patrick's church by a large concourse of relatives and friends. At 9:30 o'clock a funeral high mass was sung by Rev. William Dwyer of the Holy Cross cathedral, Boston, and a large congregation was in attendance at the services, including the members of the Married Ladies' sodality, under the direction of their officers. The choir, under the direction of Mr. Michael J. Johnson, rendered the Gregorian mass, the solos being sustained by Mr. Daniel S. Johnson presiding at the organ. There was a profusion of beautiful floral tributes and of spiritual bouquets. The bearers were John Tully, John Murphy, Paul Roane, Harry Deering, Jr., Thomas Vesey and James Vesey. At the grave Rev. Joseph Curran read the consolatory prayer and the burial was under the direction of Undertakers James P. O'Donnell & Sons.

CLAYTON—The funeral of Mrs. Margaret Clayton took place this morning at 9 o'clock from the home, 15 Sutherland street, and was followed to St. Michael's church where, at 9:45 o'clock, a high mass of requiem was celebrated, by Rev. Thomas J. Heagney. The choir, under the direction of Miss Margaret Griffin, rendered the Gregorian mass, the solos being sustained by Mrs. Margaret McDonough Maguire and Miss Griffin. Mrs. Ella Kelly, Toys president at the organ. There were numerous floral offerings and many spiritual bouquets. The bearers were Messrs. Patrick Curran, Michael Carroll, Peter Connors, Patrick P. Nestor, Mrs. J. Angell, Thomas Tarpey. The burial took place in the family lot in St. Patrick's cemetery, where Rev. Fr. Heagney read the consolatory prayer at the grave. The arrangements were in charge of Funeral Director James W. McKenna.

WALSH—Mrs. Nora (Valiere) Walsh, wife of Thomas Walsh, aged 32 years, died last night at St. John's hospital. She leaves her husband, a daughter, Laura, her father and mother, Mr. and Mrs. Edward Valiere, three sisters, Mrs. Melvina Laliberty, Mrs. Ella Drouin and Mrs. Alma Michaud. The body was removed to the home of a sister, Mrs. Laliberty, 2 Haverhill avenue, by Undertakers Amodeo Archambault and Sons.

ADELPHI—Miss Hulda E. H. Adelphi, an old resident of this city, died yesterday at the Old Ladies' home, 520 Fletcher street, where she had resided for the past four years, at the age of 70 years, 4 months and 2 days. She is survived by one sister, Mrs. Anna Ohlson of Biberica.

FUNERAL NOTICES

McKENNEY—Died April 30th, at the home of his parents, Franklin street, Thomas Moriarty. Funeral Thursday morning at 9 o'clock from the home, and a funeral high mass will be sung at St. Patrick's church at 9 o'clock. The burial will be in St. Patrick's cemetery, under the direction of Undertakers James P. O'Donnell & Sons.

CLAYTON—Died in this city May 2, at her home, 15 Sutherland street, Mrs. Catherine Clayton. Funeral services will be held from her home Friday afternoon, at 2:30 o'clock. Friends invited to attend. Burial private. Arrangements in charge of Undertakers W. Herbert Blake.

LYONS—Died in this city, April 30, at St. John's hospital, Jessie Lyons. Funeral Thursday morning at 9 o'clock from the home of the deceased, 15 Sutherland street. Burial in St. Patrick's cemetery, under the direction of Undertakers James P. O'Donnell & Sons.

SOUCY—Elise Soucy died this morning at her home, 44 Ward street, aged 61 years. He had been a resident of Lowell for 45 years and was the father of a large well known family in St. Joseph's parish. He leaves his wife, Josephine, six daughters, Mrs. Francis Gagnon, Mrs. Rosemarie Paradis and the Misses Alma, Rosa, Bernadette and Florence Soucy; six sons, Eugene, Ernest, Arthur, Joseph, Elise, Jr., and William Soucy, all of Lowell; four sisters, Mrs. Israel Mienfant of Canada, and Mrs. Celina Savard, Mrs. Charles Gauthier and Mrs. Albert Carboneau, all of Lowell; four brothers, Elmer, Joseph, Napoleon, and Louis, all of Lowell and Alida Soucy of Boston. He leaves also seven grandchildren. He was a member of the B.M.P.L. union.

DEATHS
HEALEY—Miss Catherine Healey, a resident of Westport, Mass., and well known in this city, died this morning at the Newton city hospital, Newton, after a brief illness. She leaves to mourn her loss her father and mother, Patrick and Mary Healey, her husband, John Healey, her two brothers, John and James Healey, and her sister, Mrs. Mary Healey. The body will be brought to the rooms of Undertaker James W. McKenna and later taken to the home of her sister, Mrs. Martin Healey, 22 Plymouth avenue, this city.

TALLARD—The funeral of Mrs.

Victoria Tallard took place this morning from the rooms of Funeral Director Joseph Albert. High funeral mass was sung in St. Jean Baptiste church at 8 o'clock, by Rev. J. A. Emery, O.M.I. The choir, under the direction of Rodolphe Pepin, who also was the organist, sang the Gregorian chant. Francis Hamelin was the soloist. The bearers were Henri, Louis and Albert Tallard, Fred Plouffe, Harry Brabant and Anestor Houle. Burial was in St. Joseph's cemetery, where Rev. Alphonse Archambault, O.M.I., read the consolatory prayer.

OBRIEN—Edward O'Brien, aged 39 years, was killed in a tannery at Ayer, Mass., April 20. He was born in Westford, Mass., and had lived in this city for many years, leaving Lowell ten years ago to make his home in Ayer. He is survived by his wife, Theresa O'Brien, three brothers, James O'Brien to Lowell, John O'Brien of New York city, and Major Harry O'Brien of Seattle, Washington, and by two sisters, Mrs. L. P. Morrow and Miss Agnes O'Brien of Portland, Oregon.

CLAYTON—Mrs. Catherine Clayton died this morning at her home, 15 Sutherland street, aged 63 years. She leaves her husband, James Clayton; two sisters, Mrs. E. B. Keith of Webster, Mass., and Mrs. Geo. H. Neville of Lowell; three brothers, William J. and John B. Heare of Lowell, and Thomas J. Heare of Detroit; also several nieces and nephews. She was a member of St. Anne's Episcopal church.

WALSH—Mrs. Nora (Valiere) Walsh, wife of Thomas Walsh, aged 32 years, died last night at St. John's hospital. She leaves her husband, a daughter, Laura, her father and mother, Mr. and Mrs. Edward Valiere, three sisters, Mrs. Melvina Laliberty, Mrs. Ella Drouin and Mrs. Alma Michaud. The body was removed to the home of a sister, Mrs. Laliberty, 2 Haverhill avenue, by Undertakers Amodeo Archambault and Sons.

Builders and Architects Recommend These Shingles

They know that SAFEKOTE Shingles are rugged and enduring, because their base is of all-rag felt, which soaks up more asphalt. The more Asphalt in shingles the longer they last. SAFEKOTE Shingles won't curl, resist fire. Slate surfaced in fadeless green, red or blue-black colors.

A New England product.

SAFEKOTE "300 TO 1" INDIVIDUAL SHINGLES BIGGEST AND BEST

An extra heavy shingle. 10 in. wide x 15 1/2 in. long. The heavier felt base and additional saturation make it look like slate slabs. Five-inch exposure saves \$1.25 to \$1.75 in application cost. And it is guaranteed for 15 years.

SAFEPACK MILLS Boston, Mass.

Also makers of Roll Roofing, Prepared Roofing, Waterproof Building Papers, Cement and Putty.

Couple Injured Whose Auto

and buy from the independents at a higher price. There is a possibility states Mr. Wilson, that the miners will go out on strike Aug. 31, the date that their agreement with the mine owner expires and such a strike would be disastrous.

their coal at the mines, adding a cost of \$5.04 to this for freight, shows that the local dealers cannot sell for the oil

price of \$13.50.

CLASSROOMS ENTERED

During an entertainment in St. Joseph's college hall last Sunday evening, some unknown person or persons entered the basement of the building and with the aid of keys secured entrance to several classrooms on the ground floor. The drawers were rifled and a small sum of money stolen. The police are working on the case.

FOREIGNER FIRES

An alarm from box 125 at 11:05 this morning was for a fire in a house at 42 Lewis street. The fire was confined to one room. A telephone alarm at 8:15 a. m. morning called part of the department to the Gorham street where the roof had caught fire. Before this fire was extinguished it was necessary to chop into the roof and the partitions in the upper part of the house.

CURE FOR TUBERCULOSIS

PITTSBURGH, May 2.—A cure for pulmonary tuberculosis by the use of pure carbon and calcium, was claimed by Dr. William P. Nolan, of Jeannette, Pa., in an address before the Westmoreland County Medical society (Greensburg, Pa., last night.

SEIZE AUTO ARREST TWO

CANAAN, Conn., May 2.—State

men seized an automobile containing cases of whiskey and arrested a man and a woman in the machine here early today. Word had been received from Lenox, Mass., that the automobile had refused to stop although six shots

were fired at it.

THREE BOMBING ATTEMPTS
DIESEL, DOLP, May 2—(By the Associated Press) Three bombing attempts, two of which caused damage, were made in the occupied area last night.

Grand Chancellor at Grand
Lodge Meeting

At this morning's session of the Grand Lodge of the Knights of Pythias, Harry Green Beyer, formerly grand vice-chancellor, was elected grand chancellor for the coming year. This was practically the only interesting business that came up this morning and Mr. Beyer's election had been forecasted for some time.

Mr. Beyer is widely known throughout the state as a fraternalist and as a business man. He was born in Foxbury, June 12, 1877, the son of John Anthony Beyer, a native Bostonian. He was educated in the schools of Boston and then went to work on textile and financial newspapers. During his career as a newspaper man, he took up the study of law and later went with the late Richard M. Saltonstall, previous to Mr. Saltonstall's entering the firm of Gaston, Snow, Saltonstall & Hunt. Leaving this firm in 1902, he went with the late Leverett Saltonstall, Tuckerman of 55 State street, Boston, being in the same office ever since in the care and management of numerous trust estates and funds.

In 1907 he joined Mizpah Lodge of Everett and was commander of the lodge the following year. He was elected representative to the Grand Lodge in 1917 and became grand officer in 1919, being advanced in successive years to the other offices. Mr. Beyer is also active in Masonry, being a member of Amiable Lodge, St. Paul's Royal Arch Chapter, Boston Commandery, K. T., and Aleppo Temple, Mystic Shrine. He lives with his wife, Jennie Linn (Heron) Beyer, in Cambridge. In the winter and summer in the summer and has one son, Robert Wesley Beyer, who is also a Pythian.

The other officers in line were advanced with very little opposition arising against any of them.

FOR EXCESSIVE URIC ACID

TRY THE WILLIAMS TREATMENT

85 Cent Bottle (32 Doses) FREE

Just because you start the day worried and tired, stiff legs and arms and muscles, an aching head, burning and bearing down pains in the back—warn you before the day begins—do not think you have to stay in that condition.

Be strong, well, with no stiff joints, sore muscles, rheumatic pains, aching back or kidney trouble caused by body made acids.

If you suffer from bladder weakness, with burning, scalding pains, or if you are in and out of bed half a dozen times a night, you will appreciate the rest, comfort and strength this treatment should give.

To prove the Williams Treatment conquers kidney and bladder disease, rheumatism and all other ailments when due to excessive uric acid, no matter how chronic or stubborn, if you have never tried the Williams Treatment, we will give you a bottle (32 doses) free if you will cut out this notice and send it with your name and address. Please send 10 cents to help pay postage, in the form of a 10-cent U. S. Savings Stamp, to Dr. J. C. Williams Company, Dept. AA 1471, P. O. Building, East Hampton, Conn. Send at once and you will receive by parcel post a regular 85-cent bottle with no charge and without incurring any obligation. Only one bottle to the same address or family.—Adv.

WAR ON RUM- RUNNING FLEET

Coast Guard Headquarters
to "Put the Screws Down"
on Rum Ship Customers

Officials Convinced Fleet
Can Be Driven Out for
Lack of Customers

WASHINGTON, May 2.—While government officials continued to puzzle today over application of the supreme court decision on ship liquor, coast-guard headquarters issued an order today concentrating all available coast-guard boats in the North Atlantic along the New Jersey shore. It was said that henceforth the rum fleet massed off Atlantic Highlands would be under surveillance of two coast-guard cutters day and night.

Conclusion of the winter patrol work makes available a dozen or more boats for cutting off shore contacts of the rum fleet. It is the declared purpose of coast-guard headquarters to "put the screws down" on customers of the rum ships and the office of Assistant Secretary Clifford of the treasury in charge of the coast-guard is convinced that the fleet can be driven out for lack of customers.

EXAMINATION FOR TEACHERS
A public examination of applicants for teachers' certificates of the third grade, which applies to the primary and grammar grades of the public schools, will be held at the high school on Saturday, June 23, at 9 o'clock in the forenoon. In order to be eligible to take the examination one must be a graduate of a college or normal school, and all applicants must signify their intention of taking the examination by notifying the superintendent of schools in writing at least three weeks before the date set for the examination.

VERDICT FOR DEFENDANT
A verdict for the defendant, Charles F. Perham, was brought in this morning by the jury in superior court, in the case L. S. Sturtevant vs. Charles F. Perham, both of Tyngsboro. The case involved a partnership in a large business, in which Perham purchased, taking the plaintiff into partnership, Sturtevant loaned money to the defendant, it was alleged, but the latter stated that he had paid the loan back in services.

NEED STRENGTH?
Vim, Vigor, Vitality Follow

If You Take This Advice:
Utica, N. Y.—"I take great pleasure in recommending Dr. Pierce's medicine, especially the Favorite Prescription and the Golden Medical Discovery, which I have taken with good results. I have taken these medicines as a tonic on many occasions to build up my system and give me strength when I was all run down physically. And I have found them very helpful each and every time. Dr. Pierce's Favorite Prescription and Golden Medical Discovery are exceptionally good medicines." Mrs. Lou Thomas, 221 Lafayette street.

Beauty is but skin deep, good blood is beneath both. You can now build up your health and strength if you obtain Dr. Pierce's remedies in tablets or liquid at your nearest drug store. Write Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for free medical advice.—Adv.

LEAVE TO FILE MOTION TO QUASH INDICTMENTS

WASHINGTON, May 2.—Leave to file a motion to quash the indictments charging Charles W. Morse and others with conspiracy to defraud the government on war time ship contracts was asked today in the District of Columbia supreme court by defense counsel, Justice Stafford took it under advisement.

It is understood the defense will urge as causes for dismissal that one of the grand jurors reporting the indictments was an alien and that another was not a resident of the District of Columbia.

Trial of the case then proceeded with Eades Johnson, New York district officer for the Emergency Fleet Corporation in 1917 under cross examination by Attorney Rockwood, of defense counsel. Mr. Johnson said he was perfectly satisfied after an inspection of the Morse Noank, Conn., plant, that it was capable of producing wooden ships.

BUILDING CAMPS AT LONG POND

Twenty-seven acres of woodland on the shores of Long pond in Dracut, situated on the Collingsville end of the pond, will be developed into camp lots in the course of the summer. This land is owned by E. Gaston Campbell, president of the Lowell Real Estate Exchange, who stated today that a great deal of the land has already been cleared and work on the erection of 30 summer camps has been started.

Mr. Campbell purchased the tract of land a couple of years ago and it is his intention to convert it into a summer resort. In the course of a couple of years he will erect about 100 camps on the site and will clean up a large tract for a pine grove for outings and other gatherings. The lakeview end of the pond is practically covered with camps, but at the Collingsville end nothing in the line of development has ever been attempted. It is believed that within a few years all the land around the pond will have been developed and the spot will be one of the most popular resorts in this part of the state.

HALTS RETURN OF LIQUOR
BOSTON, May 2.—Federal Judge Brewster today issued a temporary injunction restraining United States Marshal Keville from returning four barrels of high grade liquors seized by prohibition agents at North Shore homes of Rudolph L. Agassiz, president of the Calumet & Hecla Mining Co., John R. Post, Richard L. Whitman and Bryce J. Allan. The court recently held that the seizures were illegal.

The Bay State Wholesale Drug Co. asks the court to order that the liquor be given to the company on the ground that it was stolen from the drug concern before it was sold to the North Shore colonists.

AMERICAN GOLFERS LEAD
SANDWICH, May 2.—(By the Associated Press) Dr. O. F. Willing, of Portland, Ore., and Robert A. Gardner of Chicago, came through with the two lowest scores in the first round of the stroke competition for the Royal St. George's challenge cup here today. Dr. Willing negotiated the 18 holes in 71, Gardner in 72 and Francis Gault of Boston tied with Rogers Wethered and Michael Scott of England, for third place with a 75.

WEEKLY PAYROLL APPROVED
The regular weekly meeting of the members of the budget and auditing committee was held in the city auditor's office at city hall this morning with all members present. No business was transacted, but the weekly payroll, which amounts to \$386,657.46, as against \$37,325 for the previous week, was approved.

FUNERAL OF ADMIRAL COWLES TOMORROW

FARMINGTON, Conn., May 2.—The funeral of Rear Admiral William S. Cowles, U.S.N., retired, will be held tomorrow afternoon from the Congregational church here, with the Rev. Quincy Blakeley officiating. The navy department will be represented at the funeral by Theodore Roosevelt, assistant secretary of the navy, and a nephew of Rear Admiral Cowles.

A naval detachment from the submarine base at New London will be the active pallbearers. The honorary bearers will include Rear Admiral Sidney A. Stoughton of Washington, United States Senator McLean of Connecticut, former Governor Marcus H. Holcomb and Charles Hopkins Clark of Hartford.

EDUCATIONAL CLUB HAS MAY DAY TEA

The Educational club held May tea yesterday afternoon in the Central M. E. church with a large attendance of members. An entertainment program of songs, instrumental selections, and readings was given by Miss Thompson, Mrs. F. L. Roberts, David Craig Browning, Mrs. Earle L. Huse and Miss Francis Scott. Miss Thompson sang "Just A Yearning for You" and "The Gypsy Trail," and with Mrs. Roberts sang "Starry Night" and "Tell Me You Love Me." Mr. Browning won considerable applause for his rendition of "The Last Rose of Summer." Mrs. Huse entertained with several piano solos, one of which, "Ricochet," proved that she was capable of handling even the most difficult selections. Miss Francis Scott is a reader and her reading of "Mansions," a rather sad story, went to the hearts of her audience.

Mrs. Louise Browning was in charge of the entertainment and Mrs. J. H. Griffin assisted her in pouring.

SEWER DEPARTMENT IS GETTING BUSY

Work on the laying of Wood street sewer was started this morning by employees of the street department. Twelve men were put on the job and Supt. Doherty expects they will complete their work in about three weeks. The sewer will consist of 210 feet of 8-inch pipe and will cost approximately \$1125.

Yesterday morning a large gang of men was put to work on laying 240 feet of 10-inch sewer pipe through Park avenue. These men will be kept busy several weeks and the cost of the job will be in the vicinity of \$1515.

CONDITION STILL SERIOUS
It was stated at St. John's hospital today that there is no change in the condition of Charles Gavlin of 171 Pawtucket street, who received severe injuries to his head in falling from a box in the rear of the Opera House a few days ago.

Women Just Love to Wear Themselves Out for Their Families

"REAL HARD WORK—GROWN GREATER THAN HER STRENGTH—YET SMILINGLY UNDERTAKEN"

Yet actually HUSBANDS and SONS can't bear to see it

IT began on her wedding day—though neither he nor she really noticed it. How she loved to have everything in the house spotless! Curtains, table linens, sheets and towels. Her own dainty underthings. And especially everything HE wore!

That was her pride—and her happiness. And it was not too much to do. Then the babies came.

And her tenderest care was to keep every tiny garment sweet and clean—each new little person the essence of freshness from his downy head to his tiny pink toes.

Who could do it so well as she?—**ALL WITH HER OWN HANDS.**

have less and less of that best part of your SELF to give them. It has been swallowed up by your task.

HE notices the difference—long before you do. And the hurt of it is that he has never a glimmer of an idea of the size of the burden that is wearing you down.

Even your bodily grace begins to go, under the constant drain of a task harder than any woman should bear. Tired arms, a slowing step, a tired back, a tired face—few men can bear to see these changes taking hold.

They look on helplessly for they do not understand. Then finally they settle down to accepting this unquestioning sacrifice from the Mother of the Home.

ground in is there need of rubbing. And you will be surprised at how beautifully clean even those come with only that light rubbing. Those hopeless-knees and seats of the small man's rompers for instance. That ground-in edge dirt of your husband's soft collars. It actually comes out with so little rubbing that not a thread of the fabric is weakened.

This new soap, Rinso, is already REPLACING BAR SOAP in homes everywhere—55 million packages of it were used last year.

Rinso is the easiest soap to use because of its entirely new form. It makes every washday step easier—soaking, boiling, or washing machine. It is used in place of bar soap for quicker, better results.

It is so perfect for washing machines that leading washing machine manufacturers urge women to use it for best results.

Apex, Bluebird, Coffield, Gainaday, Getz, Haag, Horton, Laun-Dry-Ette, Meadows, "1900" Cataract, One Minute, Rotarex, Sunnysuds, Surf, Trojan, Voss, recommend Rinso.

Rinso is made by the largest soap-makers in the world—THE MAKERS OF LUX. It is as wonderful for the regular week-in, week-out, family wash as Lux is for all fine things.

Get Rinso today. All grocers and department stores have it in two sizes—the regular package and the big new package. Lever Bros. Co., 164 Broadway, Cambridge, Mass.

But soon the babies grew and grew—into sturdy little rough-and-tumble boys, grimy smiling little girls who could not be denied their tumbling and their dirt—and it took all of her strength and vitality to keep this so much larger household in fresh clean linen week in and week out.

Real hard work—grown greater than her strength—yet smilingly undertaken, because the URGE WITHIN A WOMAN TO DO FOR HER OWN does not easily die.

But does HE like it? Stop for a moment. Think!

Gradually you have been losing something that every member of your family needs—your vitality, your energy and enthusiasm. Steadily you

Today, THE HARDEST PART of the hardest task of woman—rubbing clothes to get them clean—IS NO LONGER NECESSARY.

Incredible! All your past experience is against it?

But think of the dozens of other undreamed of things that HAVE come about. Just your own automobile, for instance, in which you yourself run about. A dozen years ago you would have said of that "Incredible."

Now, with the new kind of soap, just soaking takes the place of rubbing, gets the clothes clean—whiter than you ever dreamed they could be.

You just work the wonderful suds of this new soap up, soak the clothes in them, and the dirt comes right out with never a backache for you. Only in places where the dirt has been

Make THE Backyard Pay

BY WILLIAM R. HEATIE, United States Department of Agriculture

There is a growing tendency among people living in towns and in the outlying sections of cities to keep a few chickens.

Twelve hens are about the right number from the standpoint of cleaning up all waste food materials from the household and 12 hens have been known to supply practically all the fresh eggs required by the family—but why the combination of 12 hens and a garden?

All nature operates according to the law of compensation, and, so with the household, the hens and the garden. In the first place, the hens consume the waste food that would otherwise go into the garbage pail and be lost and in turn lay eggs for the table.

The hens produce fertilizer which, if properly saved and used on the garden, enriches the soil and makes possible the production of bumper crops of vegetables.

The garden in turn often grows weeds in spite of reasonably good cultivation and the weeds, together with the thinnings and the waste from the vegetables themselves, make excellent green feed for the chickens.

An average hen, of one of the gener-

al purpose breeds weighing about six pounds, will produce in the neighborhood of two pounds of manure each week.

One-half of this amount will ordinarily be saved on the dropping board beneath the roost. This would be 52 pounds per hen or 624 pounds from the 12 hens during the year.

By sweeping the floor of the house and the small wire enclosure in which the hens are kept an additional amount of fertilizer for the garden will be secured.

Where a little of straw is kept on the floor of the chicken house this becomes broken in time and has mixed with it considerable quantities of the droppings of the poultry.

As the poultry house is swept out and new litter supplied from time to time, the old litter can be spread upon the garden plot and worked into the soil.

Poultry manure is very concentrated and must be used intelligently or the plants may be injured. Poultry manure should be stored in a dry place under cover and no lime mixed with it, as lime drives off the precious ammonia or nitrogen. Land plaster or sand may be used as an absorbent in the poultry house, but not lime.

Tomorrow: Taking the links out of back of backyard gardener.

NEW SCHOOL FOR DRACUT

\$75,000 School Voted at Special Town Meeting Held Last Night

The Parker avenue school in Dracut, which was destroyed by fire a few weeks ago, will be rebuilt at a cost of \$75,000. This was decided at a special town meeting held in Grange hall, Centre village, last evening with more than 200 voters in attendance. The money for the erection of the building will be raised on a 20-year loan and the following committee, which had been selected to study the matter thoroughly and report at last evening's meeting, was appointed to supervise the erection of the new building: Peter Bolton, Fred A. Bassett and Phillip Legare.

The meeting was called to order by Town Clerk John W. Brennan, who, after reading the warrant, called for the election of a moderator, and Norman L. Poovey was the unanimous choice of the meeting. The warrant containing eight articles was disposed of in quick order.

Under Article 1, Peter Bolton, chairman of the special building committee, reported the doings of the committee and Fred A. Bassett submitted figures prepared by a Lowell contractor. Mr. Bassett stated that an eight-room brick building will cost \$87,000; an eight-room wooden building, \$79,000; a six-room brick building, \$70,000; and a six-room wooden building, \$65,000. The report of the committee was accepted and a vote of thanks was extended to its members.

Article 2, calling for the purchase of land adjoining the site of the old school building was read and laid on the table temporarily. Article 3, which read as follows, was then taken up: "To see if the town will vote to build a new school at the Navy Yard and raise and appropriate or borrow the money therefor, and make the necessary provisions therefor. Town Counsel Warren W. Fox submitted the amount of money on loans, which will have to be paid by the town during the next ten, fifteen and twenty years. Supt. of Schools Charles L. Randall

CARMEN DISCUSS WORKING AGREEMENT

The members of Local 258, Street Carmen's union, met in their rooms yesterday afternoon and last night to decide whether or not to accept the working agreement offered them by the company. The result of the vote was not made known after the meeting and will not be made public until Saturday, when the joint conference board meets in Boston. At this time the results from all of the locals on the Eastern Massachusetts system will be made known and the trustees of the road will be notified as to whether the men accept or reject their proposal.

A special conference between the trustees of the road and the wage sub-committee headed by John P. Keegan will be held on Monday evening. It is doubtful if any agreement will be made at this meeting.

The working agreement under which the men have been working expired April 30, but until a new agreement can be drawn up to the satisfaction of both parties, the old agreement will continue in effect.

Thomas F. Boyle, president of Local 258, is the local representative to the joint conference board, and he states that in his opinion matters will be settled amicably within 10 or 15 days.

MATRIMONIAL

Mr. Ralph S. Tompkins, of Springfield and Miss Gladys J. Taber, of the city, were married April 30 at the home of the bride, 215 Rogers street, the officiating clergyman being Rev. W. J. Setzer. The couple will make their home at 9 Amory street, Springfield.

suggested that the new building be built large enough to take care of the increase in the number of children in the district and his suggestion was seconded by Albert Coburn, who stated that the erection of a new blanchery in that section of the town, which will give employment to 200 men, is apt to have something to do in the increase of children in that locality.

The meeting went on record as favoring the erection of an eight-room building and the original building committee was reappointed to supervise the erection of the building. It was voted to borrow the sum of \$75,000 for a period of twenty years. Article 2 was taken from the table and the sum of \$100 was appropriated for the purchase or seizure of land adjoining the school building site.

Articles 5, 6 and 7, calling for the maintenance of ten street lights on Merrimack avenue, Hemlock and Leavitt streets, Lakeview avenue and Old Road, were adopted.

Under Article 8, the last in the warrant, it was voted to transfer all unexpended balances from appropriations voted at the last town meeting for the purchase of the triple combination and fire horse hose truck, to the selectmen's fund.

CHELMSFORD AND NORTH CHELMSFORD NEWS

Achievement clubs of Chelmsford and North Chelmsford will conduct a joint exhibit, demonstration and entertainment in the Chelmsford town hall, Friday evening at 7.45.

Chelmsford, Home Economics and Poultry clubs which are supervised by the Middlesex county bureau of agriculture and home economics will exhibit under the auspices of the grange. North Chelmsford Home Economics club, a demonstration by the Chelmsford Centre High School Poultry club entitled "Raising a Back Yard Poultry Flock," and motion pictures by the county bureau, including travel pictures and Thos. Jefferson in "Hip Van Winkle" (7 reels).

The entertainment program will be a play, "Hiring the Maid," given by the Chelmsford Centre High School Poultry club. "Back club meeting," by the North Chelmsford Home Economics club, a demonstration by the Chelmsford Centre High School Poultry club entitled "Raising a Back Yard Poultry Flock," and motion pictures by the county bureau, including travel pictures and Thos. Jefferson in "Hip Van Winkle" (7 reels).

A special feature will be an address by State Club Agent George L. Farley of the Massachusetts Agricultural college on "Club Work in Mass."

County Club Agent George E. Erickson, will present prizes to the successful exhibitors.

Lester E. Alden, principal of the Chelmsford Centre high school and Miss Elizabeth W. Hawkes of North Chelmsford are two of the active workers who are helping to put over this exhibit.

In the afternoon State Club Agent George L. Farley and County Club Agent George E. Erickson, will visit the grammar school of Chelmsford where they

IF SKIN BREAKS OUT, IS FIERY, ITCHY OR ROUGH, USE SULPHUR

Just the moment you apply Mentho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to fiery eczema, that nothing has ever been found to take its place.

Because of its germ destroying properties, it quickly subdues the itching, cools the irritation and heals the eczema right up, leaving a clear, smooth skin in place of ugly eruptions, rash, pimples or roughness.

You do not have to wait for improvement. It quickly shows. You can get a little jar of Mentho-Sulphur at any drug store. Adv.

will talk to all the pupils above the fifth grade.

The object of this visit is to interest the boys and girls in the garden and canning clubs to be organized in the schools and supervised by the county bureau.

Bureau Millinery Group

Mrs. Charles A. Dane of Chelmsford is the local leader in the county bureau millinery group which will meet in the town hall, Thursday, May 3 from 10 to 4 o'clock. A box lunch will be served at noon.

This will be the second meeting held under the auspices of the county bureau of home economics.

Mrs. Nellie P. Draper will demonstrate, assisted by Mrs. Dane who is largely responsible for the success of the millinery club work in this town. Monday, May 7, at 2 o'clock, a nutrition meeting will be held in the Chelmsford town hall with Miss Louise Patterson of the Middlesex county bureau in charge.

MOLLY VARNUM

CHAPTER MEETING

Mrs. Nathan Pulsifer presided at the annual business meeting and election of officers of the Molly Varnum chapter of the D. A. R. held yesterday afternoon at the Spaulding house. A unanimous vote was received by each of the officers elected for the ensuing year.

The official staff of new officers is as follows: Regent, Mrs. Nathan Pulsifer; vice regent, Mrs. Frank G. Cover; treasurer, Mrs. Julia Tyler Pevey; recording secretary, Mrs. Elizabeth J. Colburn; corresponding secretary, Mrs. Harold H. Fletcher; registrar, Mrs. Russell Dunn, Jr.; historian, Mrs. R. J. Moliney; board of management, Mrs. Edward G. Turke, Mrs. E. G. Morrison, Mrs. George Upton and Mrs. Charles E. Cooke.

The reading of committee reports formed an interesting part of the meeting, which was well attended.

BILLERICA NEWS

Mrs. F. M. Fitterer, local town leader of the Billerica Millinery club, will assist Mrs. Evelyn Richardson of Burlington and Mrs. Nellie P. Draper of the Middlesex county bureau in the millinery demonstration to be held in the Billerica town hall Friday, May 11. This will be an all day meeting, from 10 to 4 with a box lunch served at noon.

Woman's Beauty No Secret

It all lies in the care she bestows upon herself and in keeping at bay those dread ill's peculiar to her sex. The flashing eye, the elastic step and the clear complexion never accompany organic troubles. The distressed expression, lassitude, headaches and mental depression are only the tell-tale symptoms. Women so troubled should take Lydia E. Pinkham's Vegetable Compound, that simple remedy made from roots and herbs, and restores their health to a normal condition. Adv.

Mrs. Nellie Woodsford

Speaks to Mothers

East Boston. At 24 Lamson street, Mrs. Nellie Woodsford and her children new "five happy and grateful" to the kind neighbor who recommended Dr. True's Elixir to them. Mrs. Woodsford says: "My words were out of order and my breath was bad. I was shaky all over. I had terrible headaches and it seemed I had suffered years before your Dr. True's Elixir was brought to me. After a short time I was myself again, by bowels were all right and I'm full of gratitude."

Dr. True's Elixir, the True Family Lavative and Warm Expeller, has done wonders for children and grown-ups for over 70 years. Internationally known. Pleasant to take, mild in action. No harmful drugs. 40c—60c—\$1.20. Adv.

VALENTINO WILL SELECT MOST BEAUTIFUL GIRL

A double reward awaits the winner of the beauty contest to be judged by Rudolph Valentino upon the occasion of the only personal appearance here of "Filmdom's Foremost Favorite" this evening at the Memorial Auditorium.

Word comes from Valentino that one of the objects of his transcontinental junket is to discover a new leading woman to play opposite him when he returns to the movies. For that reason he has adopted the idea of holding a beauty competition in every city he appears in on his tour, and arrangements are now under way to have all the winners go to New York this month when Valentino will wind up his tour.

Conditions for the prize beauty contest have just been made public. Pictures only must be submitted for the preliminary judging, which will be done by a local committee and no girl who has appeared in films before is eligible. All contestants must be on hand for the Valentino performance, as the local judges will select the six girls they consider the best looking before the star of the screen makes his first bow tonight.

After the Valentino program, which includes dances with his wife, the beautiful New York heiress, Winifred Hudnut, and several musical numbers by Valentino's own Argentine orchestra, the names of the six survivors in the beauty competition will be called out from the stage, and then Valentino himself will select the girl he considers the most beautiful in this city.

THE FAMOUS BAND FROM BALTIMORE

St. Mary's Industrial school band of Baltimore, Md., which is making its first tour of New England and which will appear in the Lowell Memorial Auditorium under the auspices of the Xaverian Brothers of St. Patrick's parish next Sunday, is one of the youngest musical organizations of its kind in the country. It is composed of youths about 12-15 years of age, who have been brought up in the world of music by competent teachers in the neighborhood. For years, Washington society folk have looked forward to the appearance of the St. Mary's group at national functions. In Washington, Presidential inaugurations would seem incomplete without the presence and the tuneful airs of the juvenile group of bandmen who play with all the vigor and technique of experienced veterans.

While touring the west a few days ago, the band stopped off in Chicago for a concert and played to one of the largest audiences the Windy City has ever witnessed in a similar concert. The same has been the rule all along the west circuit covered by the boy musicians. In Detroit, John Philip Sousa, premier bandmaster of this country, who among the audience and he afterwards paid a personal tribute to the prowess of the players. The band will come to Lowell Sunday evening following an afternoon performance in Boston. Tickets are on sale at Steinert's.

AMUSEMENT NOTES

H. F. KEITH'S THEATRE

A vaudeville show which will do your heart good is on parade at the H. F. Keith theatre, this week. See it and you will like it. There are Clarence Oliver and George O'P in "Wire Collect," a sweet little comedy. Admirably played, and who top the bill. Next we see Danny Dugan, expert dancer and great Lowell favorite, with Madelyn Meredith, in their superior dancing act. This is one of the sweetest dancing acts the town has known in a long time. Rae and Emma Dean have comedy turn which will be a treat to the audience. Trux Oliver furnish charming musical turn. Prosal is without question the greatest acrobat in this city. Has known in years. "An Artistic Treat" is a splendid reproduction of famous sculptures, and the Worden Bros. are dancing double-foot balancers.

LOWELL OPERA HOUSE

In order to accommodate the crowds who have not been able to go to the shows during the different matinees, the management has decided to give an extra matinee for "The Gay Young Bride" on Saturday afternoon at 5 p. m. Tickets for this matinee can be secured at the box-office. Phone 361. Don't wait too long, as these seats will go very quickly and it will be the only opportunity for those who haven't witnessed the show to do so.

Next week Mr. Lutzinger will bring to Lowell some new faces and also some very well known stock performers. In Mr. Victor Brown, the new leading man, he feels that he has secured one of the finest performers on the stage today. Mr. Brown has had a great deal of experience, having been with Keith for two years. He also played with the William Fox stock company. He also played in New York, St. Paul, Montreal, and also has had his own companies. In Miss Olga Hanson, the new leading lady, Mr. Lutzinger brings to Lowell one of the most charming leading ladies as can be found anywhere. She has a very charming personality and a most musical voice and as to her ability her appearance in stock in Union Hill, N. Y., Minneapolis and Cleveland speaks for itself.

Mr. Kenneth Fleming, a former leading man at this theatre, who returned to Lowell and Mr. John Rowe, will come from Salem and take Mr. Billy Hall's place as comedian. "The Nightcap" will be the play in which Lowell and Mr. John Rowe will have the opportunity to meet the new members of the cast and also see their favorites of all seasons.

Today the Crown Theatre will start a two days' run of the Fox production, "The Yosemite Trail," starring Dustin Farnum, who has scored many successes on both sides of the water. As its name indicates, the story occurs in the Yosemite Valley. This background lends itself admirably for the excellent photography of the film. The picture is said to be filled with exciting action that is sustained from beginning to end. The majestic grandeur of the Yosemite is used by the director to create the impression of hugeness and power. So well has this been done, according to report, that the characters seem to stand forth like the primitive giants who struggle for mastery.

This is the sort of photography in which Dustin Farnum excels and, judging from his previous work, it should prove interesting entertainment.

RIALTO THEATRE

"Yankee Doodle J. R." is a smashing comedy drama with J. F. Glendon in the leading role is the starring feature of the Rialto booking for the next two days. The companion feature is also exceedingly good, with the supporting attractions are up to the usual standard. This afternoon there

will be a toy matinee for children and novelties will be given away to the little ones.

THE STRAND

Today offers the last chance of seeing one of the best motion picture programs of the season. "Poor Men's Wives" is a strong melodrama of more than ordinary worth. Shirley Mason in "Lovebound" is a comedy drama that ranks with this star's best screen efforts. And "The Land of the Living" is a comedy melodrama that reflects the life and lure of the Great White Way with as well. Don't miss this last chance.

Beginning with matinee tomorrow and continuing through the remainder of the week the big Mack Sennett special, "The Crossroads of New York," a comedy melodrama that reflects the life and lure of the Great White Way will be shown. The beauties who made Broadway famous are shown in large numbers, and the story that it tells is of the worth-while sort. There are phases of the metropolis that you have never even heard of before that are shown in this story. The most human of all stories is the struggles of the new comers to the big city. The cast boasts of 12 stars, six on the comedy side and six on the dramatic side, while the producer may reflect his accomplishments by accepting credit for the creation of "Cluckey" and "Wolf in Sheep's Clothing" (Buck) Jones in "Boss of Camp 4" is the other feature.

AT STRAND NEXT WEEK

The special attraction at The Strand for four days, beginning next Sunday will be "The Four Horsemen of the Apocalypse," in which the star will be shown in the comedy side and an excellent number on the dramatic side. The picture is a production of the generation. There are more than 50 principals and a cast of over 100. The production cost more than a million dollars and the original story was read by more than twenty million people. Remember this attraction will be shown at The Strand for four days only, beginning next Sunday, and at the regular Strand price.

MERRIMACK SQ. THEATRE

Final performances will be given this evening at the Merrimack square theatre. "The Girl That Men Forget," a picture featuring Valentino, this picture, adapted from the famous book by "Annie" Jones, is a production of the generation. There are more than 50 principals and a cast of over 100. The production cost more than a million dollars and the original story was read by more than twenty million people. Remember this attraction will be shown at The Strand for four days only, beginning next Sunday, and at the regular Strand price.

CROWN THEATRE

Today the Crown Theatre will start a two days' run of the Fox production, "The Yosemite Trail," starring Dustin Farnum, who has scored many successes on both sides of the water. As its name indicates, the story occurs in the Yosemite Valley. This background lends itself admirably for the excellent photography of the film. BENEFIT CONCERT FOR CAR SHOP STRIKERS

An excellent program will be presented at the Auditorium tomorrow evening, when the Broadway, Eagle, Matthews, South Ends and T.M.C.I. combine forces to stage a benefit concert and dance for the B. & M. car shop strikers. The following will lead off the program: "Down in Maryland," "Wonderful One," "Say It With Dancing," "I'm Just a Little Blue," "Toot, Tootie, Goodie," "Coal Black Mammy of Mine," "Down by the Old Apple Tree," "Sunny Jim," "Miss Mabel Hogan," "Barney Google," "Miss Dorothy Nolan," "Seven or Eleven," "Joseph Craven," "Call Me Back, Pal of Mine," "John F. Roane, Jr.," "Timbuctoo," "Michael McCarthy," "Dancing Specialty," "Misses Roulin & Hollis," "Vaudeville," "Misses Leno," "Misses Leno," "A Wee Bit of Scotch," "James E. Donnelly," "Assisted by Mrs. Alice (Donnelly) McLaughlin," "The Girl That Men Forget," "Edward Donahue," "Quartet Selections," "Honey Boy Four," "Finale, 'I'd Love to Be in Ireland,'" "Solo sustained by Miss M. Conway," "John J. Giblin, director, Paul J. Angelo, accompanist," "Miss May Conway, Interlocutor."

The photography, as well as the acting, in the story of "The White Flower" is excellent. The direction by Julia Crawford Ivers, who also wrote the story, is superb. One of the many noteworthy scenes in the picture is that showing the state of the volcano Kilauea. The heart appeal is intense.

A powerful dramatic photoplay based on a novel of widespread appeal is "The Forgotten Law," the second feature for Thursday, Friday and Saturday. In its narrative form it aroused heated discussion, leading finally to the repeal of a law which worked terrible hardships on thousands. As a photoplay the dramatic emphasis is even more pronounced, and the motion picture is one of the strongest attractions of its kind in several seasons.

"ROBIN HOOD" COMING

The management of the Merrimack Square has announced the engagement of Douglas Fairbanks in "Robin Hood," the attraction which is popular playhouse for an entire week starting Sunday, May 6. No theatrical announcement for many a day will be received by local theatregoers with greater satisfaction for the fame of "Robin Hood" as being the most colossal and epoch making film of the day has spread in every corner of the land. "Robin Hood" is the most costly production ever brought to Lowell either on stage or screen. It has re-

LOWELL HIGH DEFEATS BOSTON ENGLISH HIGH IN SLUGGING BEE

JIMMY LISTON'S LOCAL HIGH SCHOOL TEAM HANDS VISITORS FROM HUB 7 TO 4 BEATING AT SPALDING PARK

Lowell high added another victim to its list of 1923 baseball successes by defeating Boston English high by the score of 7 to 4 at Spalding park yesterday afternoon. The game was slow, taking more than two hours for the nine innings to be played and the interest of the fans was at a low ebb after the visitors failed to approach scoring distance after the fourth frame. It was in this frame that the Boston boys pushed their four tallies across the plate while Lowell reeled in the first, second and fourth innings for a total of seven runs.

Gibbons who twirled such a masterly game against Nashua last week, started on the mound for the locals but was taken out in the fourth inning when the Irish batters found his weakness and began to make hits count. Littlefield took up the burden and put a stop to further scoring. But Lowell was not alone in using its pitching arm. Flynn essayed to hurt 'em for English in the beginning and meeting with a hot reception, he was zanked in the second in place of Smith. Flynn started in center field. Smith far out a little better, but did not succeed in taming the local batsmen, who scored nine hits during the game as against eight for their opponents. O'Day, Willard, Daly and McAllister garnered two apiece while P. Smith claimed the longest climb, a two-sacker to deep left field.

The scoring began in the first. After English had gone out, O'Day and Flynn walked and Willard was safe when Flynn failed to catch O'Day at third on his roller. There were three runs, McAllister shot out at Cummings and threw to Whitehead at home, exciting O'Day and Flynn. O'Day walked and Flynn failed to catch O'Day at third on his roller. There were three runs, McAllister shot out at Cummings and threw to Whitehead at home, exciting O'Day and Flynn. O'Day walked and Flynn failed to catch O'Day at third on his roller. There were three runs, McAllister shot out at Cummings and threw to Whitehead at home, exciting O'Day and Flynn.

BRAVES WIN FIFTH STRAIGHT AND MOVE INTO THIRD PLACE—RED SOX ALSO WIN

NEW YORK, May 2.—Three major league teams won their games yesterday in uphill battles, smashing out victories in late-inning games. The world champion Giants defeated the lowly Brooklyn Dodgers in the ninth, 4 to 3, and Detroit's scrappy Tigers battered the Cleveland Indians in a ninth inning rally, winning 6 to 5. The New York Yankees came up from behind to defeat Washington on its home grounds, getting six runs in the seventh inning for an 8 to 7 victory.

A raw-boned rookie from the open spaces of Texas, Fred Johnson, pitched for the Giants and was largely responsible for the Dodgers' defeat. Burleigh Grimes, Dodger pitching ace, allowed but six hits, but the Texas rookie gave out only five. The Detroit-Cleveland game was a free hitting affair, the Tigers getting 12 bases in 2 innings. The Yankees also piled busy bats, getting 14 hits to Washington's 12. In addition to hitting out two two-baggers and a single, Babe Ruth stole home with the tying run.

Pittsburgh's Pirates ended the St. Louis Cardinals' winning streak, defeating them 6 to 1. The Boston Braves of Christy Mathewson captured a hard hitting game from the Phillies, 12 to 10. The Braves made 18 hits and the Phillies took none. It marked the fifth straight victory for the Braves and the team moved into third place.

The other Boston team, the Red Sox, also gathered a win, defeating the Philadelphia Athletics 5 to 1. Howard Ehmke, Boston star, struck out ten men on the bases. The second place team in the National League was broken when the Chicago Cubs defeated the Cincinnati Reds 4 to 1. The Cubs moved into second place, with Boston in third and Cincinnati in fourth place.

TEXTILE SCHOOL WINS OVER N. H. COLLEGE

"Bob" Gantley's Textile school baseball team defeated New Hampshire State college at Durham, N. H., by the score of 6 to 2 yesterday. Blanchard was on the mound for the millmen and while he allowed 11 hits, they came at inopportune times and danger was averted. The Lowell team sewed up the game in the first two frames, scoring four runs in the opener and one in the following inning. State's big inning was the eighth when the New Hampshireites put a trio of tallies across, making the score 6 to 5. A three-pipe wallop by Sullivan of Textile featured the hitting department. The score:

TEXTILE	ab	r	h	po	a	e

Johnson Lacks Knockout Punch

LEFT TO RIGHT: LOUIS FIRPO, WILLARD AND JACK McALLISTER. LOWER: FLOYD JOHNSON.

BY BILLY EVANS
NEW YORK, May 2.—Just at present the heavyweight situation is the all-absorbing topic of conversation in this burg.

With Jess Willard at Yonkers getting in shape for Floyd Johnson, and Luis Firpo making ready to annihilate Jack McAllister, the pot is boiling among the big fellows.

Willard certainly looks in great shape. If he were a younger man by five or more years, I certainly would be willing to concede him a fine chance against Dempsey. There isn't a bit of superfluous weight on Willard. He looks to be in the best condition of his career.

Some years ago I saw Willard box the late Luther McCarthy at Madison Square Garden. Willard was in the novice class then. The Willard I saw the other day doing his training stunts looks to be a better conditioned athlete than the Willard of six or seven years ago.

As I watched Willard in action with his sparring partner I simply couldn't brush aside the fact that he is past his prime. Regardless of his fine condition, I am unable to believe that he possesses the reserve strength to take a lacing and go a long way. It strikes me that Willard must do the big things in the early rounds of any fight in which he takes part.

FIRST GAME IN TWILIGHT LEAGUE SERIES

The familiar cry of "Play Ball!" will be heard on the South common one week from tomorrow evening when the Centralville and the Y.M.C.A. will perform in the local Twilight league's 1923 curtain raiser, these two teams having

TO GO AFTER N. E. TITLE PLAN NEW TWILIGHT BASEBALL LEAGUE

Following a meeting of baseball representatives at Worcester, Graniteville, Pichburg, Ware, Salem, Fall River and Woonsocket, R. I., in Hotel Raymond, Worcester, last Monday night, it is probable that a group of Twilight league entraining teams from the above-named cities and towns, will be organized in the near future. Each of the places mentioned has provided the baseball outfit with exceptionally good teams in past years and it is thought that a league will increase the interest of the fans in the welfare of their favorite teams. If such a league is organized, the league teams will also participate in Saturday and Sunday afternoon games.

At Monday night's meeting, Frank Donovan of Salem presided and W. R. Taylor of Graniteville acted as clerk. Others present were R. J. McCarthy of Graniteville, James Kerwin of Pichburg, John L. Carter of Ware, Joseph Bonagrat of Woonsocket and Sam Marks of Fall River. These and others interested in the proposition will meet in Boston next week.

Mike wants to meet Friedman right here in Lowell, scene of two Castle-Friedman battles, both of which resulted in decisions against the latter. He still feels he can beat the skillful Abe, and avers if given the chance he will grab it like a drowning man grabs a straw.

In order to gratify his ambition Mike must first eliminate Nelson, and judging from the latter's record as supplied by Leo P. Flynn of New York, the speedy Castle will have a man's size job on his hands. Nelson lays claim to having participated in one of the shortest if not the shortest bout ever recorded in that famous home of glove welders, Madison Square Garden, when he scored a kno victory over Frankie Jerome in just 57 seconds. He also points to victories over Irish Johnny Curran, Young Montrell, Roy Moore and a number of other notables.

Renny Nelson, who has not appeared before Moody club patrons for some time, but whose memorable battles with Young Parker will be recalled by many, will perform in the semi-final against Young Ross of Lynn. Johnson, Fulton and Johnny Ferris who met at the last Moody club show and furnished a hard-fought number with Fulton being awarded a decision that about every one in the hall except the officials and attendant of Fulton, believed should have gone to Ferris. He will have a chance to settle their differences in a preliminary. Ray Rancourt, a very satisfactory performer from Lawrence, and Young Boone of Lynn are listed for the other six rounds.

Amateur Ball

The North Ends will play their first twilight game of the season with the South Ends on the South common this evening. The North Ends will use Lawson, Bernier, Truvel, O'Connor, S. Tier, Kluuka, D. O'Connor, O'Brien and LaDuc. Other games may be arranged by calling 6667 or by writing Manager Stanley Kluuka, 401 Adams street.

The Whalers are looking for games with fast 10-12-year-old teams in the city. Answer through this paper.

The V.M.H.A. Juniors defeated the Triangles yesterday by the score of 9 to 4. Roush's triple with the bases loaded parked. The game was played at Lincoln park.

The Wanderers are asked to call 153-21 to arrange a game with the Pawtucket Blues, who defeated the Broadways on the Woodward avenue grounds last Sunday. The Blues were originally scheduled to meet the Wanderers on May 20, but the latter evidently refused to live up to an agreement previously entered into by the rival managers.

In a twilight league game at Lincoln park on Tuesday, Y.M.H.A. Juniors defeated the Triangles by the score of 9 to 4. Levine, the winning pitcher, was credited with nine strikeouts, while the opposing pitcher, Sweet, had six strikeouts. A home run by Welch for the losers and a three-liner by Borah for the winners were the big hits of the game.

MACHINE GUN BATTERY WINS INDOOR SHOOT

Company M, machine gun battery of the 182nd regiment won the Monday night indoor shoot, with Company C, 6th Massachusetts Asciendos, held at the armory on Westford street. Both teams are now credited with two victories. The fifth and deciding match will be held either Monday or Friday night of next week.

The summary of the shoot:

LOWELL FISH AND GAME CLUB MEETING

The Lowell Fish and Game club celebrated its tenth anniversary in an auspicious manner at a meeting held in the Odd Fellows hall last night. By voting into membership Harold H. Thibault, a two and a half year old youngster, son of Mr. and Mrs. Albert R. Thibault, of 259 North street, Secretary Willis S. Holt of the association stated that young Thibault is without question the youngest sportsman in the country.

Previous to the entry of the above youngster, the yearling championship was held by six year old Joseph Darrows. Eighteen new members were voted into the organization at the meeting. President Dr. Frank H. Brady presided while the minutes of the previous meeting were read and new business was transacted. He then introduced James A. Beck of Fitchburg, deputy fish and game warden of this district, who gave an interesting, illustrated lecture on the work of his department through the state.

The speaker's lecture covered the hunting and fishing territory from the Berkshire Hills to the Cape. His views on the best time to visit the Washington Mountain, formerly the Whittier estate, showed the game there and gave the audience an idea of the wonderful scenery. He stated that there were 31 wardens scattered through the state, each covering an area of about 400 square miles. Deerfield Valley, covered by the visiting speaker, was described in detail.

Forest fires are the greatest menace known to the game, declared the warden, and will jump into the flames instead of running away. Co-operation between the farmer and the sportsman is the one factor that must be developed, if the latter expects to continue his hunting and fishing. The farmer in practically all cases is not allowed to use his gun if he has no nuisance or damage is committed, but in many cases pliers destroy property, steal the farmer's vegetables and fruit, and in general make his life miserable. As a result the farmer loses patience and posts his land against the visits of the sportsman. If every farmer posts his land, there will be nothing for the hunter and fisherman.

The work of the fish and game department is one of conservation. The farmers' land is protected and is stocked with game, in other words putting back what is killed off. The department believes in education and not in prosecution, said Mr. Beck, to accomplish its work. The coastal fisheries and the bird sanctuary at Marsh's Viscard were shown on the screen.

The work of the Boy Scouts, the future sportsmen of the country, was featured by the speaker, who displayed slides showing the youngsters feeding birds and animals during the season of heavy snows. The methods of propagating fish were shown, with the aid of the highly colored slides.

At the business meeting which preceded the lecture it was voted that the association erect signs 400 yards above and below the Pawtucket dam. Fishing is not allowed within these limits. C. H. Holmes was appointed chairman of the committee to look after this matter. Samuel J. Bigelow and Earl Wilbur were also elected to the committee.

Secretary Holt informed the meeting the officers had voted two prizes to the kennel show, one for the best pointer and another for the best bulldog. Plans to secure shipments of

UMP PULLS REPARTEE AT EXPENSE OF HARDING

Umpire Tommy Connolly, dean of the American league staff, is a democrat in national politics and proud of it. Thereby hangs an interesting tale. During the recent visit of the Washington club to New York, President Harding, who was in the city, attended one of the games. It was the first time he had ever witnessed a ball game in New York, although he is a regular attendant at Washington.

The president wanted to see the new Yankee stadium, watch Ruth make a home run and see his town team, Washington, beat New York. The president saw the stadium and marveled at its size and beauty. Battering Babe obliged with a home run, but as a Washington mascot the president proved a failure, the Yankees scoring a shutout, 4 to 0.

Because of a noonday speech it was discovered that the president would be delayed in his arrival at the hall, and instead of reaching the grounds at game time, 3:30, it was evident that he would arrive nearer to 4:15.

Miller Higgins, manager of the Yankees, came into the umpire's dressing room to apprise the officials of the fact, and wanting to know if the game could be held up 15 minutes.

Tommy Connolly, who was the plate umpire and in charge of the game, in all seriousness replied: "Sure, I'll hold the game up 15 minutes. If he were a democrat I would stretch it to a half hour."

White porch and some birds were discussed and clouds were passed. The new members voted into the club last night were Joseph Talbot, Dr. T. B. Delaney, J. Ray Bennett, P. H. Murphy, Ray Courtney, Harold B. Thibault, Augustus Fitzgerald, Clarence J. Cornell, Clyde P. Gilman, J. H. Lawler, Al Starville, Paul P. Holmes, J. Leo McGowan, William F. Fory, Clarence A. Partlett, John Peppari and Myer Kaplan, the latter a 13 year old youngster, said to be a great fisherman by his father, and to be a member of the club.

First Game in Twilight League

ing percentage, provided he participated in at least a dozen scheduled contests.

League teams will start practice immediately. The South Ends will be on the south common tonight and the following players are asked to be on hand: Riley, Regan, Garrity, Trask, Sclerette, Nestor, Kluuka, Dee, Davis, Patis, Jenkins, Rockley, Onanian and all others wishing tryouts.

The Highland Daylights will play the Lawrence Independents at O'Sullivan park, Lawrence, beginning at 6 o'clock this evening. The Lord contingent will consist of Sullivan, Delan, Peterson, Connors, Daly, Reynolds, Williams, Pare, Bridgford, Freeman, Hubert, Farrell and Marcott.

Another Hearing Requested for Redistricting of Lowell

was "railroaded" through a hearing before the committee on cities yesterday forenoon, without giving Lowell citizens any chance to appear and speak either for or against it. They call it party legislation and assert the tactics used by general court republicans were unfair.

The bill was sponsored before the committee on cities by Representatives Victor F. Jewett and Henry A. Allen, Jr., of Lowell and no one appeared in opposition. Remonstrants to it claim they had no opportunity to appear.

City Clerk Stephen Flynn told the council last night he received a communication or notice of hearing from the state house at 3:50 o'clock yesterday morning and at once notified the mayor. The time of hearing was 11 o'clock. Clerk Flynn brought the notice to the attention of the council and Councilor Daly introduced a resolution asking for recommitment and rehearing.

The bill provides that the work of redistricting shall be done by the election commission, a bi-partisan body and that the city shall be divided into not less than nine and not more than 11 wards, as the commissioners shall determine.

The act follows:

Be it enacted by the senate and house of representatives in general court assembled, and by the authority of the same, as follows:

Section 1. In the year nineteen hundred and twenty-four, and every tenth year thereafter, the election commissioners of the city of Lowell shall make a redistricting of the territory of said city into such number of wards not less than nine nor more than eleven as said commissioners shall determine. Such division shall be made in accordance with the provisions of chapter fifty-four of the general laws, so far as the same are not inconsistent herewith.

Section 2. So much of section two of chapter three hundred and eighty-three of the acts of nineteen hundred and twenty-one as is inconsistent herewith is hereby repealed.

WOMAN FINED FOR ASSAULTING ANOTHER

On a finding of guilty to assault and battery on Victoria Cepulinski, Mrs. Ursula Buva was ordered to pay a fine of \$10 in the district court this morning.

The complainant testified that she went to Mrs. Buva's store in Davidson street after work last Monday evening for the purpose of buying a bag of coal. She stated that she was a former tenant of Mrs. Buva and

Rescuing Little Kitten From the Flood

When yesterday's flood conditions, the water's edge was Louise Beauchamp. She wore hip rubber boots and wading into the muddy stream porch of her Martin street home and even above her knees caught the kitten as it struggled to save itself. The was far out in the miniature lake which surrounded the house. Losing her balance she fell into the water from the water and is about to bring Among several little girls playing near it back to dry land and safety.

Britain Not Connected With New Offer

LONDON, May 2.—(By the Associated Press)—It was authoritatively stated this afternoon that the British government has been at some pains to make clear to every party that Great Britain is in no way connected with the German reparations note and that she had no hand whatsoever in framing its terms, as had been suggested in certain quarters.

after paying a month's rent in advance the complainant by the throat and vance, she had moved out to another thrown her out the door to the side-tenement. She said she then requested walk, tearing her waist. She said she her landlady to return a portion of new defendant for 19 years and had the rent money and the latter refused. never had trouble with her before.

Mrs. Buva admitted striking the Cepulinski woman from the store because, she said, she had called her vile names.

FRANCE TO QUIT THE LAUSANNE CONFERENCE UNLESS TURKISH TROOPS ARE WITHDRAWN

CONSTANTINOPLE, May 2.—(By the Associated Press)—The French charge d'affaires here yesterday handed a note to the Turkish government declaring that unless the concentration of Turkish troops on the Syrian border were immediately withdrawn, France would abandon the Lausanne conference.

Piggly Wiggly Head Faces Ruin

MEMPHIS, Tenn., May 2.—Clarence Saunders of Memphis, president of the Piggly Wiggly Stores, Inc., and central figure in the sensational encounter with Wall Street a few weeks ago, said in advertisements today that unless "I am able to sell the stock which I have on hand as a consequence of the job I took for myself, there is only one outcome and that is my personal fortune will be wiped out." Mr. Saunders added, however, that if he loses his personal fortune the company will not be affected, except "insofar as my being head of the company is concerned."

Britain Protests Against Grant by Turks

LONDON, May 2.—(By the Associated Press)—The British high commissioner in Constantinople has been instructed to register an emphatic protest against the grant by the Turks of rights within the kingdom of Irak (Mesopotamia) and to declare that Great Britain cannot recognize the validity of any such grant. This was announced in the house of commons today in a statement on the Chester concession by Lieut. Col. Albert Buckley, speaking for the foreign office.

Crude Oil Cut 10 Cents a Barrel

INDEPENDENCE, Kas., May 2.—The Prairie Oil & Gas Co., announced a cut of 10 cents per barrel on all grades of crude oil in the mid-continent field, effective today. This is the second cut of 10 cents since the recent advances, the other cut being made April 23. The new prices range from \$1.30 to \$2.40 per barrel.

CLASS NIGHT EXERCISES AT ST. JOHN'S PREP

Final arrangements for the class night exercises at St. John's Prep. school, Danvers, have been completed. The exercises will be held on the evening of June 13. The following members of the class have been elected to speak on the occasion:

Opening address, Thomas F. Cullney, Boston, president; class historian, John J. Murray, Peabody; class prophet, Michael H. Sullivan, Fall River; class poet, John J. Welch, Worcester; mantle orator, Francis J. Hurley, Beverly; class orator, Lawrence A. Hines, Lawrence; key orator, Frederick P. Cashman, Lynn; class gift, Clarence C. LaPier, Worcester.

The following members of the junior class have been elected to participate on behalf of their class: Reply to the mantle oration, Thomas Quarters, Charlestown; reply to the key oration, James M. Coker, New York city; reply to the gift oration, John V. Mahoney, Hildesford, Me.

The 14th commencement exercises of the school will be held on June 15 at four in the afternoon. The speakers for the occasion will be Ernest Bartholomew Foley of Peabody, John Francis Hennessey of Holyoke, and Lawrence Augustine Hines of Lawrence.

"THE WINTON SIX"

Dances may come and dances may go, but "The Winton Six" goes on forever. For three years they have given their patrons one of the best times possible and this year they promise to go one better. "Crimson Days," that catchy new song hit, will be featured with "Red Marshall" and his melody boys "doing their stuff."

So let's have the Pawtucket Boat house a scene of merriment tomorrow night and if it's too hot inside you can dance on the veranda.

WITH U. S. BARRING VESSELS WITH LIQUOR BRITAIN MIGHT BAN THOSE THAT LACK BOOZE

All Manner of Views Aired in London Papers in Reference to U. S. Supreme Court's Liquor Ruling—May Retaliate by Placing Ban on Chewing Gum and Force U. S. Ships to Dump Their Supply in Channel—

WASHINGTON, May 2.—Government officials continued today to feel their way toward a satisfactory adjustment of the difficulties faced in applying the supreme court's interpretation of the dry laws as prohibiting the carrying of liquor by any ship within the three-mile zone of United States territorial waters.

Atty. Gen. Daugherty has announced that the supreme court's mandate, becoming effective within 30 days from the handing down of the decision Monday, will be enforced vigorously, adding the opinion that several complex questions in prohibition enforcement had been considerably clarified by the decision.

Not only has the court's decision definitely established that no intoxicating liquor can be brought within three miles of the nation's shores, Mr. Daugherty said, but its interpretation of the terms "transportation" and "importation" will make for more rigid enforcement generally.

As to the government's policy regarding liquor serving on shipping board, vessels in view of the established right of American ships to carry liquor outside the three-mile limit, on the basis of indications given by Chairman Lasker after conferring with President Harding yesterday it appeared probable that the government fleet would remain dry.

Secretary Mellon also had under preparation a statement which will lay down the principles on which the supreme court's decision will be applied to shipping at American ports. In its application to foreign vessels, this presents the most delicate problem involved.

London Comment on Decision

LONDON, May 2.—(By the Associated Press).—All manner of views are aired in the London newspapers in reference

to the United States supreme court's liquor ruling. Among the facetious suggestions is one that Great Britain declare war on the United States to enforce the sacred right of her subjects to drink as much liquor as they like wherever they like, or, alternatively, to retaliate by placing a ban on chewing gum and compel American ships to dump their supply of this commodity in the English channel.

According to one legal view of the situation, Great Britain is in a helpless position and must accept the American law, making the best of it. It is suggested that as far as liners are concerned the United States might be induced to allow them to enter her ports with their liquor in bond, inflicting a fine without further penalties.

The idea of transferring liquor to a store ship at sea before entering the three-mile limit is generally scouted as being unfeasible.

The Morning Post suggests that the League of Nations may have to act on "these facts and reforms of well-meaning, well-organized peoples."

The Post continues: "If the United States bans a vessel which carries alcohol, why should not Great Britain ban one that lacks it?"

The Westminster Gazette says that the American people "most emphatically are not entitled to lay down rules for the behavior of foreign nations which do not choose to follow their example. We hope America will concentrate its attention on the simple requirements of international courtesy and co-operation."

"It is obvious," observes the Daily News, "that when one nation has established the principle that it can interfere at will with the freedom of the world's maritime commerce, other nations will follow suit and produce a state of chaos which may easily develop dangerous quarrels."

To Sue for Recovery of \$212,000 Funds

BUFFALO, N. Y., May 2.—A supreme court decision here today will permit the receivers for the First National bank of Warren, Mass., to sue for the recovery of \$212,000 of the bank's funds involved in the crash of the Niagara Life Insurance Co. The New York State Insurance department and the company which took over the policies and reserve fund of the Niagara Life will be defendants. The wrecking of the Niagara Life Insurance Co., and the closing of the Warren bank are alleged to have been due to the manipulations of Joseph B. Marcino, who disappeared last January. Today's decision, by Justice Lang, denies a motion of the attorney general to vacate an order granted in February permitting the receiver to bring suit.

IN ORGANIZED RESERVES

Former Member of Coast Artillery Gets Commission in the Reserves

Ismael E. Parks, of Dracut, for many years a member of the Coast Artillery corps, and serving in this unit in every coast defense station from St. Augustine, Florida, to San Francisco, California, to Manila, Philippines, has received his commission in the Organized Reserves as a lieutenant.

LIEUT. ISMAEL E. PARKS

tenant. Mr. Parks has been detailed to the 512nd company of the reserve coast defense of Boston harbor and is now out recruiting for enlisted men for this unit.

In addition to his military service, Mr. Parks is well known fraternally throughout the country. He is a past chancellor of the Knights of Pythias and served as a representative to the Grand Lodge in 1912, 1913, and 1914 from Portland, Maine. He is a past dictator in the Local Order of Moose, and was a delegate to their conventions in 1913 to Cincinnati, 1914 to Milwaukee and 1915 to San Diego. He is also a member of the Red Men, Dracut Grange, No. 19, where he is a member of the men's degree team; and is a junior vice commander of Adolphe Ames camp of Spanish War Veterans.

New German Proposition For Reparation Settlement

Continued
offer proposes that the sum total of her obligations in cash and kind under the Versailles treaty be fixed at 20,000,000,000 gold marks.
The German government in a note made public here today simultaneously with its receipt by the Entente and Washington governments proposes that 20,000,000,000 of the total be raised before July 1, 1927, by a bond issue at the normal rate of interest on the international money market. Five billions

would be raised before July 1, 1927 in the same manner as the remaining sum similar before July 1, 1921.

The note asserts that Germany, in accordance with existing treaties, will also make payments in kind which are to be credited to her account. The note expresses the government's conviction that the new proposals represent the utmost limit of Germany's capacity to pay, and expressed grave doubt as to whether the offer does not exceed her ability in view of the heavy dislocation and weakening of Reich's economic organization caused by the Ruhr occupation.

In case the creditor governments do not share Germany's belief that no unprejudiced party could arrive at a higher estimate in view of her general condition, the Berlin government proposes that the whole reparations question be left to the decision of an international commission free from every political influence, as suggested by Secretary Hughes.

The German government sets forth that an international loan syndicate and the reparation commission shall determine the manner in which the nation's possessions and sources of revenue which have already been pledged under the treaty, can be given concrete form and what guarantees are to be provided in each particular case. The government is also prepared, in accordance with terms of agreements to be made, to adopt all proper and necessary legislative measures to forces in vouchsafing securities of a satisfactory nature.

Payments in kind are to be guaranteed by long term private contracts, breach or violation of which would make offenders subject to fines.

The note proposes that the first 20,000,000,000 marks of the total of 20,000,000,000 be offered for subscription immediately. Interest on bonds up to July 1, 1927, would be taken out of the loans themselves and would be paid into a special fund under control of the reparation commission. If 20,000,000,000 marks cannot be raised by means of a loan before July 1, 1927, interest of five per cent would be paid from that sum from said date. In addition to 1 per cent for amortization. The note asserts that Germany is making her offer without desisting from her program of passive resistance, which will be continuing until the areas occupied in excess of the stipulations of the Versailles treaty are evacuated, and until conditions on the Rhine are restored according to the terms laid down in the Rhine agreement.

Keep CHILDREN Free From WORMS

Atwood's Medicine is a safe, sure remedy for worms in children, exciting the cause of disturbance, restoring normal appetite, and toning the system to normal function. Used for nearly 70 years. Large bottle, 50c. Small bottle, 25c. All dealers. "L.F." MEDICINE COMPANY, Portland, Maine.

Robust Little Bodies

THE most important consideration in the health of the baby is his food. To build robust little bodies, vigorous, well formed, and active, correct feeding is essential. Probably a million mothers have found that this is exactly what Eagle Brand Condensed Milk does. It is the standard baby food—digestible and safe. Whole families of children have been successfully raised on it.

Mrs. Graham writes: "I cannot refrain from telling you what Eagle Brand has done for our baby boy. He used it exclusively and has never known a sick day in his whole 2½ years of life. Both my babies, Robert James and Patricia Madeline, are Eagle Brand babies and pictures of health."

Mrs. F. F. Graham
732 3rd Street
Havre, Montana

Police Hunt Black Car of Kidnappers

SCHENECTADY, N. Y., May 2.—Police seek a large black touring car containing two men and a boy as the most definite clue to the whereabouts of Verner Alexanderson, six-year-old son of E. F. W. Alexanderson, radio engineer, who was kidnapped from his home Monday. Descriptions of the boy and his abductors were broadcasted by a number of radio stations.

A Small Injury May Cause Severe Infection

Overlapping Stocking Brings on a Painful and Dangerous Wound on Woman's Foot

Painful and dangerous infections, sometimes resulting in death from blood poison, come from trivial wounds. A tiny scratch is a broad highway to anything so infinitesimal as a germ. The following letter from Catherine E. Jacobs, 39 Somerset st., Boston, Mass., describes the effect of Zonite on an infected wound of this character.

"About two months ago I infected my foot, due to an overlapping stocking rubbing against my shoe. The infection spread and discharged a great deal of pus and was very painful at all times. I tried several antiseptics and failed to get any relief therefrom. My daughter called my attention to an advertisement about Zonite in one of the papers and I started using it. Today my foot is perfectly well and I believe Zonite is one of the greatest wonders the world has known."

Well Known Lynn Couple Praise Dreco Stomach Trouble and Attending Ailments Quickly Relieved

Dreco Wins Where Other Medicines Failed

The greatest proof of the powers of DRECO is the thousands of people, both men and women who have gained health after taking DRECO—where this wonderful remedy conquered stomach, liver and kidney troubles and their attending ailments after all other medicines had failed.

Now a well known couple of Lynn, Mr. and Mrs. George H. KNOX, are the thousands of testimonials vividly sent by people who have taken DRECO, their story of how this remedy has helped them.

"My stomach has for a long time been in a very dreadful condition," says Mr. Knox. "I had tried everything in the hopes that my health would return, but failure was the result every time," he continues. "Then I started taking DRECO. I certainly do think highly of this wonderful medicine. Because when everything else failed DRECO succeeded in giving me back my health."

"Whereas before I couldn't eat a meal with any enjoyment, was very nervous and my entire system run down, I now can eat and enjoy my food. My nerves have calmed down considerably and I feel greatly improved in every way."

"My wife, who is a nurse, had been in a train wreck and her nerves were completely shattered. She started taking DRECO. Then she had her first good night's sleep. Now she is just as strong for DRECO as I am."

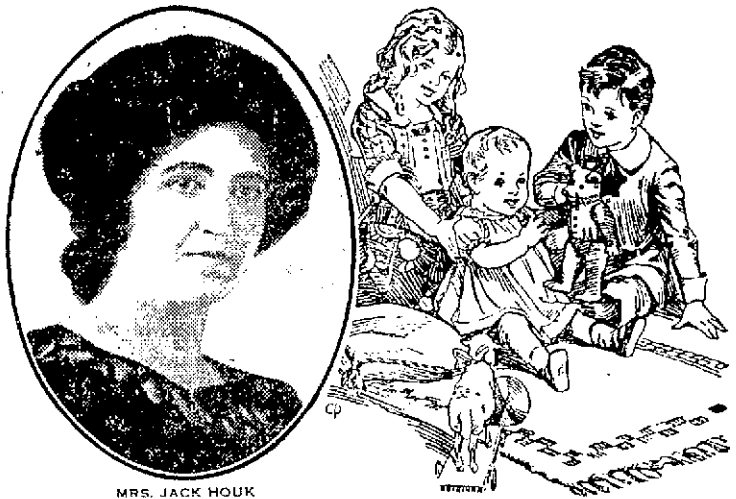

"We both recommended it highly for anyone suffering from nervousness, constipation or stomach trouble."

There are hundreds of other men and women in Massachusetts and the rest of the country who are just as enthusiastic about DRECO and praise it just as highly as do Mr. and Mrs. Knox. They are proof of its wonderful recuperative powers.

DRECO is composed of the juices and extracts of many different roots, herbs, barks, and leaves which act on the stomach, kidneys, liver and bowels, and purify the blood. It relieves constipation, prevents gases forming in the stomach, increases the appetite, restores sound, refreshing sleep, banishes catarrh of the head and takes the pain out of rheumatic joints.

DRECO is being introduced to the people of Lowell by Green's drug store. Call on them and let them tell you of the merits of this wonderful remedy. They will honestly tell you whether or not they think DRECO will benefit you. —Adv.

Her Dream Realized—

MRS. JACK HOUK
1315 TENNESSEE ST., LAWRENCE, KAN.

EVERY young woman like Mrs. Houk before her marriage dreams dreams and has visions of her ideal home with her husband, and healthy, happy children to make her joy complete.

But as time goes on her dreams are not realized, she has no children, her life is embittered, and it is hard for her to be reconciled to the conditions as they exist.

To every young woman who is in this condition the following letter should bring hope and encouragement, as we know of numberless homes that have been blessed with children, just as this home was, after all hope had been abandoned.

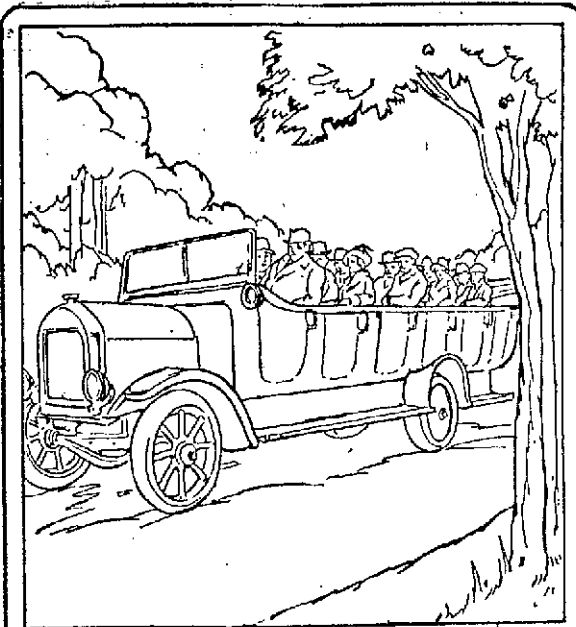

Here Follows Mrs. Houk's Personal Letter:

"I was of a nervous disposition and always had a tired, worn-out feeling. I would get sharp pains in my side when working too hard or when walking too much and sometimes I would have those awful dragged down feelings. I have had such troubles since I was a very young girl and had got very little relief from all the medicine I had taken, and one doctor told me that I would never have children unless I had an operation. I had heard a great deal about Lydia E. Pinkham's Vegetable Compound so I thought I would try it. By the time I had finished the fourth bottle I noticed a change in my health. We took a trip to California at this time and I kept on with the medicine. My health continued to improve and I now have a big, healthy baby boy six months old. I am not doing my own housework yet as I want to get good and strong first as it means a lot to my baby for me to be well while he is nursing. I have spoken highly of the Vegetable Compound to my friends, and I am more than willing for you to use these facts as a testimonial."—Mrs. Jack Houk, 1315 Tennessee St., Lawrence, Kansas.

Ailing Women are advised to try.

GENERAL GOLD BRAID

THE WOODEN SOLDIERS LAY IN A ROW ON THE GROUND

There was a loud bang and when the smoke had cleared away Nancy and Nick saw a dreadful sight. The tin soldiers had put a big shooting cracker under the toy bridge and blown it up. Something else had happened, too. Every one of the wooden soldiers in their brave red jackets lay in a long row on the ground next to him and knicker him down, too. He falls against his neighbor and he falls, and so on down the line. No doubt the general got hit with a splinter off the bridge and fell backward, and that knocked them all over. General Gold Braid is always getting hurt. All the time they were talking, the three of them were hurrying toward the scene of battle, and now they arrived at the field. The tin soldiers had stopped firing because there was no one left to shoot at, and the bridge being down they could not get over the river to capture the enemy. They had jumped off their tin horses and were wiping the water off their heads and off themselves too, to keep from rusting, as the wooden soldiers had used water guns. Nick set General Gold Braid on his feet first, and soon they had the rest of the wooden soldiers on their feet in a nice even row. "Thank you," said General Gold Braid stiffly. "Will you kindly look for my arms. I've lost them both, I believe." (TO BE CONTINUED) (Copyright, 123, The Lowell Sun.)

SUMMARY OF EARLY
MORNING A. P. NEWS

Attorney General Daugherty declares that government in 30 days will start vigorously to enforce the law as interpreted by supreme court to stop American and foreign ships from carrying liquor within three mile limit.

May Day passed without serious disturbance anywhere in the United States.

Florida senate postpones final consideration of measure to forbid bodily punishment of prisoners in that state and supporters of stopping use of strap are beaten in test vote.

Londoner Hamilton McCormick, grandson of inventor of reaping machine, announces at Chicago establishment of foundation for advancing science of characterology, millions for endowment to be available only after death of second generation in Mr. McCormick's family. It is declared.

Methodist evangelist at Fort Worth, Tex., conference declares that vicious attacks against authority of the Holy Scriptures and fundamentals of the faith, are constantly made in schools and colleges of the Methodist Episcopal church south.

Bishop Rhineland, head of Protestant Episcopal diocese of Pennsylvania in explaining resignation made public yesterday, declared his health is not equal to responsibility of the bishopric.

Samuel Goldwyn tells federal trade commission at New York that professional jealousy of Charlie Chaplin prompted Mary Pickford to ask \$10,000 a week in 1917 after she learned Chaplin was getting \$600,000 a year.

Scores are reported injured in Paris May Day riots when police, attacked after labor meeting, give battle to mob.

London Star describes United States supreme court decision prohibiting foreign ships from bringing liquor inside the three mile limit as "high handed piece of arrogance toward foreigners."

Jack Daw's Adventures. Chapter 11

Beny Meeny soon saw that Jack was sorry he had touched the beautiful flower. "Come, sonny," he shouted, "let's not worry about that any more. You've learned your lesson. Just follow me and you can wash your hands." And the old man led the way to the bank of a very beautiful stream.

"This body of water," explained Beny Meeny, "is Looking-Glass River. It's so clear you can see your face in it." And sure enough, when Jack leaned over and gazed down into the water he found his reflection looking right up at him. And as little waves came they made his face do funny things.

Jack was still laughing at himself in the water when Beny Meeny suggested that he hurry and wash his muddy hands. "All right," shouted Jack. And soon he made the water splash. Finally Jack turned and was surprised to see several funny urns coming down to the water. (Continued.)

PLATES FOUND ON MORMON HILL

These metal plates, actually only slightly larger than here shown, were found on Mormon Hill, near Palmyra, N. Y., according to Charles E. Driver and Melvin M. Lawton, traveling evangelists. It was at that place that Joseph Smith received this inspiration to found the Mormon faith. Investigators are seeking to learn the age of the plates, inscribed in modern Greek.

EAGLES ELECT OFFICERS

Over One Thousand Ballots
Cast—Thomas F. Quinn
Elected Worthy President

The annual election of officers for Lowell Aerie, No. 212, Fraternal Order of Eagles, was held in Eagles' hall yesterday. Over one thousand ballots were cast before the boxes were closed and in several of the offices there was strenuous competition. Four candidates were put for the office of Worthy President, Thomas F. Quinn, James P. Roark, John H. McMahon and George D. Freeman. Mr. Quinn led in the race, however, and was declared elect-

THOMAS F. QUINN
Worthy President

ed Hugh F. Gallagher and Joseph Hughes were candidates for the office of vice-president, and Mr. Gallagher was the successful man. The other new officers are as follows: William A. Sheehan, worthy chaplain; John M. Hogan, secretary; David J. Harkett, treasurer; Joseph D. Felle, outside guard; John T. Lamontagne, inside guard; John J. Driscoll, trustee for three years; Richard J. Flynn, trustee for two years; and Dr. Jos. T. Brennan, Dr. John H. Donovan and Dr. Harold B. Plunkett, physicians. Mr. Quinn resides at 24 Wood street and is the janitor at the Lincoln school. He is a member of numerous fraternal and benevolent associations, a few of which are the Foresters, the Red Men and the Elks, and is also a member of the Stationary Firemen's organization here. He was at one time chairman of the old democratic city committee and has been prominent in political circles all his life. This is the first office he has held in the Eagles with the exception of the fact that he was a member of the visiting committee last year.

TO HOLD WATER SERVICE MEMORIAL DAY

The elaborate water service started by the G.A.R. many years ago, in memory of those who gave their lives fighting for America on the seas, will be held under the auspices of the Veterans of Foreign Wars on Memorial Day. President David F. Caddell of the veterans, states that the services will be more pretentious this year than ever before. Final arrangements for the program have not been decided upon.

National Poppy day will be held Monday, Saturday, by the Veterans of Foreign Wars, that is the Saturday preceding Memorial day. Permission has been granted to the organization to sell their flowers on this date. President Caddell states that the affair has the approval of President Harding, Governor Cox and others prominent in national affairs.

PAYETTE'S NAME NOT SENT TO COUNCIL

The appointment of Joseph Payette as a member of the budget and auditing commission for a term of three years to succeed Albert Bergerson, which was made by Mayor Donovan yesterday, was not sent to the municipal council for confirmation last evening as had been expected.

The mayor stated today that it was at Mr. Payette's request that he did not send the appointment to the council. "Mr. Payette called me up on the telephone yesterday afternoon," said the mayor, "and requested that nothing be done on the appointment for the present." The mayor also stated that Mr. Payette was not a candidate for the position, but a few days ago after he had been informed of the duties of the office, he agreed to accept the appointment. "Mr. Payette has requested a conference with me," continued the mayor, "and I will send an appointment to the office to the council until I have conferred with Mr. Payette."

BIG INCREASE IN BUILDING PERMITS

(Special to The Sun)
STATE HOUSE, Boston, May 2.—Massachusetts building permits have increased for the month of March this year, more than \$5,000,000 in value over the building permits of February, according to the returns filed with the state department of labor and industries by building officials in 33 cities. Despite the large increase over the previous month, however, the amount was one and two-tenths per cent. less than the increase in March over February. The increase in March over February is not due so much to an abnormal increase in March as it is to the small value that was reported in February.

In Lowell, the aggregate value of the permits for March amounted to \$202,140, compared with \$103,050 in February, this year. In 1922, the amount for March was \$215,970, as compared with \$67,745 in February.

STRUCK BY AUTOMOBILE
While crossing Merrimack street near city hall about 10:45 o'clock this morning, George M. Ballou of 207 Worthington street, was struck by a Ford automobile operated by Victor Carlson of 125 Varian avenue. He was taken to St. John's hospital in a passing machine, where examination of his injuries showed minor lacerations of the face. His condition is not serious. Carlson reported the accident to the police.

The Advertising Club

Mr. Robert B. Miller, of the Red Cross, was in charge of the demonstration, and had as his subject, Physical Director Towne of the Y.M.C.A. After telling of several recent cases where lives have been lost because of electrocution or gas-poisoning, Miller did not know what to do. Mr. Miller went on with his demonstration, outlining the many little movements that have much to do with the bringing back of life. Following his demonstration of the prone method of resuscitation, Mr. Miller called upon the members of the Ad club to take it upon themselves to see that the people of Lowell receive adequate training in the methods of life-saving, especially drowning, so that the youth of the city will not be sacrificed to the river through ignorance.

Following Mr. Miller, Mr. Towne offered his services in the instruction of amateur life-savers and also spoke on the necessity of the work. Mr. Cooney then sprang another surprise when he announced that plans are being made to have the Ad club officially open the bathing season on the boardwalk this summer, and if this is decided upon, he hoped that Mr. Towne would take part in a demonstration of life-saving as one of the features of the affair. Another unusual feature was the Carnegie girls' orchestra, which entertained previous to and during the luncheon with several popular selections.

MEMORIAL SERVICE FOR WORLD WAR HEROES

A memorial service in the form of a solemn high mass of requiem for the deceased members of the C.M.A.C. who made the supreme sacrifice in the World War, will be conducted at St. Joseph's church on Wednesday morning, May 30. This was decided at a meeting of the organization held last evening in its quarters in Pawtucket street, with President Donat J. Brunelle in the chair.

According to plans that were outlined last evening, the members of the society will assemble at their hall on Memorial day morning, at 8 o'clock, and will march to the church in a body. Rev. J. G. Bachand, O.M.I., chaplain of the association, will be asked to deliver the sermon at the mass. Several matters of importance were taken up at the meeting and the plans for the annual communion, which will take place on the first Sunday in June, were submitted by Eugene Bailey, chairman of the committee on arrangements. The activities of the literary club connected with the association were discussed and the society went on record as favoring the organization of a brass band as proposed by the club. President Brunelle announced that a membership campaign will be launched in the near future and at the next meeting he will appoint a committee to conduct the drive. Routine business was transacted and remarks were made by Rev. Fr. Bachand, O.M.I.

The Boy Scout Movement

Lowell council reorganized last year and on January 1 commenced reorganizing scout troops. The result achieved during the past four months is as follows: January 1, 6 troops and 79 scouts; April 26, 12 troops and 210 scouts. The funds raised for reorganization work in 1923 amounted to \$3,961, and of that amount \$2,833.34 was expended during the last ten months, leaving a balance on hand of \$678.49. The receipts for the past three months amounted to \$122.40, making a balance on hand April 15 last of \$800.89.

The following troops are ready to be organized providing some live wire men willing to take hold and push their activities. Troop 1, Highland Congregational church; Troop 2, Y.M.C.A.; Troop 3, Immanuel Baptist church; Troop 12, Lawrence Street P.M. church; Troop 13, Kenwood mission; Troop 17, Grace Universalist church; Troop 19, Eliot Union Congregational church; Troop 20, St. John's Episcopal church; Troop 21, Highland church; Troop 22, First Universalist church; Troop 26, Notre Dame de Lourdes church; Troop 27, Calvary Baptist church; Troop 28, Greek community; First Swedish M.E. church and Paige Street Baptist church. The program of the work of the Lowell council is to organize a scout troop in every school and church and in many clubs in and around Lowell; organize a scout band of 20 pieces; conduct hikes and week-end camps for all scouts throughout all seasons of the year; conduct a summer camp for all troops; establish court of honor for award of advanced grades and merit badges; develop a trained scout corps; encourage first aid corps; co-operate with all civic, educational and welfare organizations in all non-commercial and non-partisan activities; and build up a large and efficient scout organization for co-operation in public and civic affairs and for service to the community.

APPOINTMENT OF STATE AID SUPERINTENDENT

It is probable that within a short time the appointment of William A. Arnold as superintendent of the state aid department at city hall will be sent to the municipal council by Mayor Donovan, for this honor stated this morning that if Mr. Arnold cares for the appointment he may have it.

Mr. Arnold is a hold-over as superintendent of state aid and has been since the early part of last year. He was appointed to the position on Dec. 29, 1919, or shortly after the death of the late Capt. Worthen. This was under the commission form of government, and appointments in those days were for an indefinite term. Last year Mayor Brown sent Mr. Arnold's appointment to the council for confirmation, but the appointment was laid on the table and it remained there so that Mr. Arnold is a hold-over in office. Mayor Donovan stated this morning that he was never approached by any one relative to the position and he further stated that Mr. Arnold could get the appointment any time he wanted it. When seen later, Mr. Arnold stated that he is a candidate for re-appointment and he will so inform the mayor.

LOWELL DISTRICT COURT

Grocery Store Clerk Pleads Guilty to Liquor Charge—Other Cases

Eugene Piche, arrested yesterday afternoon with Alfred J. Marcotte on a complaint charging him with illegally keeping intoxicating liquor, pleaded guilty to the charge in the district court this morning and paid a fine of \$100. Piche is a clerk in a grocery store at 89 Arch street, which was visited yesterday afternoon by Federal Agents Sullivan and Hall and Officer Leahy of the liquor squad. While employed in investigating the premises, Marcotte entered and wanted to know on what authority they undertook to do so and a search warrant was produced. The officers alleged that Marcotte continued to interrupt them and interfere with them in the performance of their duties and ordered them to vacate the premises. They refused and when Marcotte persisted in wrongdoing, he was arrested on a charge of interfering with officers. Sgt. Vinn testified this morning that Officer Dooley, who patrols a beat in the Arch street district, had informed the liquor officers that the grocery store at 89 Arch street was one of the worst liquor nuisances in the district. Because of the absence of the federal agents concerned in the case, Marcotte was ordered continued until May 8.

Other Offenders
William Kisilowski pleaded not guilty to drunkenness although he admitted having a few drinks. Officer Connors was called to the stand and told the court that he had been summoned to Kisilowski's house by the wife of the defendant, and he found the latter in an intoxicated condition. A fine of \$5 was imposed. A case of non-support against Sammon Buysa was dismissed at the request of the complainant, Buysa's wife. Continuances to May 9 and May 16, respectively, were granted to Catherine Kivietien, for assault and battery, and Daniel W. Newell, for illegal keeping.

SUPERIOR COURT ADJOURNS AGAIN

The settlement last night of three cases called for superior court, and a fourth agreement just before court was scheduled to open this morning, necessitated calling a recess for an hour, while Clerk of Court Roger Hurd endeavored to assemble the principles for the next case. Mr. Hurd failed to gather the desired quota and the jurors were dismissed, on their return to the court house, for the remainder of the day. Court will open at the usual hour, 10 o'clock tomorrow morning.
